

Low Voltage Electrical

LOW-VOLTAGE ELECTRICAL

ONE-YEAR PROGRAM - 450-hour program

- Install, wire, label, and test low-voltage systems including security systems, fire alarms, access control, surveillance cameras, and network cabling using industry-standard tools and safety practices.
- Configure and troubleshoot integrated systems by programming alarm panels, IP cameras, access control devices, switches, and PoE networks within a hands-on lab environment.
- Apply real-world installation, networking, and system integration skills while working in teams to complete projects aligned with industry certifications and professional standards.

PROGRAM REQUIREMENTS*

- Current Sophomore, Junior and Senior students may apply
- One credit of English with a C or better
- One credit of Math with a C or better
- A Rubric Score of 42 or above (70 points possible). Rubric scores are calculated by the student's high school counselor.
- Copy of unofficial transcript
- Proof of residency in West-MEC district boundaries
- Copy of birth certificate and immunizations due at the time of enrollment
- Transportation is not provided by West-MEC. Families are responsible for providing transportation to and from West-MEC.

*Program requirements are subject to change per industry age restrictions, credentials requirements, and administrative discretion.

*Students who do not meet program requirements or have a rubric score of 41 or below will be placed on a Student Success Action Plan (SSAP). High School counselors will work with the student to develop an SSAP for consideration of acceptance at the end of semester two, based on program availability.

Meeting program requirements does not guarantee enrollment.

COST REQUIREMENTS

Upon enrollment into the program:

- \$150.00 registration fee (\$150 non-refundable) includes enrollment processing, supplies, CTSO Membership, and ABA workbook with online training, & two uniform shirts. Other uniforms/supply requirements are the responsibility of the student. Registration fees are non-refundable.
 - If you decline your seat **PRIOR** to the first day of class, \$150 may be refunded.
 - The \$300 Registration Fee is non-refundable **after day 1 of class**.
 - CTSO Leadership Development: Training is embedded through membership and participation in the Career and Technical Student Organization (CTSO) | Skills USA.

Optional Costs:

- It is recommended students have access to a personal computer and reliable internet outside of class to complete assignments and projects.

Tuition requirements apply to the following students. Details regarding tuition costs are available at [Tuition Fees](#) on the West-MEC website.

- Empowerment Scholarship Account (ESA) recipients. West-MEC is an approved vendor.
- Student Tax Credit (STO)/Private School Scholarship recipients.
- Junior applicants who will become a senior in a two-year program
- Will graduate from high school before completing their West-MEC program
- General Educational Development (GED) recipients
- Foreign Exchange students
- Residents outside of West-MEC boundaries

INDUSTRY CREDENTIALS

If eligible, students will have the opportunity to test for the following credentials.

TEST FEES PREPAID BY WEST-MEC; It is the responsibility of the student to maintain copies of all earned credentials.

- This industry credential is often preferred for employment in the field. Candidates with this industry credential are likely to be given priority in hiring.
 - T7017A AC/DC Electrical Learning System
 - C-TECH ITT Program
 - C-TECH Fiber-One Program

Proof of Citizenship or Legal Permanent Residency may be required for credential testing. Students with a documented disability may request credential testing accommodations through the individual testing entity.

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.

Low Voltage Electrical

CAREER PATHWAYS

- Electrical Apprentice, Apprentice Electrician, Electrician Helper, Electrician*, Journeyman Electrician*, CTE teacher*
- Entry-level salary range: \$20.19 - \$27.36 per hour**

*with additional education in this pathway | **Bureau of Labor Statistics, Occupational Employment & Wages

LOCATION & HOURS

West-MEC Northeast Campus:

1617 W Williams Drive
Phoenix, AZ 85027
623.435.4920

Monday - Friday

Session 1: 1:00 PM - 3:30 PM
Session 2: 7:00 AM - 9:30 AM

West-MEC Career Academy @ Agua Fria

920 N Dysart Road
Avondale, AZ 85323
623.278.9090

Monday - Friday

Session 1: 7:00 AM - 9:30 AM
Session 2: 1:00 PM - 3:30 PM

NOTE: West-MEC & high school calendars may not align and all transportation is provided by the student/parent.

ENROLLMENT INFORMATION

- Acceptance into West-MEC programs is competitive.
- Students may only be enrolled in **one** West-MEC Central Program at a time.
- The order for filling seats by grade level is as follows:
 - Current Juniors
 - Current Seniors
 - Sophomore
- Applications are ranked in part by attendance, GPA, discipline, and career choice (ECAP)
- Program hours are not excused for participation in extracurricular activities, athletics, vacation, or employment.
- West-MEC priority application submission date is in the beginning of the second semester. Contact your school counselor for your school's Priority Application Deadline.
- West-MEC provides accommodations and modifications identified in the IEP/504 for high school students. Students who graduate from high school or have a GED will not be eligible for IEP services. Graduated students will need to self-advocate for reasonable accommodations that are aligned with industry certifications.

STUDENT SUCCESS INDICATORS

- Strong interest in chosen career pathway.
- History of good attendance and discipline, and on track for graduation.
- Ability to work well with others and cooperate with the instructor.
- Ability to work accurately/follow procedures to an industry-standard.
- Strong technical reading and study skills; the textbook for this course is written at a 12th-grade reading level.
- Uniforms are reviewed to meet professional industry standards. Dress code requirements are addressed before the start of classes.
- Manual dexterity and physical ability to use tools, equipment, and machinery
- Ability to pay attention to detail

GRADING SCALE

Grade	A	B	C	D	F
Percent	90%-100%	80%-89%	70%-79%	60%-69%	59% or below

CREDITS ISSUED BY WEST-MEC

- High School - 3 High School Elective Credits (1.5 elective credits per semester)
- This program satisfies the AZ university admissions requirement. (AZ Board of Regents CTE/Fine Arts credit)
