

EDUCATING EMPOWERING INSPIRING

August 4, 2026

Dear New Lothrop Families,

I hope you continue to enjoy your summer! As we prepare for the start of the 2026-2027 school year, I would like to send a friendly reminder to families who plan to utilize district transportation to complete their transportation registration.

Our transportation department is currently finalizing bus routes and student assignments. If you have not yet completed your transportation enrollment, we encourage you to do so as soon as possible. Timely registration allows us to create the safest and most efficient routes while ensuring transportation information is ready to share with families before the first day of school.

Please use the appropriate link below to register your student(s):

[2026-2027 JH/HS Transportation Enrollment](#)

[2026-2027 Elementary Transportation Enrollment](#)

If your transportation needs have changed since last school year, please be sure to update your information. Even if your student rode the bus last year, registration is necessary so we can accurately plan routes for the upcoming school year.

Thank you to the many families who have already completed this process. Your prompt response helps us prepare for a smooth and successful start to the school year for all students.

We appreciate your continued partnership and look forward to welcoming everyone back later this month. Enjoy the remainder of your summer!

Sincerely,

Jay Lerner
Superintendent
New Lothrop Area Public Schools
