

College/University Course	College/University	High School Course Name and Code	Semester Offered
Agricultural Engineering Institute (Agricultural Power, Structural, Technical Systems)			
AGR 115 Agriculture Maintenance	Bluegrass Community and Technical College	Agriculture Power and Machinery Operation 010212	Semester 1
AGR 150 Agricultural Power	Bluegrass Community and Technical College	Special Topics, Ag. Power, Structural & Technical Systems 010252	Semester 2
Animal Science Institute			
Agribusiness: Equine Studies Program (Agribusiness Systems)			
EQS 110 Basic Equine Physiology	Bluegrass Community and Technical College	Agribusiness and Farm Management 010131	Semester 1
EQS 125 Equine Nutrition	Bluegrass Community and Technical College	Special Topics, Agribusiness 010102	Semester 2
Food Science and Processing Program (Food Science and Processing Systems)			
AGR 133 Introduction to Animal Science	Morehead State University	Animal Science 020501	Semester 1
AGR 185 Current Food and Energy Issues	Morehead State University	Special Topics, Food Science and Processing Systems 010709	Semester 2
Pre-Veterinary Studies Program (Animal Science Systems)			
AGR 143 Anatomy and Physiology of Livestock	Morehead State University	Animal Technology 020502	Semester 1
AGR 182 Introduction to Veterinary Science	Murray State University	Special Topics, Animal Science Systems 020552	Semester 2
Plant Science Institute (Horticulture and Plant Science Systems)			
AGR 155 Greenhouse Production	Bluegrass Community and Technical College	Greenhouse Technology 010641	Semester 1
AGR 160 Horticultural Science	Bluegrass Community and Technical College	Special Topics, Horticulture and Plant Science Systems, 010652	Semester 2
