

Teacher Induction Program Dates for Mentors 2026-27

SBCEO must prepare and train mentors to provide their best support. This includes a Zoom orientation to TIP and the mentoring role, an ILP kick-off meeting (with your candidate) for those who have a first-year candidate, and subsequent Zoom mentor trainings which are differentiated based on your mentoring experience. All of these are mandatory, and you have a choice of dates, times, and/or locations. Please mark your calendars, share with administrators, and make arrangements for your attendance now for every event. If participation is not possible for an event, please communicate with us as soon as possible.
