Dear Parents & Guardians:

We would like to welcome you to Fourth Grade! We are looking forward to an exciting and successful school year.

4th grade is an extremely **important** time for students to cement the skills they have gained throughout the lower **grades** and lay a solid foundation for the years ahead. ... **Organization is essential.** Your child needs to be organized for successful learning. We are asking that you please have the following items to accommodate the organization for academic learning during the 2026-2027 School Year:

Earphones or earbuds

EACH STUDENT MUST HAVE THIS ITEM. When they're listening to a mini lesson, we want them to be able to concentrate without interruptions or surrounding noises. Getting a set of earphones or earbuds will help ensure they don't disturb those around them, and drown out outside noise to minimize them being distracted.

A backpack

A backpack with room for a laptop, books and other supplies will prove useful when bringing materials to school & from school. Also, as your child heads to a study session with a classmate or moves from one class to another the backpack will allow them to transport their belongings.

Traditional school supplies

Items such as pens, pencils, highlighters, and notebooks on hand. Listed below is a detailed list of the traditional items.

A home workspace

Carve out a separate school area with a desk/table and room for your child's binders, textbooks and other items. This will help your child focus and get down to work more easily than if he/she were working on your couch or bed. This will help to create a **HOMEWORK/STUDY area**.

We look forward to a productive school year! Most importantly we look forward to partnering with you in the education of your child.

Sincerely,

Your Fourth Grade Teachers
