

August 2026

Dear Parents,

I hope you and your family enjoyed a safe and healthy summer. My name is Ms. Heather Miller. I will be your child's teacher for the 2026-2027 school year.

I am looking forward to watching your child grow and learn. First grade is a fun and exciting year of development. Our days are structured and filled with many exciting activities.

It is always amazing to me to see how quickly children learn and develop in grade one. I hope that we can all – teachers, parents, students – work cooperatively to achieve our goals. One important key to your child's success is daily preparation. Another key is communication. I look forward with great anticipation to meeting you.

Please check the district website for a list of supplies needed for the year. Enclosed is a name tag. Please put your child's name, phone number, and bus number on it for the first day of school.

Please have your child choose a notebook to be a homework book. Put your child's name on it and homework book. Please choose a folder that will be going back and forth each day and label it take home folder.

Thank you in advance for being involved in a terrific school year for your child in grade one!!!!

Sincerely yours,

Heather Miller
