Digital Learning Tools

Edina Public Schools is committed to high-quality instruction with the use of technology in order to meet the needs of all of our students. Web-based learning resources are increasingly being used to engage students and improve student learning outcomes.

Some common tools that your children may encounter, but are not limited to:

- Schoology
- Google (Docs, Sheets, Slides, Sites, Draw, Meet & Jamboard)
- PearDeck
- EdPuzzle
- WeVideo
- FlipGrid
- Loom
- IXL
- YouTube for accessing content
- And Naiku

New tools are introduced regularly. We continually evaluate technology tools to ensure they are appropriate, safe, and relevant for students' ages, grade levels, and learning needs. We want families to be aware of these tools so they can support their students' learning.

View approved digital learning tools by age and purpose.

Students using digital learning tools are expected to follow the Electronic Technologies Acceptable Use Policy to ensure safe and appropriate use.

Review the policy in the District Policy Manual.
