

Antonello Elementary

First Grade Supply List

2026 - 2027

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy additional supplies for their child (ren's) class. Should you decide to do this, the suggested items would be appropriate for your child's grade level. These are suggested supplies to begin the school year and are not mandatory. Supply requests will be sent home during the school year as additional items are needed.

Students can bring a spill-proof water bottle (only water inside). Students can also bring a lunchbox. Please label these items with your child's name. **A helpful tip from the Nurse:** Please place a change of clothes in your child's backpack in case of any spills or restroom accidents. Store items in a gallon-sized bag to keep them dry, which also acts as a secure container for wet, soiled clothes to be sent home.
