ECFE

Early Childhood Family Education

(ECFE) is a program for all Minnesota families with children between the ages of birth to kindergarten. The program is offered through Minnesota public school districts.

ECFE offers parents hands-on learning experiences that will nourish a lifetime of teachable moments.

All ECFE classes are taught by licensed teachers and parent educators to provide the quality education for which parents are looking.

Together, parents and children, newborn to kindergarten age, participate in activities and experiences that foster children's social, emotional, cognitive, physical, and language skills.

Resources

Have you recently moved or had a baby?

If you have recently had a new baby, or have moved to our school district and have children ages birth through five, it is important that they are included in the school census. This ensures that you receive notification about early childhood classes, early childhood screening, kindergarten round-up and other school-related information. If you are not sure whether your children are listed on the school census, please contact the Early Childhood Office at 763-477-7500, or fill out a census form located on our web site at **www.rockford883.org/community/early-childhood-programs.**

ECFE on Wheels

The program features visits to your daycare, or on-site at the ECFE center if you prefer. Visits offer a mini-ECFE class experience including creative, fun, and age-appropriate activities for your group. Call the ECFE office at 763-477-7500 to set-up a visit. There is no fee for visits.

Help Me Grow

Help Me Grow Minnesota provides resources for families to understand developmental milestones and learn if there are developmental concerns. This can help families who are seeking additional support, or who may be interested in a comprehensive, confidential screening or evaluation for their child at no cost. Visit **www.helpmegrowmn.org** for more information.

Wright County Family Support Services

Wright County Public Health offers a variety of services to families and children. Trained professionals can assist families to services and resources that fit their needs. Call/text Wright County Health and Human Services at 763-335-0280.

Wellness on Wheels (WOW)

The WOW Program promotes healthy living for individuals and families by providing teaching, guidance, support, screenings, and immunizations. Appointments are preferred for immunizations and screenings. Services offered include: Child and adult immunizations; blood pressure, cholesterol, and hemoglobin A1C screenings; radon testing kit, and community resources. Please call/text 763-335-0280 for questions or to make an appointment.

Parent/Child Separating Classes

Almost Ready for Preschool

Ages 2.5 to 4.5 years

This class is the perfect combination of ECFE and a practice preschool experience. One morning a week (Wednesdays) you'll spend time with your child in the early childhood classroom before leaving to have a parent/caregiver-only discussion with our Parent Educator, and the other parents/caregivers, in a separate room. During the parenting time you'll talk about school readiness, behavior, friends, discipline, child development and other topics chosen by you, as parents, while your child plays and learns in a classroom of peers led by an Early Childhood teacher. The second day of class (Fridays) is just for the kids! You'll drop your child off in the Early Childhood room and pick them up at 10:15 am for a brief together time and good-byes. What a great way to practice separating from adults and navigating a room full of new friends.

Summer Play 'N Learn

Mixed Ages: Birth-5 years

Looking for a fun, supportive way to spend summer mornings with your child? Summer Play 'N Learn welcomes families with children from birth to age five for a relaxed, engaging class designed for everyone.

Begin each session exploring the early childhood classroom together through play, discovery, and connection. Then, parents and caregivers transition to a guided discussion time while children remain with Early Childhood teachers, enjoying play-based learning and social time with peers.

This class offers the perfect balance of:

- Meaningful parent connection and support
- Playful learning and social growth for children
- Gentle separation practice in a safe, nurturing environment

Join us for a summer of play, connection, and growth—for both you and your child.

Masterpieces & Messy Play

Ages 3-5

Dive into a world of color, texture, and creativity! This class invites exploration and expression through hands-on art and sensory-rich activities. Kids will develop fine motor skills, creativity, and sensory awareness—all while having a blast! This class encourages curiosity and imagination where mess is part of the magic. Perfect for little hands and big ideas, children will build confidence and creativity through playful exploration of art and their senses. Come make a mess, make a masterpiece, and make memories with us!

Parent/Child Non-Separating Classes

Play 'N Learn Beside Me

Ages 0-5 years

Is separation a challenge for your little one? If so, this class is for you! Children and parents will enjoy exploring activities, music, movement and snack. The parent/caregiver discussion time will happen right in the same classroom, providing an opportunity for connection and support with each other. Meanwhile, your child can check in with you as needed, all while building confidence with other kid-friends.

The Launching Pad Preschool

Ages 3 to 5 years

The Launching Pad Preschool provides an outstanding and unique public preschool experience for your child. We embrace a Reggio Emilia-inspired philosophy and Creative Curriculum. The Reggio-inspired approach encourages exploration, discovery and critical thinking. Our Creative Curriculum is research based, and aligned with the Minnesota Early Childhood Indicators of Progress (ECIPs).

Our program is founded on the belief that all children have great potential, are curious, and are interested in constructing their learning. Learning activities are exciting, creative, and developmentally appropriate. We focus on some of these key elements that encourage children's growth and learning:

Project-based learning: Stresses individual and small group investigation of topics that are of interest to the children. Teachers integrate skills acquisition within the project work.

Inquiry-based learning: Emphasizes thinking and problem solving, and is a natural progression for students as they move into kindergarten and the primary grades.

Authentic Art: Helps children find expression through authentic art experiences and have the opportunity to explore materials and processes.

2026-27 Preschool Registration is OPEN!!

Launching Pad Preschool offers:
Full Day Programs: 2, 3 or 5 days per week
Half Day Programs: 2, 3 or 5 days per week

Please call us at 763-477-7500, or visit us at www.rockford883.org. Scroll over Community and select Early Childhood Programs for more information, including busing and tuition schedules.

Parent Support

The Breakfast (Book) Club

Join other parents and caregivers as we discuss the ideas presented in current parenting titles. Discussions will be facilitated by Jessica, our licensed Parent Educator. Classes are open to all community members interested in the discussion. Reading the book is optional. Bringing the book is an option, as well. Childcare is available.

Spring session book selection is:

Parent Support Coach

Are you needing support on your parenting journey, or guidance in developing parenting strategies? Our friendly, welcoming and knowledgeable licensed parent educator is available for in-person or virtual meetings.

To request a meeting: Contact Tiffany at 763-477-7500 or reinhard@rockford883.org. Register in Eleyo at www.rockford.ce.eleyo.com

Screening Appointments

State law requires all children to participate in **Early Childhood Health & Development Screening** before they may enter public kindergarten. Identifying possible concerns early is the best way to prevent serious problems later. The ideal time to screen children is at age 3 to 4. **Make your appointment by calling 763-477-7500.**

ECFE Class & Event Registration

Procedures

Children are our future. We value humanity, the strength of families and celebrate differences and we are committed to promoting the value of families in our society. To accomplish our goals in the fairest way possible, we must adhere to the following procedures:

Missed Classes
Call the ECFE office at 763-477-7500 when you are unable to attend class.

Behavior
Staff will immediately respond to children engaged in unsafe play whether or not a parent is present. Staff will assist parents with appropriate guidance when necessary.

Health Procedures
We have a designated area to put all toys that come into contact with a child's mouth; these are sterilized daily. A child who has a fever of 100 degrees or more, or has vomited within the past 24 hours should not attend classes. Children should be kept home if they exhibit a sore throat, diarrhea, thick mucous from the nose, undiagnosed rash, inflamed or mattery eyes, infected sores, or persistent itching of body or scalp. If a child comes to school with these conditions, we will request the parent and child to leave and return when symptoms have disappeared.

Weather Related School Closings
When school is canceled due to weather or other emergencies, ECFE classes and trips are also canceled. When school has a late start, morning ECFE classes will be canceled. Please listen to WCCO 830 or KRWC 1360 radio, KARE 11 or WCCO 4 TV, or check the Rockford Area Schools website for late start or closing information.

Our classes are affordable to all

Class fees are based on a sliding fee schedule according to income and family size. No family who meets scholarship requirements will be turned away for inability to pay, dependent on availability of class enrollment openings. Family fee applies to members of immediate family only.

Karaoke & Confidence: Sing, Shine, and Dine Camp

Grades 3-6 *(2026 fall grade)*

Ready to step into the spotlight? Karaoke & Confidence Camp is all about building self-confidence, stage presence, and performance skills in a fun, upbeat, and encouraging environment.

Campers will:

- Practice vocal warm-ups and breathing techniques
- Learn basic stage presence and microphone skills
- Perform solo (optional) and in groups
- Build teamwork as they cheer one another on

We'll also enjoy a relaxed lunch together each day - a great time to connect, build friendships, and practice positive conversation skills in a supportive setting.

Whether your child loves being center stage or just wants to try something new, this camp creates a safe space to grow, sing, and shine!

Lunch Options:
Students may bring their own lunch, or families may choose the provided lunch option for an additional $20 for the week. Campers selecting the lunch option will receive a provided meal each day and will be able to choose from available menu selections.

Driver Education

Driver's Education Classroom Instruction

Learning to drive is a major milestone — give your teen the confidence and skills they need with our in-person Classroom Driver's Education program.

Our state-approved course provides engaging, face-to-face instruction designed to prepare students not only to pass the permit test, but to become safe, responsible drivers for life.

Why Choose In-Person Classroom Instruction?

- **Live interaction with a licensed instructor**
  Students can ask questions in real time and receive immediate clarification on important driving laws and safety topics.
- **Stronger engagement and accountability**
  A structured classroom setting helps students stay focused and on pace — no distractions, no clicking through slides.
- **Group discussion and real-life scenarios**
  Students learn from real-world examples, peer questions, and guided discussions that deepen understanding.
- **Better preparation for the permit test**
  Instructors review key concepts, practice tests, and commonly missed questions to boost confidence and success.
- **Build responsibility and safe decision-making skills**
  Class discussions reinforce the serious responsibility that comes with being behind the wheel.

Important Note:

This course fulfills the classroom portion only of Driver's Education and does not include the behind-the-wheel driving hours.

For the behind-the-wheel requirement, we coordinate with **A+ Driving School.** Enrollment with A+ is optional, but it is a convenient option for Rockford-Area families.

***Please note:** Only your selected behind-the-wheel provider can issue the required "blue card." Our program does not issue blue cards.*

Behind the Wheel Instruction

A+ Driving School

There are many choices for your Behind the Wheel driving experience, but with Rockford's partnership with A+ driving school you can stay in your own "backyard". A+ will pick up your student from either the high school or your home and drop them off at either place as well. They also have a representative at the RCC at the end of each classroom session where you can register for lessons and get your blue card.

To register and pay for Behind the Wheel:
visit www.aplusdrivingschool.net

About Blue Cards
(you need a blue card to get your permit)

In order to get a permit, students must be signed up with a behind the wheel company. The behind the wheel company (not Rockford) will issue your blue card.

2026-27 School Year Program

Galaxy Kids is a certified before and after school child care program for preschool-4th grade students offered through Rockford Area Schools Community Education. We are conveniently located in Rockford Elementary Arts Magnet School right across the hall from ECFE and the preschool classrooms. We are open Monday-Friday from 6:00am-6:00pm to assist with family child care needs. We have many different registration options that are sure to accommodate most families' busy schedules. If you are looking for child care before, during, or after school, then this may be the program for you.

Choice-based Program

Our program is a choice-based program where students get the chance to immerse themselves into many different activities, including art, science, math, STEM, drama, music, sports, engineering and technology, language arts/literacy, mentoring and community services, homework assistance, and self-guided activities. At Galaxy, we strive to promote positive behavior, social skills, and friendships while encouraging self-expression, creativity, and leadership amongst the students. Each and every day is a new adventure for students participating in Galaxy.

Galaxy Kids Staff

Galaxy Kids staff are well-trained and knowledgeable individuals that strive to engage and entertain every student that is part of the program. We are professionals that strive to provide a high-quality program that not only meets the expectations of parents, but also is a program students enjoy being a part of. We come to work each and every day to put a smile on students' faces and try to engage all that are part of the program.

Adult Enrichment

55+ Driver Improvement Program

Brush up on your driving skills and stay confident behind the wheel. This 4-hour refresher course is designed for drivers age 55 and older and covers the latest research in safe driving, including visual scanning techniques, steering control, traffic laws, road safety, and vehicle technology.

Minnesota law requires insurance companies to provide a 10% auto insurance discount to drivers age 55+ who complete an approved course. The refresher course must be taken every three years to maintain the discount.

This class is taught by certified instructors from the Precision Driving Center at St. Cloud State University and is approved by the Minnesota Department of Public Safety.

4-Hour Refresher Class Options	Call to Register: **1-888-234-1294**
June 16, 12 - 4 PM	
September 29, 12 - 4 PM	RCC Room 804

Registration is not through Rockford Community Ed. Please Register and pay directly through the Precision Driving Center at **1-888-234-1294**.

RAAA Youth Basketball

Interested in playing basketball? RAAA basketball registration will open for girls and boys in grades 3 through 8 in June 2026 with the season starting after MEA. The mission of the RAAA Basketball Program is to provide youth in our communities an opportunity to develop as basketball players within a team concept that fits their physical abilities and interest. At all levels, our goal is to provide an environment that allows players to grow not only as basketball players but also as people.

Information:
https://www.raaasports.com/raaa-basketball

RAAA Tackle Football

The Rockford Area Athletic Association(RAAA) offers Youth Tackle Football for student athletes who will be entering Grades 2-6 in the Fall 2026. Our focus is purely on player development. We encourage players to try different positions and be the best team player they can be. Grades 2nd and 3rd combine to form a team. 4th grade, 5th grade and 6th grade each form their own team respectively. If enough student athletes register in any particular grade, we will form two teams to ensure maximum participation and game time for each athlete. Registration opens in April. Equipment handout is in early August. Practice starts mid-August with two practices per week. Each team plays 8 games with the emphasis to play local teams on Saturdays. Our season typically concludes before MEA break. Football is the ultimate team sport. It challenges our student athletes to perform at a high level and push themselves to be the best they can be while respecting their coaches and other teammates. Please visit the Youth Tackle website or reach out to the Director(T.J. Webb - tjwebb@raaasports.com) for more information.

Insurance Benefits

Contact your insurance provider to see if you are eligible. Stop by the RCC Front Desk or call 763-477-5294 for more information.

Rockford Community Center Membership

Plan a visit to the Rockford Community Center – we would love to meet you and give you a tour of the Rocket Power Center. Our goal is to make everyone feel comfortable and motivated – we can help you achieve your health and fitness goals. We have fitness professionals, a variety of equipment and fitness classes included in your membership to support and coach you as you improve your health. We have a clean, comfortable and safe environment with no long term contract hassles. Call or stop in at the RCC front desk today for more information or to sign up!

RCC Fitness Classes

All monthly memberships include RCC fitness classes at no additional charge. Fees may be required for some equipment.

How it works:

No pre-registration is needed, however, we encourage all participants to arrive 15 minutes before the class begins. Simply swipe your membership card and sign in upon arrival.

Rocket Power Center

The RCC also has a fitness center with cardiovascular equipment such as elliptical, treadmill and stair climber machines. In addition the RCC has a Freemotion cable cross machine, free weights and Cybex weight machines.

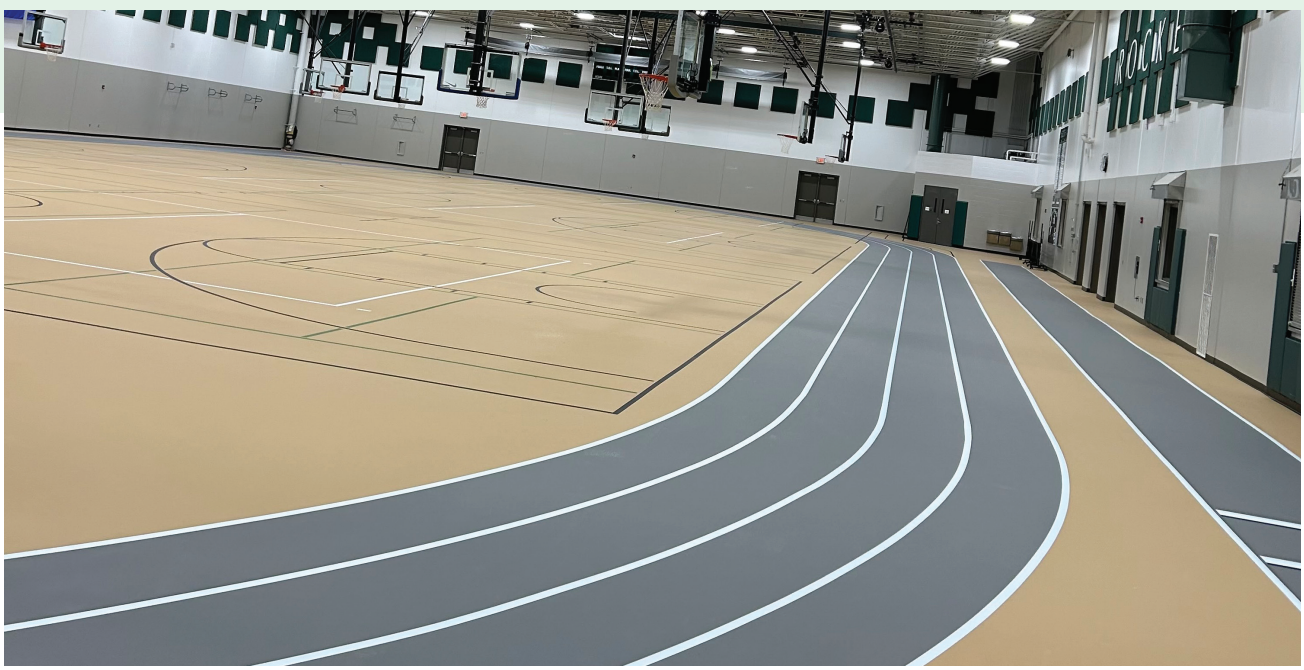

No one under the age of 12 is allowed in the Rocket Power Center. Ages 12-14 must be supervised by a legal guardian.

How to become a Member:

Fill out a Membership Registration form and a monthly fee will be automatically deducted.
