

TCISD Cell Phone Policy

2026-2027

This policy is in accordance with HBI481. Texas law mandating school districts implement policies prohibiting the use of personal communication devices by students on school property during the school day.

Students in grades K-5 are prohibited from bringing personal communication devices to school without written approval from the Superintendent. If allowed, the device will remain in the office during the school day.

Students in grades 6-12 are prohibited from using cell phones, smart watches or air pods during the school day. Students will place their phones on 'airplane mode' and secure them in a Yondr pouch upon arrival to school. High School students who leave campus for lunch may unlock their pouch during the lunch period. Students will be allowed to unlock their pouches at dismissal.

Parents will need to contact the school office if they need to reach their child.
