

UNITED WAY

Youngstown and the
Mahoning Valley
supports

Lowellville School District

Things happen during the school day – milk spilled down a shirt, a binder breaks, deodorant forgotten at home for gym class – and that's where we step in! The United Way of Youngstown and the Mahoning Valley is proud to support students, teachers, and staff at Lowellville Schools with a Care Closet. Items from the Care Closet are completely free for students, and they are available to every student in the building, regardless of family income.

Meeting basic needs quickly allows students to focus on their education without unnecessary distractions. That's why Care Closets were created—to provide students with immediate access to essential items right within their schools. These resource rooms offer snack foods, hygiene products, clothing, school supplies, and more. Designed to be kid-friendly and easily accessible, Care Closets help remove any barriers a student may face during their school day, ensuring students can stay focused on their learning and personal growth.

If you have any questions about the Care Closet, please reach out to the school's administration. We look forward to supporting the students, teachers, and staff at Lowellville Schools to reach success this school year!
