

WHITE SETTLEMENT INDEPENDENT SCHOOL DISTRICT

Translation & Interpretation Services

As part of Title I, Part A Schoolwide program requirements, White Settlement ISD adheres to the following procedures for translation and interpretation services for families of White Settlement ISD students.

WSISD uses the Home Language Survey to identify languages spoken by families within the district. The HLS is required to be completed by all students when they initially enroll in Texas public schools. WSISD has families representing more than 20 languages in addition to English. Spanish makes up approximately 90 percent of the families that have a home language other than English. At least one or more families in WSISD students also speak French, Arabic, Albanian, Afrikaans, Bosnian, Croatian, Cambodian, Farsi, German, Hebrew, Japanese, Kinyarwanda, Korean, Mandarin, Pashto, Portuguese, Russian, Swahili, Tagalog, Ukrainian, Vietnamese, and Yoruba.

Section 1114 (b)

Information regarding student interpretive, descriptive, and diagnostic reports, plans, policy, compact, parent meetings, and other required correspondence must be given in an understandable and uniform format, and to the extent practicable, in a language that parents can understand.
