

Introducing the GCHS

PALS Program

New to Giles County High School this year is the PALS Program, designed to assist students in need with basic hygiene items and clothing **FREE OF CHARGE**!

THIS PROGRAM IS COMPLETELY CONFIDENTIAL.

Some of the items we have in stock include shampoo and conditioner for all hair types, deodorant, toothpaste, toothbrushes, washing detergent, lotion, feminine products, etc., as well as clothing of all sizes.

We will also do our best to provide special orders if we do not have them in stock.

This is especially helpful when students need formal clothing for special events (Awards Day, Senior Exit Interviews, Graduation, etc.).

Any time you would like to participate, **please scan the QR code below** OR **go to your grade-level Google Classroom**. You will be contacted and assigned a locker and notified when the items are ready for pickup. Please specify what items you are in need of.

YOU MAY SUBMIT THE FORM AS OFTEN AS YOU NEED. There is no limit to the number of submissions.

If you have any questions, please contact Mrs. Black at ablack@gcboe or go by room #77.
