

CANNON SCHOOL'S

UNITY PLEDGE

*As a member of a community that upholds the values of
Courage, Respect, Integrity, Teamwork, Passion, and Kindness
and keeps nurturing relationships at the heart of learning at its core,
I commit to the following actions:*

I will treat community members with respect and kindness through my words and actions.

I will listen and learn from those I disagree with in our community.

I will engage with others to understand their point of view and life experiences.

I will find ways to work together with those I disagree with to find common ground.

I will celebrate others through words and actions.

I will avoid harmful and hurtful behavior and not ignore those behaviors when I witness them.
