Computer Use

Guidelines for Success

Be Respectful	• Only use your computer for school-related tasks • Connect your computer only to the FPS network • Follow all instructions from staff
Be Responsible	• Bring your computer to each class period • Always keep possession of your computer, or return it to your locked locker • Keep your computer charged
Be Safe	• Carry your computer in an approved case to prevent damage • Keep your personal login information safe and confidential
Have a Growth Mindset	• Problem solve or ask for help if your device stops working or is lost
