During the school year, students may not arrive earlier than 8:35 a.m.

School Dismissal Time 4:00 p.m.

Please refrain from lining up for the car line until 3:30 p.m.

The expectation is that all students not involved in any activity should be gone from school/picked up by 4:15 p.m.

Pick up for elementary students is on the east side of the building by door #29.

If you have an elementary and a middle school student, pick up is on the east side of the building by door #29.

Students are encouraged to bring water bottles to school if they would like to carry water with them throughout the day.
Beverages other than water (except for lunch) will not be allowed in the building.

VOLUNTEERS

All parents/guardians will be required to be district approved volunteers before attending field trips, attending class parties, attending field day, helping with book fairs, helping teachers in classrooms, etc.

Become an approved volunteer in just a few easy steps. A volunteer application must be filled out every school year, complete a Springfield Public Schools background check every six years and register with the Family Care Safety Registry.

The application process can be found on the District website under the "Community" tab ([sps.org](https://www.sps.org)). For more information, click [here](#).

The district pays for the background check and if the Family Care Safety Registry fee is a hardship for your family, our PTA/PTSA will reimburse you for that fee. The application process takes 3-4 weeks so please start the process now so you will be approved to help with beginning of the year activities.

ATTENDANCE

We know it is sometimes necessary for a student to be absent from school. Parents are requested, on those occasions, to inform the office by phone prior to 10:00 a.m. of their child's absence. You can call the school at **523-2301**, or email ljcrockett@spsmail.org. Students should ask their teacher for makeup work when they return to school. If the student is absent for three or more days, you may request homework by calling the school office or contacting the teacher. Students who arrive at school after 9:00 a.m. are considered "tardy" and should report to the office. Note: All absences (except those which are school related) do count against the student's attendance.

BUS TRANSPORTATION

If you have questions concerning buses or bus routes, please call the Transportation Office at 523-0500.

At this time, students will not be allowed to ride the bus home with other students.

The **WheresTheBus** App is now available to all SPS parents and guardians! WheresTheBus shows you where your child's bus is in real-time. You can view all of your child's bus data, including arrival and departure times and live location of their bus. For more information, click [here](#).

For information on bus delays, click [here](#).

CELL PHONES

Cell phones must be powered off and in the student's backpack from 8:35 a.m. until 4:15 p.m.

COMMUNICATIONS

- **Parent Square:** Parent Square is our automated phone messaging system we use throughout the year to get important information out to all students and parents/guardians. Please make sure to update your phone number and email address in the Home Access Center so you can receive timely and important messages from the school.
- **Pleasant View Website:** Check out the Pleasant View website at <http://www.sps.org/pleasantview>.
- **Facebook:** Pleasant View K-8
- **Instagram:** pv_k8school
- **X:** @PViewSPS
- **To minimize classroom interruptions and to assure that your child gets your message, we request that you do not call the school office to leave a message for your student after 3:00 p.m. After that time we cannot guarantee that the message can be delivered.**

DELIVERIES

We will no longer accept student deliveries (flowers, balloons, candy, Grubhub, DoorDash, etc.).

EARLY CHECK-OUT/PICK-UP

The following procedure for early check-out/pick-up of students will be **strictly enforced** to ensure the safety and security of your child:

- The parent/guardian must first enter the school through the front doors into our lobby.
- The parent/guardian will communicate with the office staff via the intercom system (any other individual representing the parent must be cleared by the parent through the Pleasant View Office in writing).
- The parent/guardian or designee must sign the student out in an early dismissal log.
- Any visitor entering the building or checking a student out of school **must show the office staff a photo I.D.**
- The office will notify the teacher and the student will be released to leave the building.
- Early check-outs **do** count against a student's attendance.
- **If you plan to pick up your student early from school this must be done before 3:30 pm unless arrangements are made through the office. We will not release a child unless the office is notified before that time or it's an emergency situation. The end of day dismissal is a hectic time, so please plan ahead and contact the office before 3:30 if you need to pick your child up early.**

HOME ACCESS CENTER

Through this portal, you can check your student's grades, attendance and demographic information. **Please update your student's demographic information prior to August 21.** Please keep in mind if you are changing an address, you will need to provide the school with proof of residency. If any of this information should change throughout the year, please make all updates using the Home Access Center (HAC) and notify the school office.

The username and password assigned to you will carry over from year to year until your student graduates from high school.

To access the Home Access Center web page, go to the district's website: sps.org and click on [The Parent Portal](#).

*If you have forgotten your user name and/or password, on the login screen, you can select the "Forgot My User Name or Password." An email will then be sent to you (the parent/guardian), from an account named "DoNotReply." That email will contain a link which will allow you to assign/reset your password. You will then enter either a User Name or Email Address. NOTE: If email address is selected, you will need to match the email address currently on file with the school.

**If you need to create a new Home Access Center account, on the login screen you can select the "Click Here to Register for HAC." Enter your name, city, zip code and click the "Register" button. The system updates hourly. You will receive an email at the email address the school has on file for you with the instructions to complete your HAC account registration.

Grade cards are no longer printed and sent home with students. Instead, parents/guardians can access those reports in the Home Access Center. If you prefer to continue receiving a printed copy of your student's grade card, please contact the Pleasant View office.

MEDICATION

Prescription and non-prescription medication to be taken at school shall be **delivered and picked up by a parent/guardian**. Medication must be in the current prescription bottle or original container. A medication permit and administration form must be completed and signed by a parent/guardian. The first dose of any medicine will not be given at school. Three (3) doses of over-the-counter medications may be given at school with a permission form signed by a parent/guardian and must be in the original container. Administration for more than (3) three doses requires a written standing order from a doctor or authorized prescriber for the individual student, which can be faxed to the school. Over the counter medication such as Tylenol cannot be carried by students and should follow the same policy as stated above. Any remaining medication must be picked up by a parent or designated adult within one week after the final date on the medication form or by the end of the last day of school. Medication will not be sent home with students.

Please call (417-523-2330) the week before school starts to set up an appointment to drop off medication for the school year. The first day of school is not the best time to do this and would be more beneficial for the nurse and student to have this done the week prior.

Wheres The Bus?

A QUICK GUIDE FOR CAREGIVERS

What is WheresTheBus?

WheresTheBus is a software program that tracks school buses, bus routes and bus riders. This data is acquired by students scanning their ID badge each time they board or deboard the bus. This scanning allows parents to see where their child's bus is at all times on the WheresTheBus mobile app. Parents also receive accurate arrival and departure times for their child, reducing the morning and afternoon stress of uncertainty when the bus will arrive (WheresTheBus?, 2024).

How do I access WheresTheBus?

[Download on Apple Store](#)

[Download on Google Play](#)

How do I log into WheresTheBus?

The WheresTheBus™ app is free to SPS users and takes less than 5 minutes to set up.

1. Download the WheresTheBus™ app from the App Store (iOS / Apple) or Google Play Store (Android). You will be prompted to create an account.
2. Select Springfield Public Schools (MO) from the dropdown menu.
3. Enter your student's ID # and birthdate and click "Save."
4. If your student is assigned transportation, their bus # and stop time will display. Please contact the Transportation Department if the information displayed is incorrect. **Note:** If you log into the app on a day that your child does not ride the bus, nothing will appear in the app. Example: Some EC students only ride the bus Monday – Thursday, so if an EC Parent logs into the app on a Friday, they will not see any information.
5. Log in to the app and access real-time bus information for your student(s).

From Your Child's School Counselor

2026-2027

To the Guardians of Pleasant View Students:

I hope this letter finds you doing well and ready to start a new year at PV Elementary School! I am entering my fifteenth year as a school counselor, and my fifth at PV. I love being a PV Blue Jay and I look forward to another fabulous year!

Classroom lessons are only one component of the role of a school counselor. The second component is small group instruction. I will conduct interactive learning groups. Groups allow me to connect with a small number of students to enhance their skills in one certain area. Groups are for all students. The purpose of groups is to have a specific goal and select students that *excel or need further assistance* in that target area. For example, I may form a friendship group and have students that struggle with making friends mixed with students that do not. It is a laid-back, fun experience. If you do not want your child to participate in a small group, please sign and send the below form to school with your child by September 4, 2026.

The third component of school counseling is individual visits with students. I receive student referrals from the students, teachers, and parents. I do not provide ongoing therapy for students. If you would like referrals for your child to regularly see a counselor, I would be happy to help with that process. I value the time I have with all students. I inform each classroom/student at the beginning of the year, when they individually visit Mrs. Curtis it is **confidential**...UNLESS 1 of 2 things are happening: 1) They are being hurt, or if, 2) Someone else is being hurt. Please know that I do not call every time a student visits my office.

My wish for this letter is to have it serve as a door opening for communication between Pleasant View guardians and myself throughout the school year. My primary goal is to be an advocate for your child at all times. After all, *how can one fully learn if they have other concerns?*

Feel free to contact me with any questions or concerns. I am here to assist you and your child in any way I can.

Sincerely,

Courtney Curtis, School Counselor
