
Antonello Elementary
3rd Grade Supply List
2026-2027

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy additional supplies for their children. Should you decide to do this, the suggested items would be appropriate for your child's grade level. These are suggested supplies to begin the school year and are not mandatory. Supply requests will be sent home during the school year as additional items are needed.
