

RESOLUTION NO. 1555 – 06/26

RESOLUTION OF THE BOARD OF TRUSTEES OF THE OAK GROVE SCHOOL DISTRICT ACKNOWLEDGING THE STATE ALLOCATION BOARD’S “APPLICATIONS RECEIVED BEYOND BOND AUTHORITY LIST”, AND AUTHORIZING THE SUPERINTENDENT TO SUBMIT REIMBURSEMENT MODERNIZATION FUNDING REQUEST APPLICATIONS FOR CHRISTOPHER ELEMENTARY SCHOOL PROJECT

WHEREAS, the Board of Trustees (“School Board”) of the Oak Grove School District (the “District”) has previously determined that school facilities at Christopher Elementary School, located at 565 Coyote Road, San Jose, CA 95111, required modernization to meet the educational needs of its students; and

WHEREAS, the District has successfully completed said modernization improvements at Christopher Elementary School and has funded these essential projects through local resources; and

WHEREAS, the District now intends to submit modernization funding applications to the State of California for the reimbursement of eligible costs associated with the completed improvements at Christopher Elementary School; and

WHEREAS, the State Allocation Board (SAB) has established an “Applications Received Beyond Bond Authority List” for projects that have been received.

WHEREAS, pursuant to title 2, Code of California Regulations section 1859.95.1, the School Board of the Oak Grove School District hereby acknowledges the following:

(1) the Board acknowledges that the remaining School Facility Program bond authority is currently exhausted for the funds being requested on these reimbursement applications.

(2) the Board acknowledges that the State of California is not expected nor obligated to provide funding for the projects and the acceptance of the applications does not provide a guarantee of future State funding.

(3) the Board acknowledges that any potential future State bond measures for the School Facility Program may not provide funds for the applications being submitted.

(4) the Board acknowledges that criteria (including, but not limited to, funding, qualifications, and eligibility) under a future State school facilities program may be substantially different than the current School Facility Program. The district’s Approved Applications may be returned.

(5) The Board acknowledges that they elected to commence and complete construction activities at the District’s discretion and that the State is not responsible for any costs incurred during construction.

BE IT FURTHER RESOLVED, that the Board authorizes the District Superintendent, in consultation with Caldwell Flores Winters, to complete and submit any and all required forms and/or other documents required by the CDE, OPSC, DSA, or other agencies having jurisdiction to cause the Christopher Elementary School modernization reimbursement applications to be submitted to the appropriate state agencies at the soonest possible date; and

BE IT FURTHER RESOLVED, that this Resolution shall take effect immediately upon its passage; and

BE IT FURTHER RESOLVED, that the District's Superintendent or Superintendent's designee is authorized to take such actions and execute such agreements and documentation necessary to affect the intent of this Resolution.
