

DISCOVER FLEXI-BOARDING AT MILLFIELD PREP

With flexi-boarding, your child is guaranteed a cosy bed and quality time spent with their boarding friends. You can book from two up to four nights per week, with bookings made termly in advance. Once school is finished for the day, they are able to enjoy evenings in house with other boarders and friendly house staff. If needed, they can be supervised during prep, enjoy quiet reading or have fun with their friends in the games room and grounds. Flexi-boarding is also available over weekends, so pupils can join in with fun weekend trips and activities both on and off site.

Flexi-boarding is great for pupils with early morning clubs on particular days, busy parents or as a way to build up to full boarding.

"Flexi-boarding has really helped balance our daughter's busy sports schedule and longer commute. It's been a great introduction to boarding - so much so that she can't wait to board full-time at Senior School. It's helped her feel fully integrated into school life, and we've really seen her confidence grow in that time. She says that she most enjoys the extra time with her friends, and I know that she has loved being included in some of the other activities as part of the Hollies family." - Current Parent

"We will always be so grateful for the amazing and kind support flexi-boarding has provided our son from the day he walked through the door. Your words of great kindness and wisdom still resonate with our son and I think they always will. Your endless enthusiasm and care in looking after all the children is an inspiration!" - Current Parent
