Tiempo para que usted y su hijo/a aprendan y jueguen juntos, con canciones, cuentos y actividades apropiadas para el desarrollo y que también se pueden realizar en casa.

Diálogo entre padres/tutores

Pase tiempo con otros padres/tutores para conversar sobre las alegrías y desafíos que conlleva la crianza de los hijos mientras aprende estrategias de crianza eficaces y basadas en estudios. Un educador de padres certificado facilitará la conversación y compartirá información sobre el desarrollo infantil.

Tiempo de aprendizaje de los niños

En clases donde hay separación entre los niños y sus padres/tutores durante el diálogo entre padres, los niños permanecen en el salón con los maestros de la infancia temprana. Los niños aprenderán y practicarán habilidades socioemocionales mientras juegan y aprenden con otros niños.

Programa de Alfabetización Familiar

Lunes - Jueves 12:35-3:05pm

Estudios e investigaciones demuestran que la alfabetización puede ser una gran herramienta para erradicar la pobreza, aumentar las oportunidades de empleo y mejorar la salud en la familia. Un ambiente de alfabetización es una ventaja para el desarrollo del niño/a, ya que tiene un impacto positivo en cuanto al tiempo que los niños/as permanecen en la escuela y en la efectividad de su aprendizaje.

El Programa de Alfabetización Familiar de Shakopee es una oportunidad única que combina lo siguiente:

- Aprendizaje de inglés para adultos
- Educación temprana para niños desde el nacimiento hasta los cuatro años

WHEN PARENTS KNOW, CHILDREN GROW

While all young children grow and change at their own rate, some children experience delays in their development. Accessing early intervention services early will ensure the greatest developmental outcomes.

After a referral is made to Help Me Grow, local school district early intervention or preschool special education staff will determine whether a comprehensive screening or evaluation is needed to determine eligibility.

There are three simple steps to refer a child online:

- Visit HelpMeGrowMN.org.
- Click "Refer a Child" button.
- Fill out form and click "Send this Referral."

To refer a child by phone, call 866.693.GROW (4769).

IMMUNIZATION INFORMATION

Please make the necessary arrangements to ensure that your child is up-to-date on their immunizations. An early childhood immunization form must be on file before a child attends any early childhood program. Updated immunizations are expected yearly and can be updated throughout the year.

Parents/guardians may choose to decline immunizations for their children by filing a legal exemption with the school.
