- **Label everything!** Please write your child's name and grade on all supplies, including their pencil pouch, folders, and notebooks.
- **Pencils:** While the supply list includes the total number of pencils needed for the year, students will not need all of them in August. Please keep most at home in a place your child can easily access when they need to restock throughout the year.
- **Lockers:** Students will be able to request a locker after August 26. Until then, they should only bring the supplies they need in their backpack each day.

Key supplies to have in the backpack at the start of the year:

- Binder/ folders (depending on grade level)
- Pencil organizer with pencils, highlighters, and markers
- Device and charger

Other supplies can be purchased and kept at home until lockers are assigned or when it's time to replenish items in your child's backpack.
