ELEMENTARY SCHOOLS

QUICK GUIDE

TO DIGITAL ACCOUNTS AND SERVICES

Active Directory

Active Directory allows students to securely sign into school devices. These credentials also allow students to access Microsoft apps such as Outlook email and other Microsoft 365 tools at school or at home.

- **USERNAME:** firstname.lastname
- **PASSWORD:** Please contact the Help Desk if a student is new or cannot recall the password given by their school.

Google Account Access

Students can use their Google accounts to access Google Classroom and other Google tools. Please remember that Gmail is no longer available. You will need to use Outlook for email from now on. These accounts may not be available for all K-2 students.

USERNAME: firstname.lastname@student.nhcs.net

PASSWORD: Please contact the Help Desk if a student is new or cannot recall the password given by their school.

Microsoft 365 Access

Your school email is through Microsoft Outlook.

- **USERNAME**: firstname.lastname@student.nhcs.net
- **PASSWORD:** Computer Password

Clever Student Portal

Students can use this secure single sign-on portal service to access digital resources connected to their teachers' classes.

STEP 1: Visit nhcs.net.

STEP 2: Select "Quick Links" from the menu.

STEP 3: Select "Clever."

STEP 4: Select "Log in with Microsoft Entra" option.

- **USERNAME:** firstname.lastname@student.nhcs.net
- **PASSWORD:** Please contact the Help Desk if a student is new or cannot recall the password given by their school.

NCEdCloud

NCEdCloud is a secure single sign-on portal used to house important applications including PowerSchool Portals (grades) and SchoolNet.

- **USERNAME:** Student ID Number or Email Address
- **PASSWORD:** Secure randomly generated password can be retrieved from the school's data manager or the student's teacher.

Help Desk

The Help Desk can assist students, parents, and staff with resetting account passwords and troubleshooting login issues.

HOURS: Monday - Friday

7:30AM - 5:00 PM
