

Welcome 2nd Graders!

Welcome to second grade. My name is Moua P. Yang. I am very excited to be your teacher this year. I hope you had a wonderful and relaxing summer and are ready for some new and exciting challenges. I can't wait to see all of you real soon.

Here are interesting facts about me. I was born in Laos and came to the United States in 1980 as a refugee. This year will be my 34th year of teaching. Besides being a teacher, I am also a Soldier in the United States Army Reserve. I am married and have three beautiful children.

Our second grade adventure begins on **Tuesday, August 11, 2026**. This year my goal is to have everyone of my scholars perform at high-levels and meet all grade level standards in both ELA and math.

Please don't forget to read for at least 20 minutes every day. By doing this, your fluency and comprehension scores will definitely be near or at grade level in the fall when you take the Beginning of the Year (BOY) reading assessments. In addition to reading daily, please work on learning your addition and subtraction math facts. Math will be a lot easier when you know your math facts. I am so excited to be a part of your learning experience. I look forward to having a successful year with you!

If you need to contact me throughout the school year, use the following contact information:

ParentSquare – I will send more information home at the start of the year.

A Few More Important Things:

- **Please label your clothing and lunch boxes so they can be returned if needed.**
- **Please create a quiet space for yourself to do homework.**
- **Breakfast is served from 8:30-8:50 am.**
- **You will line up for class at 8:55 when the bell rings on the blacktop.**
- **Dismissal is at 3:02 except on Thursday (2:02).**

Once again, I can't wait to see you all at the start of the year. Enjoy the rest of your summer and be ready to learn at high-levels!

Respectfully,

Mr. Moua Yang
