Dedicated to Excellence
Cherry Creek Schools

Message from the Interim Superintendent

Welcome to the 2026-27 school year!

Cherry Creek Schools has a long tradition of excellence, and we continue to build on that strong foundation through our Strategic Plan. We are strengthening literacy instruction, supporting the wellbeing of students and staff, and ensuring every student has access to high-quality learning opportunities.

We are making great strides toward our Strategic Plan goals. The district is seeing gains in literacy scores and our graduation rate is the highest it's ever been. We also remain deeply focused on whole wellbeing. More students are reporting a strong sense of belonging at school; suspensions and expulsions are down as restorative practices continue to take hold; and we are making meaningful progress toward greater equity in the identification of students with special education and gifted and talented needs. These efforts reflect our commitment to ensuring every student has the support, confidence, and skills to pursue the future they choose.

We are expanding opportunities that prepare students for life beyond graduation. The continued growth of the Cherry Creek Innovation Campus and the opening of Cherry Creek Pathways at Overland give even more students access to hands-on learning in high-demand fields, including health care, aerospace, construction, veterinary science, and skilled trades.

We continue to deliver on the promises made to our community with the expected completion of several other major community-supported projects, such as a new Holly Hills Elementary School and a new pool at Overland High School. Looking ahead, we are excited to see long-term projects like the new Cherry Creek High School and Laredo Middle School gain momentum as they head toward completion in 2028.

As we embark on this school year, I look forward to partnering with you to ensure all Cherry Creek schools are safe, inclusive, and welcoming places where all students can thrive. Together, we will build on our legacy of excellence.

In partnership,

Dr. Jennifer Perry
Interim Superintendent

Board of Education

Anne Egan, President
Director, District A

John-Claude Futrell
Director, District B

Angela Garland
Director, District C

Keith Frazier
Director, District D

Michael Hamrick
Director, District E

Mission

To inspire every student to think, to learn, to achieve, to care.

Vision

Dedicated to Excellence

Core Values

The Cherry Creek School District is grounded in five core values. These values guide every aspect of our work in service of our students, to think, to learn, to achieve, to care.

Growth Mindset | **Equity** | **Whole Wellbeing** | **Engagement** | **Relationships**

Strategic Plan

The CCSD Strategic Plan outlines three key priorities: 1) Literacy, 2) Health and Wellbeing, and 3) Disproportionality. Each of these strategic objectives will ensure our organization operates in a way that supports our amazing teachers and staff while providing every student with the high-quality education and supportive environment necessary to achieve success in school and beyond graduation.

Literacy

Develop independent and confident readers, writers, communicators and thinkers by providing every student with authentic and rigorous learning experiences through a structured, culturally responsive, and evidence-based approach to literacy.

Health & Wellbeing

Support students in their social-emotional and physical wellbeing so they can learn, teach, grow, and find their future pathway. By creating an environment where every student feels safe, included, cared for, and seen so they can fully engage in learning.

Disproportionality

Ensure all students thrive regardless of where they are in their learning journey. Reduce disproportionality in discipline data to reflect student demographics and support the equitable identification of students in special populations.

Enrollment

52,000+ students

Number of Schools

Elementary Schools: 44
Middle Schools: 11
High Schools: 7
K-8 Magnet School: 1
6-12 Online School: 1
Charter Schools: 2
Total Number of Schools: 66

Programs

Cherry Creek Innovation Campus
Pathways at Overland
Traverse Academy
Adaptive Programs
Homeschool Options

Race/Ethnicity

African American: 11.8%
American Indian/Alaskan Native: 0.3%
Asian: 8.7%
Hispanic/Latino: 24.40%
Native Hawaiian/Pacific Islander: 0.3%
Two or More Races: 10.1%
White: 44.4%

Strategic Plan Celebrations

- Increase in district literacy scores
- Districtwide record high graduation rates
- More students report strong sense of belonging
- Suspensions and expulsions are down
- Greater equity in identification of special education and gifted/talented students

These efforts reflect our commitment to providing every student with the support, confidence, and skills to pursue the future they choose.

Powering Possibilities

Cherry Creek Schools Foundation

Cherry Creek Schools Foundation is proud to connect the community to Cherry Creek Schools in ways that create real, lasting impact. We do that by championing innovative programs, dynamic partnerships, and meaningful opportunities that help students and educators thrive – today and tomorrow.

Our Mission

To enhance the educational experience and whole wellbeing of Cherry Creek students, staff, and families through community support that creates inclusive, innovative opportunities for all to thrive.

What Your Support Makes Possible

- Mobile Markets bringing fresh food and household essentials directly to families and supporting CCSD's 30+ school pantries and resource centers.
- Expanding career pathway opportunities that connect students to real-world experience and future-ready skills.
- Supporting community events like the College Diversity Fair, Robo-Con, and STEAM-a-Palooza.
- Building partnerships with the business community to invest in students and schools.
- Hosting the annual ELEVATE Gala (March 11th 2027), where the community comes together to fund grants and key initiatives.
- Supporting mental health programs throughout the district.

> **This grant allowed me to create the kind of learning environment I had always envisioned but could not have provided through my regular classroom budget.**
>
> — Classroom Educator

Our Focus Areas:

Student & Educator Success:

Educator grants, literacy, and student wellbeing remain CCSF's highest-value investment and must stay central to the Foundation's work.

Community & Alumni Networks:

Building the alumni and community connections that extend CCSF's reach and deepen long-term investment in Cherry Creek.

Amplify Awareness & Trust:

Closing the awareness gap through story-led communications that reach beyond the already-committed audience.

Sustainable Growth:

Building the philanthropic infrastructure needed to sustain and expand the Foundation's impact over time.

Equity by Design:

A cross-cutting commitment ensuring that every investment reaches the students and schools with the greatest need.

THRIVE

Introducing THRIVE Grants

The Educator Initiative Grants (EIG) program has a new name: THRIVE Grants. Cherry Creek Schools Foundation funds more educators annually than any neighboring district foundation in the metro area. THRIVE Grants gives that track record a name - reflecting the program's growth, trust-based philanthropy, and alignment to the Foundation's mission.

If you have applied before, nothing about the process has changed. The individual grant: up to $1,200, educator-initiated, open to any instructional approach. We are grateful for all of the community feedback in this process and continue working with an Educator Advisory Group to discuss how to expand the program.

There's A Place For You In This Work

Whether you're a donor, an educator, an alum, or simply someone who believes in what Cherry Creek's students can become - we'd love to partner with you.

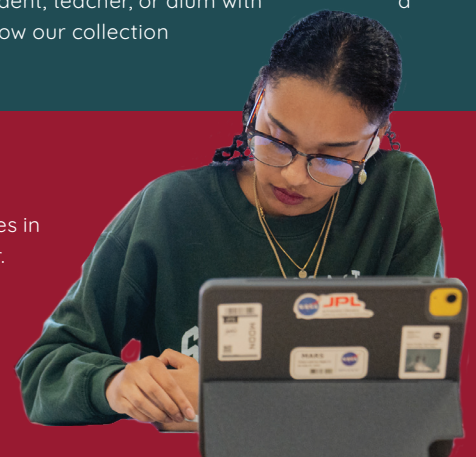

- Support CCSF - Your gift funds educator grants, scholarships, literacy programs, and more.
- Inspire a student - CCSD grads and community professionals: your story and network are exactly what our students need.
- Share your story - Know a student, teacher, or alum with a story worth telling? Help us grow our collection of community voices.

Ready To Help Students & Educators THRIVE?

Every THRIVE Grant starts with an educator's idea and a donor who believes in it. A gift of any size helps put more of those ideas into classrooms this year.

Give today at **ccsdfoundation.org**

Learn more about THRIVE Grants and ways to get involved at **ccsdfoundation.org/get-involved**

School Start & End Times

Preschool, PreK & PreK Enrichment

Monday – Thursday. No School Fridays.

School Closures and Delays

In the event of a weather delay or closure, parents will be notified via the district's automated message system with a text message, phone call, and email. We will also post the notification on our district & school websites, social media, and notify local media.

When Schools are Closed

- Before- and after-school programs are canceled.
- All activities scheduled in district facilities are canceled.
- In-district sports events and team practices are postponed.

Delayed Start

- High schools: Bus pickup is delayed 90 minutes. School starts at 9:50 a.m.
- Middle schools: Bus pickup is delayed 90 minutes. Schools starts at 10:20 a.m.
- Elementary schools: Bus pickup is delayed 60 minutes. School starts at 9:00 a.m.
- Specific schools and programs: Scan the QR code below for more details.

Important Information About Delayed Starts:

- If you feel the weather is too severe to send your child to school, please call your school's attendance line and let them know your child will be staying home. We understand that some parents may make a different decision for their families. The absence will be excused.
- Dismissal times will remain the same at all schools, including morning preschool programs.
- Before- and after-school programs will operate on a normal schedule.
- We will monitor conditions throughout the day and make a decision about whether it is safe to hold after-school activities. We will communicate that decision as early as possible before the end of the school day.

Early Dismissal

If serious storm conditions or other emergency situations develop during the day, the district will monitor the situation and advise affected schools and the transportation department of a decision as soon as possible to dismiss school early. When this decision is made, this information will be sent to parents via the district's automated message system, posted on the district and school websites, and sent to the local media as soon as possible.

Late Dismissal

In case of dangerous weather warnings or other dangerous conditions, a school may hold students past their dismissal time for safety reasons. This information will be sent to parents via the district's automated message system with a text message, phone call, and email.

Scan for school closure information, weather updates, FAQs, and details on how delayed starts and snow day decisions are made.

School Safety

During an emergency, Cherry Creek Schools follow the Standard Response Protocol (SRP) to help keep students and staff safe. Families will receive updates directly from the District's automated message system or school through a text message, phone call, and email. Please rely on these official communications for accurate information and instructions.

Communication to Parents/Guardians

To keep you informed and your student safe, your school and the District send important communications - including emergency alerts, weather notifications, and messages specific to your student - by text, email, and phone. These messages are delivered using the parent/guardian contact information stored in PowerSchool.

Make Sure You Never Miss a Critical Message By:

- Confirming accurate contact information in Parent Forms at the start of each school year.
- Reporting any changes to your contact information throughout the year using the Guardian Update tile in the Parent Portal (my.cherrycreekschools.org).

Standard Response Protocol (SRP)

SRP is the backbone of our school-based emergency responses and provides a common operating language and procedures for how we respond to and communicate about school-based emergency incidents. The five SRP categories are:

Hold

Clear hallways and remain securely in a classroom or learning area until the situation is resolved.

Secure

Staff move all students inside and ensure the building is locked; learning continues inside the school.

Lockdown

All students and staff are trained to get behind a locked door - Locks, Lights, Out of Sight.

Evacuate

Students and staff are moved to a new or safe location.

Shelter

Students and staff are instructed to move to a safe shelter location.

Scan to learn more about our Standard Response Protocol (SRP) and school safety procedures.

- No School for Students and Staff
- School Starts
- Last day of School

Days marked with colors below are non-pupil contact days:

- Teacher Work Days Prior to Start of School
- K-12 Non-contact
- K-8 Non-contact/conferences

If for any reason the school district must close schools for more than two days, this 2026-2027 calendar will be amended by the Board of Education to provide additional school days.

READY TO LEARN, READY TO THRIVE

Together, we create welcoming schools where every student feels connected, supported, and prepared to succeed.

Fun Fact:
78.3% of CCSD teachers hold advanced degrees, and 67% have 10+ years of teaching experience!

Why It Matters:
Our students learn from seasoned, highly qualified professionals dedicated to academic excellence.

Tips for a Successful School Year

Attendance Matters
Every school day counts. Regular attendance helps students build strong academic habits.

Stay Connected
Check school communications regularly. Make sure your contact information is up to date in Parent Forms and follow us on Instagram and Facebook!

Encourage a Love of Learning
Read together, ask questions about your child's day, and celebrate effort and growth throughout the year.

LITERACY OPENS DOORS

Reading, writing, and speaking empower students to achieve their dreams and shape bright futures. The CCSD Strategic Plan is the district's roadmap for increasing literacy skills across the district.

25	26	27	28	29	30	31

NOTES

Fun Fact:
2 out of 3 students (67%) participate in school athletics, clubs, and extracurriculars!

Why It Matters:
Being involved helps students build teamwork, leadership skills, and lifelong friendships.

By serving others, honoring our veterans, and supporting our neighbors, we strengthen our schools, our communities, and one another.

NOTES

Fun Fact:

The Cherry Creek Innovation Campus (CCIC) was named one of the Top 100 most impactful educational institutions in the world!

Why It Matters:

Students get access to cutting-edge, hands-on learning that prepares them for future careers.

SHOW WHAT YOU KNOW

Assessments are one way students demonstrate their learning, helping us celebrate progress and ensure every child receives the support they need to succeed.

Assessment Day Tips

- Get a good night's rest.
- Eat a healthy breakfast & stay hydrated.
- Read each question carefully.
- Take your time and do your best.
- Remember, you've prepared for this!

Promises Made, Promises Kept.

2024 Bond Projects Underway

Cherry Creek Innovation Campus (CCIC) Expansion

The Cherry Creek Innovation Campus is expanding to add nine new career pathways, opening the doors for 70% more students to gain real-world experience in high-demand fields. This addition will include a 450-person event center and further strengthen connections between education and industry.

New Holly Hills Elementary School

A brand-new Holly Hills Elementary School is being built to serve students from both Holly Hills and Holly Ridge, two of the district's oldest elementary schools. The project will bring the two communities together in a shared, modern space designed for future generations of learners.

Pathways at Overland & New Pool

The IST building, located between Overland High School and Prairie Middle School, has be renovated to expand access to in-demand career pathways in Health & Wellness and Criminal Justice & Law. This project also includes the construction of a new 8-lane pool and diving board along with renovations inside Overland HS to accommodate new programming.

New Laredo Middle School

Laredo Middle School will be rebuilt to meet today's student and programmatic needs, replacing the original 1974 building with modern, future-ready learning spaces. The new school will provide bright, flexible, and innovative learning spaces while improving traffic flow and pedestrian safety around the school.

Cherry Creek High School Rebuild (Phase I)

The 2024 bond measure is the first in a multi-year effort to replace aging facilities on the Cherry Creek PreK–12 campus. Phase I includes demolishing two administrative buildings and rebuilding the West Building on the Cherry Creek High School campus.

Scan to see how the 2024 Mil & Bond is making a difference at your school!
