Our School and the Cristo Rey Education Model

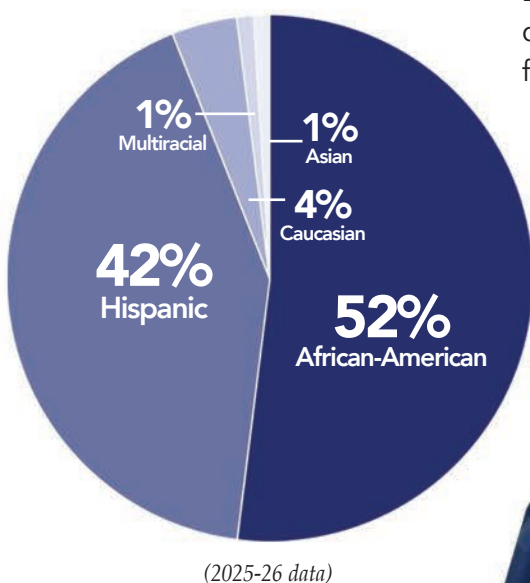

DePaul Cristo Rey High School (DPCR) offers Greater Cincinnati students with economic need the opportunity to have a college preparatory education in a faith-based setting, while participating in an innovative Corporate Work Study Program (CWSP). DePaul Cristo Rey is chartered by the state of Ohio Department of Education and accredited by the Ohio Catholic Schools Accrediting Association.

As a member of the national Cristo Rey Network, DPCR partners with 90+ local businesses and organizations where students work in entry-level positions one full day a week (five full days a month) earning part of their own education costs. Students are evaluated quarterly by their on-site work supervisors receiving both a grade and academic credit for their CWSP participation.

Our Mission

DePaul Cristo Rey High School, sponsored by the Sisters of Charity of Cincinnati, meets students where they are and guides them through becoming high school and college graduates who flourish. We partner with families, businesses and the community to provide a uniquely affordable Catholic, college prep curriculum and innovative work study program, which combine to form young women and men of integrity, faith, tenacity and purpose.

Our Students

DePaul Cristo Rey serves approximately 315 students in grades 9-12. Most of our students will be the first in their family to enroll in college; some will be the first to complete high school.
