Our Kindergarten adventure begins on Thursday, September 3, 2026. We will meet at 8:30 a.m. in the school gym. Goodbyes will occur before we go to the classroom so that it is a smooth transition for everyone. The first two days are early dismissal days so school will be finished at 1:40 p.m. We have many exciting lessons and activities planned for those days, so please make sure you go to bed early the night before.

Kindergarten is such a special year! We are very excited to be a part of your learning! If you have some free time during the summer, please be sure to spend some time reading at the library or working on identifying letters and the sounds they make. This will help you prepare for the beginning of the school year. We look forward to a successful year!

Sincerely,

Kindergarten Teachers
