Merced City School District's Back to School Wellness Fair

Frequently Asked Questions

1. What is the check-in process?

While you wait in line, staff members will hand you a check in card that will include the following information: Student Name, Student School, Student ID #, and clothing sizes. You will fill out this card, and another staff member will come verify the Student ID #. Once the ID # is verified, they will punch your card. Once you gain entry into the wellness fair, you will enter the Clothing Line to receive your free resources.

2. What free resources will be available?

Merced City School District has collected clothing such as tops, bottoms, socks, underwear, and shoes. Our community partners, whose booths you will visit after the Clothing Line, will be handing out items such as backpacks and school supplies. Please note that all of these items will be available on a first come, first serve basis, while supplies last.

3. Will there be haircuts available?

Haircuts will be available for a limited number of students. Our barbers are only able to service a certain amount of haircuts within the allotted time. Thank you for your understanding.

4. Where do we line up?

Please line up outside of the back fence at Hoover Middle School, facing Santa Fe. Entry will be through the **back gate**. Please note there may be a walk from your car as parking is limited around the neighborhood.

5. Who can attend?

MCSD students and families can attend. Incoming MCSD students grades preschool to 8th grade can receive the free resources in the gym.

6. What is my student's ID number?

Please see page two of this document to find information on your student's ID number.

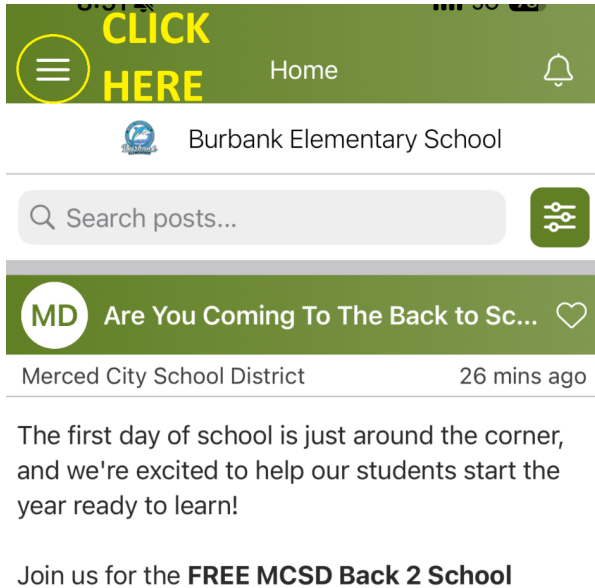

7. What should I bring to the event?

Please wear cool, comfortable clothes and shoes as the line may be long. Please have your student's ID numbers ready. We will have plastic bags to put your clothing items in, and our community resource booths will have lots of goodies for you. Please be patient with our team as we are doing our best to serve as many students as possible during the time frame of the event.

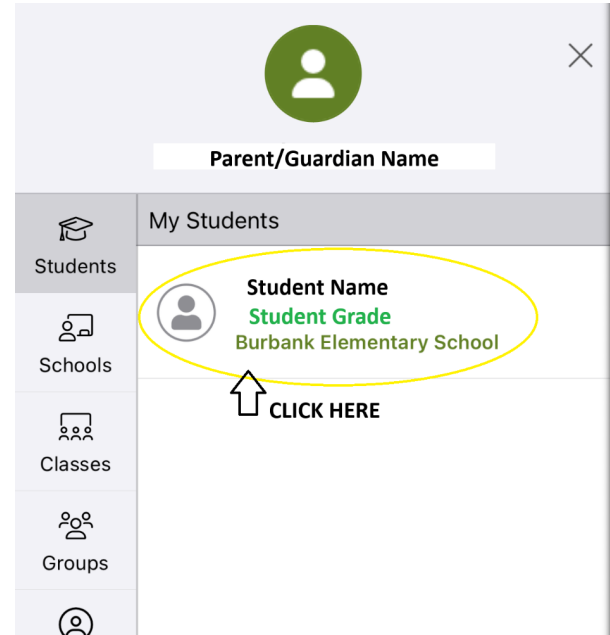

How do I find my MCSD student's ID #?

Student ID numbers are the same as their lunch number. You can also find your student's ID number on Aeries or the Parent Square app. Please see instructions for finding your student's ID number via the Parent Square app below.

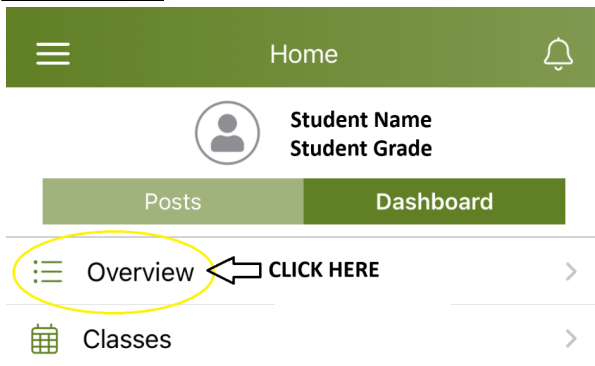

Step 1: Open the Parent Square App and click on the top left button with three lines.

Step 2: Click on your student's name.

Step 3: Click on "Overview" under Dashboard.

Step 4: Underneath your student's name, you will see their ID # listed.
