VERITAS PTA

Help support our students, teachers, and school by joining the PTA today! Your Veritas PTA membership supports student programs, school events, teacher & staff appreciation, and more. Being a member also allows you to volunteer, although volunteering is NOT required. Just joining gives us the support we need to make your child's school year even better!

How Much? \$7 per adult!

*Only one parent/family member is needed for student/s to qualify for the upcoming incentive contest, but additional parent, family members, & community members can join as well!
