Welcome to first grade!

Hi! My name is Ms. Breaux, and I am so excited to be your child's teacher! I can't wait to meet you and I am looking forward to this upcoming year.

Our adventure begins on Tuesday, August 11th, 2026…the first day of school! I hope your child is excited about moving up to first grade.

First grade is an important year because children learn the foundational skills that prepare them for the academic years ahead, so it is important for your child to attend school every day!

I am excited to be a part of your child's learning and looking forward to a successful school year.

See you soon,

Ms. Breaux

P.S. please feel free to contact me if you have any questions or concerns: josette-breaux@scusd.edu
