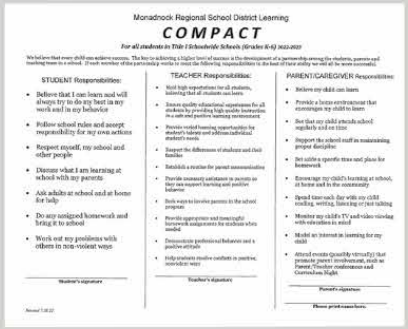
School/Parent/Student Compact



Monadnock Regional School District Learning

COMPACT

For all students in Title I Schoolwide Schools (Grades K-6) 2022-2023

We believe that every child can achieve success. The key to achieving a higher level of success is the development of a partnership among the students, parents and teaching team in a school. If each member of this partnership works to meet the following responsibilities to the best of their ability we will all be more successful.

STUDENT Responsibilities:

- Believe that I can learn and will always try to do my best in my work and in my behavior
- Follow school rules and accept responsibility for my own actions
- Respect myself, my school and other people
- Discuss what I am learning at school with my parents
- Ask adults at school and at home for help
- Do any assigned homework and bring it to school
- Work out my problems with others in non-violent ways

TEACHER Responsibilities:

- Hold high expectations for all students, believing that all students can learn
- Ensure quality educational experiences for all students by providing high quality instruction in a safe and positive learning environment
- Provide varied learning opportunities for student's talents and address individual student's needs
- Respect the differences of students and their families
- Establish a routine for parent communication
- Provide necessary assistance to parents so they can support learning and positive behavior
- Both ways to involve parents in the school program
- Provide appropriate and meaningful homework assignments for students when needed
- Demonstrate professional behavior and a positive attitude
- Help students resolve conflicts in positive, non-violent ways

PARENT/CAREGIVER Responsibilities:

- Believe my child can learn
- Provide a home environment that encourages my child to learn
- See that my child attends school regularly and on time
- Support the school staff in maintaining proper discipline
- Set aside a specific time and place for homework
- Encourage my child's learning at school, at home and in the community
- Spend time each day with my child reading, writing, listening or just talking
- Monitor my child's TV and video viewing with education in mind
- Model an interest in learning for my child
- Attend events (possibly virtually) that promote parent involvement, such as Parent/Teacher conferences and Curriculum Night

Parents, Title I Instructional Assistants, classroom teachers and school administrators at each school developed a Title I compact. The compact lists specific duties of school staff, parents and students. Compacts are used to create a partnership between parents, students and teachers to help our students achieve success.

Our Services

Schoolwide Programs

This program allows services to be provided to all students at the school that need extra support to meet the state academic standards.

Targeted Assistance Programs

This program works with students that meet specific requirements, those who are failing, or at risk of failing to meet the state's standards.

Family Engagement

Each Title I elementary school provides family events during the school year for parents and children. The purpose of the events is to support academic learning and to provide resources that can be transferred to the home.

READY! for Kindergarten

This free program provides training and tools for parents, caregivers and child care providers of children birth to age five. It builds strong parent engagement and teaches families new skills and helpful tips to nurture a child's development. Parent classes for set age groups take place 3 times a year (Fall, Winter, and Spring).
