Monthly District Newsletter

We commit to maximize our students' success through personalized experiences, so they make a difference in any community.

• August 2025...

Can you believe we are already almost done with the first month of school?! We are so proud of our students for the hard work, responsibility, and character they've displayed so far. We know we're just getting started, but we can already tell this will be a great year at DCSC.

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

• As Seen on Social Media •

South

Our School Resource Officers do an amazing job building relationships with students. For Officer Hill, that means making it a goal to visit even more classrooms this year! Recently, he stopped by Mrs. Twieg's class—and as you can see, the students loved spending time with him and asking lots of questions.

DCMS

Every year, our middle school teachers kick off the year with 'First Friday Fun'—a day filled with games, laughter, and friendly competition! It's a wonderful way to bring students together, build connections, and set the tone for an amazing school year.

DCHS

We are blown away by the creativity displayed in the DCHS parking lot! Our seniors did an incredible job personalizing their parking spots.

•A Message from Your Assistant Superintendent for Instruction•

What a fantastic start to the school year! From the very first day, our classrooms and hallways have been filled with excitement, energy, and the sounds of learning. Students have quickly settled into routines, and our staff is working hard to build strong relationships and set the stage for success.

Already, we've seen students engaging deeply in lessons, cheering one another on during activities, and showing incredible resilience as they adapt to new challenges. Our goal this year is not only academic achievement, but also helping every student feel a sense of belonging and pride in their school community. The start we've had makes us confident that we're on the right track.

As we continue, we are eager to maintain this momentum. We are grateful for the support you give your children each day. Your encouragement at home and partnership with us at school make all the difference in setting them up for success. Together, with the support of families, staff, and

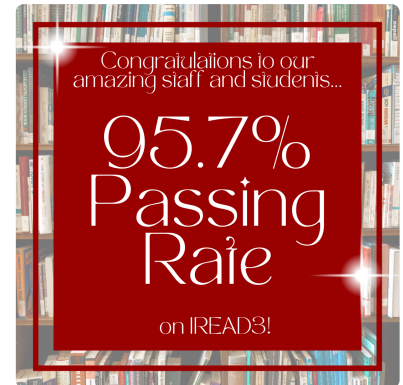

students, we're building a year full of meaningful learning, lasting connections, and moments to celebrate. The best is yet to come!

•The Danville Difference•

IREAD3 Results

We are excited to announce that we achieved a 97.5% passing rate on IREAD3! This achievement belongs to our entire school community—students, staff, and families alike. Our overall passing rate now places us 3rd in the county, and we couldn't be prouder.

Ribbon Cutting at South

A big thank you to everyone who joined us for South's ribbon-cutting celebration! We were excited to see so many students, staff, and community members come together for the event, and we appreciate all of your support. The new spaces look incredible, and our students are already enjoying all of the wonderful resources now available to them.

Moving Day at DCHS

Thank you to everyone who helped make "Moving Day" at DCHS a success! The effort you made was hugely beneficial in preparing our building for a successful start to the school year. We love having staff and students so committed to stepping up and making a difference!

North

We officially kicked off fall with our annual Pumpkin Run at the elementary schools—a fun and active way to celebrate the season!

South

Teamwork in action! These students worked together to build “hula huts” and then tackled challenges designed around them. It was incredible to watch their collaboration, creativity, and problem-solving skills shine!

DCHS

Our high school students are showing up BIG this year, bringing the love and school pride to every sport. Recently, they packed the course for Girls Golf Mob Night, and the energy was incredible! Huge shoutout to everyone who came out to cheer on their classmates!

Students of the Month

Congratulations to our Students of the Month for September! These Warriors were recognized at Monday's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make [#TheDanvilleDifference](#) both in and out of the classroom. Congratulations to:

Staff Member Earns PhD

We are screaming CONGRATULATIONS to Dr. Megan Aker! She holds a Bachelor of Social Work from Indiana State, a Master of Social Work from Indiana University Indianapolis, and, more recently, earned both a Master of Education and a PhD in School Psychology!

"I chose to pursue a doctorate after recognizing that many of the students I supported as a therapist were also receiving school-based support. I was also always interested in the intake and assessment process that families and students completed when first seeking clinical services. School psychology combined both my clinical and school-based interests. My work as a therapist guided my dissertation to focus on exploring the trauma-informed care knowledge and skills of educators, as well as its connection to teacher self-efficacy. Now that I have completed my doctorate, I look forward to continuing to support students, families, and colleagues while also enjoying the extra free time!" - Dr. Aker

Honoring a Legacy

Ann Tussey devoted 36 years to teaching kindergarten in Danville, leaving a lasting impact on generations of students and colleagues alike. After receiving a terminal diagnosis, she and her husband created a scholarship fund and set aside money to support kindergarten teachers, ensuring engaging learning experiences for young students. Their generous gifts, distributed through the Danville Community Education Foundation, have already provided teachers with \$400 awards. Remembered as an inspiring educator, advocate, and leader, Ann Tussey's dedication and kindness continue to benefit the community she loved.

Recognizing Our FFA Horticulture Teams

Our middle and high school FFA Horticulture teams had an outstanding showing at the State Horticulture CDE! The 8th-grade team earned 1st place overall among middle school teams, the 7th-grade team placed 3rd overall, and our high school team finished 4th overall—an incredible accomplishment across the board.

We're so proud of their dedication and success, and we were thrilled to recognize them at last night's School Board Meeting, where a resolution was read in their honor. Great job, Warriors!

• November 2025...

It's hard to believe how quickly this fall has flown by! Our schools have been filled with creativity, from spooky projects to fall-themed learning opportunities that brought so much fun and excitement into the classroom. As we move further into the holiday season, we remain focused on our mission: ensuring every student's success and helping them thrive both in and out of the classroom.

In the photo above you can see that our first graders enjoyed their annual field trip to Beasley's Orchard! They played, climbed, bounced, snacked, picked pumpkins and apples, and learned so much along the way.

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

Miss Easton's class went on a "camping day" adventure! Students dressed in their best hiking gear and practiced counting collections of money after getting "stranded" in the forest for a night. Luckily, they found a camping store to help them out. What a fun and creative way to learn!

DCMS

The 5th and 6th-grade Halloween Bash was a spooky success! Thank you to everyone who worked hard to help make this happen. It was so fun!

DCHS

Our DCHS Hope Squad hosted a Gratitude Graffiti table during lunch, and several of our students participated by jotting down the things they are most thankful for! What a special way to give thanks and ring in the Thanksgiving season.

•A Message from Your Assistant Superintendent for Instruction•

As Thanksgiving approaches, we want to take a moment to express our heartfelt gratitude to you: our DCSC families. Each day, your support, encouragement, and partnership make a tremendous difference in the success of our students and schools.

We are thankful for the trust you place in us to care for, challenge, and nurture your children. We are thankful for the conversations you have at home that reinforce what's being learned in the classroom, and for the countless ways you show up- at events, performances, conferences, and celebrations- to remind students that learning matters. Your involvement helps create the strong sense of community that makes Danville such a special place to learn and grow.

Together, we are shaping confident, compassionate, and capable learners who will make a difference in their world.

We hope your Thanksgiving is filled with laughter, rest, and special moments with loved ones. Thank you for being an essential part of the DCSC family- we are truly grateful for you!

Dr. Morgan Walker

Students of the Month

Congratulations to our Students of the Month for October! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

Congratulations to:

- North: Keza Bienfaite (not photographed)
- South: Rory Crooks
- DCMS: Madison Kindred
- DCHS: Mya Wynn

Outstanding Warrior of the Month

Congratulations to our October Outstanding Warrior of the Month: Technology Support Coordinator Dyan McQuinn!

This award, selected by our DCSC Admin Team, recognizes Warrior team members who have displayed our customer cores (Professionalize, Empathize, Personalize, Respond to Complaints and Be Exceptional) each day and who have gone above and beyond in our efforts to make a difference in every student's life. This is our second year celebrating this monthly award, and we are so excited to honor so many amazing staff members!

Student Athletes Recognized at Board Meeting

We were proud to recognize a large group of student-athletes at our November Board meeting for their outstanding accomplishments! From athletic success to academic excellence, these

students continue to shine on and off the field. Their hard work, dedication, and character make us proud!

Meet the Intern

Have you noticed anything different about our social media? That's because our AWESOME intern, Grace, has been helping out behind the scenes. She has brought lots of video fun, creative graphics, and more to our communications efforts, and we can't wait to see what she does throughout the rest of the year!

Senior Sunrise

Our seniors enjoyed a special "Senior Sunrise" last month, where they came together on the football field to ring in the day together. They hung out, played games, reminisced on their time spent together over the year, and enjoyed a VERY cute video of photos from their school career. You can see the video below.

Senior Sunrise (Class of 2026)

Social Media Survey Results

We also took time to review the parent responses from our recent social media survey, and we really appreciated the thoughtful feedback and ideas that were shared. When we looked through the results, many parents said they would like to see more:

- **Event Information & Milestones**
- **Clubs, Activities & the Arts**
- **Behind-the-Scenes Looks**
- **Student Safety & Resources**

And less of:

- **Repetitive Content**
- **Overemphasis on Certain Topics**

Parents also shared several great ideas, from showcasing new clubs to highlighting a wider variety of students. While we may not be able to implement every idea right away, we've made note of all suggestions and plan to incorporate many of them as we move forward.

As a special note, if you are wanting more athletic updates, we encourage you to follow the [DCHS Warrior page](#). The same goes for several of our clubs! We love seeing them grow their own pages and highlight the wonderful things their students are up to.

Thank you to everyone who took the time to share your thoughts and ideas. Your feedback helps us make our communication more meaningful, balanced, and engaging for all families. We're so excited to continue growing our platforms and finding new ways to tell our district's story!

• About Us •

Danville Community School Corporation is comprised of the following schools:

- Danville North Elementary (grades K-1, Little Warrior Learning Center preschool)
- Danville South Elementary (grades 2-4)
- Danville Community Middle School (grades 5-8)
- Danville Community High School (grades 9-12)

Danville students attend the same school with their grade level classmates regardless of where they live. This gives them the chance to build lifelong friendships and strengthens our community!

• December 2025...

As we wrap up the first semester, we want to extend our heartfelt thanks for your continued support. We wish you a restful and joyful break, and we look forward to building on this semester's success when we return.

In the photos above, our DCMS Lifeskills friends are posing with the beautiful tree that they decorated in Nurse Ashley's clinic! This is a tradition for them, and they always try to add new creative twists each year. Great job!!

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

• As Seen on Social Media •

North

Gobble, gobble...it's time for a 1st-grade Friendsgiving! They all came together for some crafting and food fun. Judging by all the smiling faces, it was a fun time for everyone.

South

Our third graders enjoyed an incredible virtual visit with author Peter Brown! He talked with them about his writing and illustration process and even led a live drawing tutorial. Students were fully engaged, had a blast, and created some truly out-of-this-world artwork!

DCHS

Our Early Childhood Education classes at the high school had the chance to create some very fun "developmentally appropriate" kids' activities! The projects ranged from matching games to creating rainbows with clay- it was such a fun project for all!!

•A Message from Your Superintendent•

With the close of the 2025 calendar along with the end of the first semester, there comes a time to reflect on the great accomplishments that have occurred over the past year. This has been a very rewarding year both academically and operationally for the school district.

This past year, our third grade students achieved a 95.7 pass rate on the IREAD exam, equaling even our friends to the North in Carmel. Our high school students achieved in the top 4% in the state on their SAT exams and the class of 2025 graduated at rate of 97.65%. Hats off to our students, families and teaching staff for such outstanding academic accomplishments.

In the process of achieving these academic attainments, the district has also welcomed over 300 additional students to our enrollment in the past two years. Operationally, we were blessed to have completed the South Elementary building project on time and within budget and have reached the

midpoint of our high school addition and renovation. These projects have so greatly enhanced our learning spaces for students and are also providing much needed additional space to accommodate our recent growth. Work is also underway to expand our ability to provide our transportation services, with the new transportation facility slated to be operational by the start of school in the fall.

From a strategic planning perspective, great gains have also been achieved this past year. The district strategic plan was renewed with a focus on district academic achievement and growth management. All of the school board goals that were set a year ago were accomplished to support our students. Within these collective efforts, a new demographic study was completed and seven additional teachers were hired to support lowering class sizes as we entered the school year in the fall.

As we head into the new year, we are excited and thankful for our bright future and the opportunities ahead for our students. The district is pouring time and planning resources to support future work based learning opportunities for our students as they strive to achieve the new diploma requirements for the class of 2029. We will continue to work hard to support our students' achievements and celebrate the accomplishments of 2025 as we welcome in the new year in 2026.

Best wishes to you and your family on a productive new year!

Sincerely,

Dr. Tracey Shafer
Superintendent

Students of the Month

Congratulations to our Students of the Month for November! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

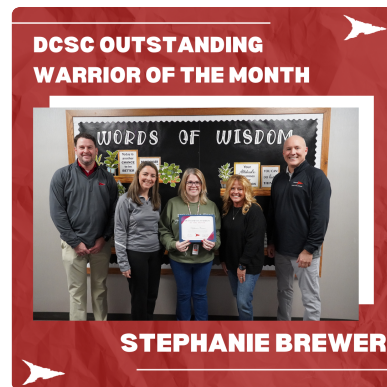

Congratulations to:

- North: Ellie Villa
 - South: Amaan Tihamiyu
 - DCMS: Mylea Shipley
 - DCHS: Carter Graves

Outstanding Warrior of the Month

Congratulations to our October Outstanding Warrior of the Month: Elementary EL Teacher Stephanie Brewer!

This award, selected by our DCSC Admin Team, recognizes Warrior team members who have displayed our customer cores (Professionalize, Empathize, Personalize, Respond to Complaints and Be Exceptional) each day and who have gone above and beyond in our efforts to make a difference in every student's life. This is our second year celebrating this monthly award, and we are so excited to honor so many amazing staff members!

DCMS High Achievers

Huge congratulations to these incredible 6th graders: Ivey Carlson, Charlotte Dillon, and Mylea Shipley! Chosen as finalists from nearly 70 middle schools across the state, these students wowed the crowd at the Nextech CSforGood Showcase with their working digital prototype. Their app helps families easily locate nearby food pantries by state or zip code and provides hours, addresses, contact information, and even an AI chat feature for added support.

We couldn't be prouder of their creativity, compassion, and commitment to using technology to make a difference. AND we're thrilled to share that they earned 3rd place overall!

• January 2026...

Welcome back for another exciting semester together! We are looking forward to a new stretch of learning, growth, and shared success.

The photo above is from a super fun project at DCMS! Mrs. Richter's students explored brain science through the story of Phineas Gage, learning how different parts of the brain work and why they matter. Their brain caps highlight the areas affected in Gage's accident and help connect science to their own brain development.

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

North

To support their Animal and Habitat Unit, Mrs. Blankenship and Mrs. Ziegler welcomed a very special visitor to class! This sweet skunk may not be able to spray, but she was happy to cuddle, accept pets, and sit with her owner while students asked LOTS of skunk-related questions. What a fun, hands-on learning experience!

South

The forecast called for an exciting visit from a weatherman at South Elementary! This was a great lesson for our 4th-grade students, and very timely with recent weather events!

•A Message from Your Assistant Superintendent for Instruction•

As we move through these winter months and into the spring, our district assessment calendar starts to really pick up! Students in our district take assessments for a variety of reasons, including high-ability identification, English Language proficiency, graduation requirements, Advanced Placement distinction, and state- or federally mandated assessments. Danville students not only score higher than the state average, but also consistently rank at the top of the state!

All students in grades 3-8 have participated in ILEARN Checkpoint assessments throughout this school year. These checkpoints are conducted three times a year and are based on skills taught in the classroom most recently. They provide additional information to students, teachers, and parents about current progress as they prepare to take the more extensive ILEARN end-of-year assessment in the spring. In addition, students in second and third grades will take the IREAD-3 assessment, a foundational reading skills test measuring comprehension, vocabulary, and phonics. Students at the high school level will take the SAT in the spring. This test is used as one measure of college acceptance, but in Indiana, it is also a graduation-qualifying exam and a way to fulfill graduation requirements. In addition to required state assessments, students in Advanced Placement courses will sit for their tests in the spring, and secondary students will take final exams at the end of the year. Our multilingual students participate in WIDA, an English language proficiency exam, which gives us more information on how to best meet their needs moving forward.

The assessments we administer provide evidence to inform our decisions. We use a variety of data points, in addition to these state assessments, to paint a complete picture of each student's strengths and areas of challenge. Assessments help our teachers understand which teaching approaches are most effective, define the next steps for student growth, develop lesson plans, and group students for specific learning needs. Students have been working hard, and we know they are ready to rock their tests! We thank you for your support of these measures!

•The Danville Difference•

Students of the Month

Congratulations to our Students of the Month for November! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

Congratulations to:

- North - Fred Byiringiro
- South - Emma Houchin
- DCMS - Maeleda Charles
- DCHS - Michael Dolan

We were also very excited to welcome and celebrate Keza Bienfaite, North's October Student of the Month, who couldn't make it to the November meeting.

Students Earn 3rd Place at Showcase

Remember when these three incredible 6th-graders were chosen as finalists from nearly 70 middle schools across the state to attend the Nextech CSforGood Showcase—and earned 3rd place with their working digital prototype?

This month, our Board of School Trustees proudly recognized their hard work at the board meeting, and everyone was absolutely wowed by their innovation, dedication, and achievement.

Congratulations again, ladies! We are so proud of you!

Celebrating DCHS Graduates

It's not every month that we get to welcome DCHS graduates back to celebrate their accomplishments, but this month we were proud to recognize several former students who were named AP Scholars with Distinction!

This is a significant achievement and one that takes dedication, perseverance, and academic excellence. Congratulations to these students (and to several others who were unable to attend) for earning this well-deserved recognition.

We can't wait to see how you continue to shine!

PowerSchool Transition

We are excited to share an important update regarding our student information system. Beginning in March (the start of our registration period), DCSC will transition from Infinite Campus to PowerSchool as our new student information system.

This March, families will use PowerSchool for student registration. Then, beginning with the 2026–27 school year, PowerSchool will be used for all student information needs, fully replacing Infinite Campus.

This change is part of our ongoing commitment to improving communication and access to student information for families. PowerSchool is widely used across the country and offers an intuitive platform for viewing grades, attendance, schedules, and other important student information.

What this means for families:

- You will use PowerSchool to view your student's grades, attendance, and school information.
- All student records will transfer securely from Infinite Campus to PowerSchool.

- New login information will be provided prior to the transition.
- Training resources and support will be available to help you get started.

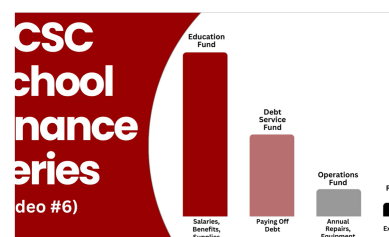

We appreciate your patience as we work to make this change as smooth as possible. As always, if any difficulties arise, we will communicate as soon as possible with all families.

More information, including account setup details and helpful resources, will be shared in the coming weeks.

Thank you for your continued partnership as we work to provide the best tools and services for our students and families.

• February 2026...

We hope you had a wonderful February! It's hard to believe we're heading into the final three months of the school year. This time of year always brings incredible energy, memorable moments, and so

many exciting events for our students and staff. We're looking forward to a strong finish and all the great things just around the corner!

In the photo above, Mrs. Carlson's class enjoyed some fun with a few special guests! Students had a great time learning important safety tips alongside our SROs and K9 Zena. Engaging conversations, meaningful lessons, and plenty of smiles made it a paws-itively great visit!

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

North

Creativity, teamwork, and problem-solving were on full display in North's Odyssey of the Mind Club as students competed to build the tallest shaving cream structure. Messy hands and big giggles were part of the fun!

DCMS

DCMS and South Elementary staff came together for a week of Olympic fun! Throughout the week, teams competed in creative challenges like Conference Room Curling, Rubber Band Biathlon, and Speed Skating. The friendly competition sparked plenty of laughter while strengthening camaraderie across the buildings. Already looking forward to next year's games!

DCHS

This month, DCHS Multicultural Club students explored Turkey through tasty snacks and desserts, learned about traditions, and wrapped up with a fun Valentine's trivia game from around the world!

The club meets once a month on the second Wednesday, with students sharing about their home countries and favorite foods. They're also busy planning the Multicultural Fair in April — stay tuned!

•A Message from Your CFO•

As we work together to support every student's success, it's important to understand how our school dollars are allocated and the impact those investments have in our classrooms and across the district. This month, we're taking a closer look at where key portions of our funding are spent—and how those dollars directly support teaching, learning, and daily operations. We're highlighting our two most important funds: the Education Fund and the Operations Fund. Below is a snapshot of the top three expenses in each fund from last year.

Education Fund

- Certified Salaries (Teachers): \$11,575,602
- Transfer to Operations Fund: \$3,135,000
- Classified Salaries (Non-Teachers): \$2,426,191

Operations Fund

- Classified Salaries (Non-Teachers): \$4,001,088
- Supplies: \$730,937
- Electricity: \$715,171

Each fund is supported by different revenue sources, and each plays a critical role in ensuring our schools run smoothly and effectively. If you're interested in learning more about how school finance works—and where these dollars come from and ultimately go—we invite you to watch our [financial video series](#). This is the first set of videos we've created to help our community better understand the complex but important world of school funding. The second set of videos will be coming soon!

Outstanding Warrior of the Month

Congratulations to our January DCSC Warrior of the Month: SRO Nick Webber!

This award, selected by our DCSC Admin Team, recognizes Warrior team members who have displayed our customer cores (Professionalize, Empathize, Personalize, Respond to Complaints

and Be Exceptional) each day and who have gone above and beyond in our efforts to make a difference in every student's life.

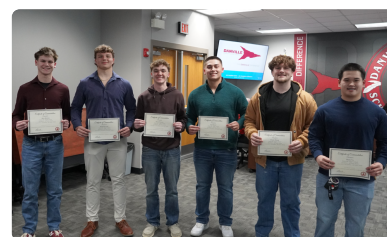

2025 IFCA Junior All-State Team Recognition

Congratulations to Porter Prather on being named to the 2025 IFCA Junior All-State Team! This is an outstanding athletic accomplishment, and we were proud to recognize Porter for this honor at this month's board meeting.

2025 IFCA Academic All-State Team Recognition

This group of student-athletes was named to the 2025 IFCA Academic All-State Team, and we were proud to recognize and celebrate them at this month's board meeting. This impressive accomplishment reflects their hard work and dedication both in the classroom and on the field. Congratulations!

Outstanding Student of the Quarter

Congratulations to Elizabeth Gregory for being named Outstanding Student of the Quarter at Area 31 Career Center!

Here are a few snapshots of her hard work in action in the Pharmacy Tech program at Area 31 Career Center. We are so proud of the dedication and professionalism she demonstrates each day. Way to represent, Warrior!

Advocates Day 2026

This month, we hosted our third DCSC Advocates Day, welcoming parents and community members for a behind-the-scenes look at all things DCSC. This year's group was outstanding, and for the first time ever, we were proud to include a student-led session! Thank you to everyone who helped make this incredible day possible.

Mid-Year McKinney-Vento Housing Survey

As we move into the second half of the school year, we are asking all families to complete our [Mid-Year McKinney-Vento Housing Survey](#). This brief survey helps us ensure that students who may be experiencing housing instability receive the support, resources, and protections they are entitled to under the McKinney-Vento Act. Your participation is important, even if your housing situation has not changed, so we can maintain accurate records and continue providing appropriate services. Thank you for helping us support every student's well-being and success. Families with multiple children only need to complete the survey one time.

A Message from Our Nurses

Dear Families,

Due to recent illness in our community, we would like to send a friendly reminder about our district health and medication policies. These guidelines help us keep all students and staff safe and healthy.

When to Keep Your Child Home

Students should not attend school if they:

- Have a temperature of 100.0° or higher
- Have vomited or had diarrhea within the past 24 hours
- Have a rash of unknown origin

Students must be fever-free **for 24 hours without the use of medication** before returning to school. If your child is absent due to illness, please remember to call the school to report the absence or send a note upon their return.

If a student misses school due to illness, they may not participate in after-school activities that day.

Additionally, if your child has a fever, vomiting, or diarrhea before school, they should not come to school later in the day once symptoms improve. The 24-hour guideline still applies.

Clinic Medication Information

Our school clinics stock only the following over-the-counter medications:

- Acetaminophen (Tylenol)
- Ibuprofen
- Tums

These medications may be administered by the school nurse only if parent permission has been provided during SchoolCare enrollment.

Please note:

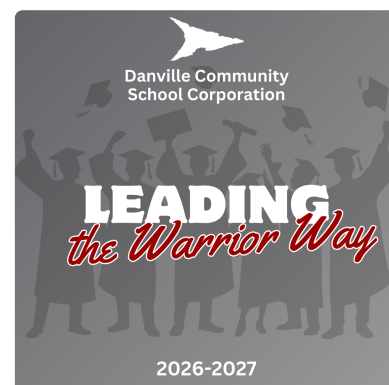

- We do **not** stock cold medication or cough drops in the clinic.
- Any additional over-the-counter medication (including cough drops) must be provided by a parent/guardian.
- All medication must be kept in the clinic — students may not carry medication with them (unless otherwise authorized).
- Medication must be in the original, unopened container and accompanied by a completed OTC medication form.
- All medications will be administered according to label directions appropriate for the student's age and weight unless a physician's order indicates otherwise.

Thank you for your partnership in keeping our schools healthy and safe. If you have any questions about these policies, please feel free to contact your school's clinic.

We appreciate your cooperation and support.

Registration Opening Soon!

We are reaching out with an important update regarding registration for the 2026–2027 school year. As we transition to our new student information system, PowerSchool, **we have adjusted the registration opening date to March 2, 2026**. This change will ensure our staff is fully available to assist families and answer any questions that may arise during the process.

On Monday, March 2, you will receive a secure message through ParentSquare for each of your students. That message will include everything you need to get started, including step-by-step instructions and your student's Access ID and password.

In the meantime, we encourage you to visit our [Registration](#) and [PowerSchool](#) webpages to learn more about the new system and review what information you'll want to have ready.

Thank you for your continued partnership and support. We look forward to another exciting year together as we continue making the Danville Difference!

Join us on FMX...

Sign up for Spring Junior League Sports!

Spring junior league sports are just around the corner. If your student receives free or reduced school meals, your child qualifies for receiving assistance toward the registration fee for Danville junior league sports, including Danville Little League Baseball, Danville Girls Softball Association, Danville Junior Football & Cheer as well as Danville Junior Basketball League in the fall and winter. Just let the league know at registration that your child qualifies for SFAK and you will receive a 2/3 discount upon confirmation.

• About Us •

Danville Community School Corporation is comprised of the following schools:

- Danville North Elementary (grades K-1, Little Warrior Learning Center preschool)
- Danville South Elementary (grades 2-4)
- Danville Community Middle School (grades 5-8)
- Danville Community High School (grades 9-12)

Danville students attend the same school with their grade level classmates regardless of where they live. This gives them the chance to build lifelong friendships and strengthens our community!

• March 2026...

Spring Break is almost here! We know the stretch between Winter Break and Spring Break can feel long, and we are so proud of our students for their hard work and perseverance along the way. Now it's time to enjoy a well-deserved week of rest and recharge before heading into the final two months of the school year. We look forward to seeing all they accomplish as we finish another amazing year together!

St. Patrick's Day is all about luck, and at South, our K-Kids took that to heart by celebrating how lucky we are to be WARRIORS! ✨ Their mission was to spread joy to both students and staff, rolling through the building with a "sunshine cart" decked out as leprechauns and handing out treats along the way. Staff also joined in on the fun with a leprechaun hunt—once they found themselves, they got to spin the "Pot O' Perks" wheel for a prize. What a fun and festive way to celebrate this lucky day!

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

North

They're WILD about art at the LWLC! They held their art show, showcasing some of their best artwork to their family and friends. During the event, there was an activity for the whole family, which involved painting bricks for a future sidewalk project!

DCMS

Our 5th graders had a blast visiting the Indianapolis Motor Speedway Museum! Sometimes, stepping outside the classroom for a day of hands-on exploration is the best way to discover something new.

DCHS

We are so, so proud of these students for their hard work and dedication to the Riley Dance Marathon! In their very first year supporting the cause, they more than doubled their goal—raising over \$10,000. Every student involved is truly making a difference, and they're helping lead the way toward changing kids' health.

•A Message from Your Superintendent•

It's March, and that means March Madness is on. I am sure many of you are enjoying bracket watching. In the school district, March also means that it is time to register all students for school next year!

I am hopeful that all returning and new student families will take advantage of this early registration period to sign students up for next year's classes. By registering early, families ensure several things for their children. Students will have the first opportunity for course selections and teacher assignments. It also ensures that

your school will be able to order enough technology devices, textbooks and other necessary materials for a successful start to the school year. Early registration also benefits school transportation by providing adequate time to develop routing schedules to ensure there is space for each student on a bus for those who participate in school transportation.

An additional very important aspect of school registration is that it ensures there is a classroom seat available for any returning student who lives outside the district and transfers into Danville Schools. Indiana law requires all non-resident transfer students to annually re-enroll each school year in order to continue in attendance. Any returning and new non-resident transfer student will need to enroll by June 1, 2026, in order to be considered for enrollment for the 2026-27 school year. Returning students in good standing and registered by June 1, 2026, will be guaranteed a seat. New non-resident transfer students must also register by June 1, 2026, in order to be considered for the limited number of seats available for next school year. Initial determination for all non-resident transfer student acceptance will be made by mid-June, so getting your registration in early is very important.

As the saying goes, the early bird gets the worm. Please be sure to register early for the 2026-2027 school year to ensure your child receives all of the benefits afforded to them.

Students of the Month

Congratulations to our Students of the Month for February! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

Congratulations to:

- North Elementary: Lincoln Miller
- South Elementary: Oluwaforeayo (Foreayo) Ayodele
- DCMS: Gavin Schwartz
- DCHS: Oluwatimileyin (Timi) Alao

Outstanding Warrior of the Month

Congratulations to our February DCSC Warrior of the Month: DCMS and DCHS Choir Teacher Mr. VanHooser!

This award, selected by our DCSC Admin Team, recognizes Warrior team members who have displayed our customer cores (Professionalize, Empathize, Personalize, Respond to Complaints

and Be Exceptional) each day and who have gone above and beyond in our efforts to make a difference in every student's life.

All-State Recognition

Congratulations to Reuben Martins-Thomas, Griffin Hackleman, and Joseph Dunn (not pictured) on being named to the IHSWCA Junior Academic All-State Team! This recognition highlights their dedication to excellence both on the mat and in the classroom. We were proud to celebrate and recognize these outstanding young men at this month's School Board meeting! 🥳🎉

National Merit Scholars

This month, our Board of School Trustees read a Resolution of Congratulations honoring Mylo Roberts (pictured), Nadia Camloh, and Sylvie Thomas for their outstanding performance on the Preliminary SAT National Merit Scholarship Qualifying Test. Congratulations to these exceptional students! We're proud of your hard work and can't wait to see how you continue to shine. ✨🌟🎉

ICASE Presidential Scholarship Recipient

We're proud to celebrate Rebecca Dodd, Behavior Support Teacher at Danville South Elementary, for being named a 2026 ICASE (Indiana Council of Administrators of Special Education) Presidential Scholarship recipient! Her commitment to supporting students and leading with compassion makes a lasting difference in our schools.

Armstrong Teacher Educator

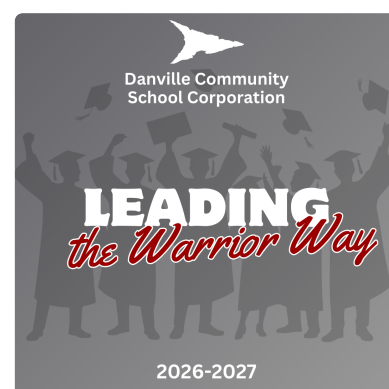

Congratulations to DCMS Teacher Billie Carlton! Danville Community School Corporation is proud to celebrate Ms. Carlton for being selected as a 2026–2027 Armstrong Teacher Educator through the Indiana University School of Education! This prestigious honor recognizes outstanding educators across Indiana and provides opportunities for continued professional growth through learning experiences at IU Bloomington. We are grateful for the passion and impact Ms. Carlton brings to our students each day—and we know this opportunity will only amplify the incredible difference she makes.

Registration Reminder: Register your child by April 15!

If you haven't already, it's time to begin registering your student(s) for the 2026–2027 school year! Below are a few tips to help make the process as smooth and successful as possible. **Even if you have already registered your student(s), these reminders may still be helpful.**

Tip #1: Where to Find the Message

On Friday, March 6, we sent a secure message to all parents/guardians via ParentSquare. The easiest way to access this message is through your email (please check your junk/spam folder as well) or by logging into ParentSquare and looking under "Alerts and Notices." You should receive one message for each student.

Tip #2: Grade Level Selection

When completing registration, **please select the grade your student will be in next school year**, not their current grade. *Example: If your child is currently in 4th grade, you should select 5th grade during registration.*

Tip #3: Uploading a Birth Certificate

ALL families (even those currently enrolled) MUST submit a copy of their student's birth certificate. If you have difficulty uploading the document in PowerSchool, you may bring a physical copy or email it to the front office of the school your child will attend during the 2026–2027 school year.

School contact info:

- North Elementary: northoffice@danville.k12.in.us; 317-745-2610
- South Elementary: southoffice@danville.k12.in.us; 317-745-2131
- DCMS: msattendance@danville.k12.in.us; 317-745-5491
- DCHS: hsattendance@danville.k12.in.us; 317-745-6431

Tip #4: Proof of Residency

Please be prepared to provide proof of residency dated within the last six months. The easiest way to do this is by uploading copies of mail addressed to you at your current address. If you have difficulty uploading the documents in PowerSchool, you may bring physical copies or email them to the front office of the school your child will attend during the 2026–2027 school year.

Proof of residency must be submitted for ALL resident families. If it is not provided, you will need to complete the nonresident transfer process.

Tip #5: Start Early and Complete Soon

We encourage all families to complete registration as soon as possible. Early registration helps us order the correct amount of supplies, make the best class assignments, build efficient bus routes, and communicate more effectively with families. If you have any questions, please do not hesitate to contact your school's front office.

• April 2026...

They say April showers bring May flowers, and we're hoping they bring May successes, too! Our students have truly knocked it out of the park this year, and we're excited to carry that momentum into a strong finish. While May can be a busy and sometimes stressful time, we're looking ahead to a fun-filled month centered on celebrating student success.

As you can see in the photo above, North and South Elementary were honored to attend the Literacy Achievement Celebration at the Indiana Statehouse, recognizing their outstanding IREAD success! This event highlights schools across Indiana with a 95% or higher pass rate on the 2025 IREAD assessment, and Danville achieved that mark with an incredible 95.7% pass rate. We are so proud of our students and staff for this remarkable achievement and for placing Danville among the very best in the state.

In this e-newsletter you will find important updates from the district office, upcoming events, class photos, and more.

South

Mr. Murphy and Mrs. Stierwalt's classes dove into an exciting research project featuring figures from the Who Was/Who Is series! Students explored their chosen individuals by conducting research, taking notes, creating Google Slides, and crafting speeches to share their learning. When it was time to present, they truly brought their projects to life, showing up with creative costumes, fun props, and incredible enthusiasm. We love seeing this level of engagement and pride in their work!

DCMS

DCMS 8th-grade students recently embarked on an unforgettable journey to Washington, D.C., where history truly came to life before their eyes. From iconic monuments to historic landmarks, these students experienced firsthand the stories that shaped our nation. What an unforgettable experience!!

DCHS

Career Day brought lots of excitement for our DCHS and 8th-grade students! Our incredible DCHS team hosted a Career Fair, giving students the opportunity to explore a variety of career and education pathways. Through meaningful conversations and hands-on engagement, students gained valuable insight into their future options and made connections that could help shape what comes next.

•A Message from Your Assistant Superintendent for Instruction•

As the flowers start to bloom and the days get brighter, we are also preparing for the year ahead, and that means it's time to register for the 2026–2027 school year!

Spring is the season of new beginnings, and registering now helps us make sure every student is set up for a strong start in the fall. Early registration allows our schools to build class schedules, order materials and devices, plan transportation routes, and ensure the right supports are in place for every learner.

For students at the middle and high school levels, registering early also gives them the best opportunity to secure the courses they're hoping to take. At all grade levels, your early registration helps us plan thoughtfully so every student walks in on day one feeling prepared and supported.

For our non-resident transfer families, please remember that registration must be completed by June 1, 2026 to be considered for enrollment next school year. Current transfer students who register by this date are prioritized for continued placement.

Thank you for helping us plan ahead. We are excited about the year ahead and can't wait to welcome our students back for another great year of learning and growth!

Students of the Month

Congratulations to our Students of the Month for March! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

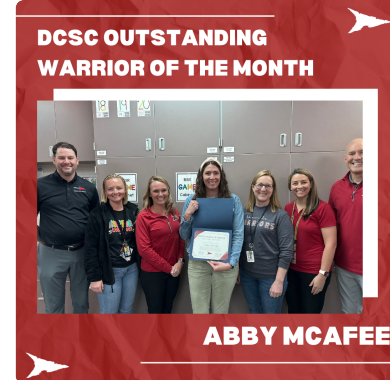

Congratulations to:

- North Elementary: Rush Draffin
- South Elementary: Lainie Hedrick
- DCMS: Kayla Adeniran
- DCHS: Esther Ranger

Outstanding Warrior of the Month

Congratulations to our March DCSC Warrior of the Month: North Behavior Support Teacher Abby McAfee!

This award, selected by our DCSC Admin Team, recognizes Warrior team members who have displayed our customer cores (Professionalize, Empathize, Personalize, Respond to Complaints and Be Exceptional) each day and who have gone above and beyond in our efforts to make a difference in every student's life.

Outstanding Work in Broadcasting

Congratulations to Brycen Hill for receiving Honorable Mention in Sport Event Broadcasting and Honorable Mention in Basketball Play-by-Play from the Indiana Association of School Broadcasters (IASB)! He attends Area 31 for broadcasting and has had the opportunity to develop many valuable skills along the way. So proud of this accomplishment!

IFCA Recognition

Congratulations to Paxton Trump on earning a spot on the Indiana Football Coaches Association (IFCA) South All-Star Team! This team is made up of high school football players selected to compete in the All-Star Classic. An outstanding achievement that reflects Paxton's hard work and dedication to the game!

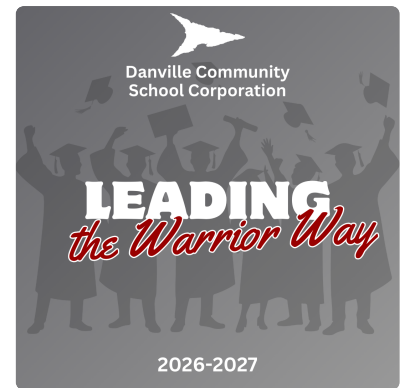

IBCA Recognition

Congratulations to Tanner Wineinger on being named Academic All-State Honorable Mention by the IBCA! This is an outstanding accomplishment both athletically and academically, and a true reflection of his hard work and dedication. Well done!

Registration Reminder

If you haven't already, it's time to begin registering your student(s) for the 2026–2027 school year! Below are a few tips to help make the process as smooth and successful as possible. **Even if you have already registered your student(s), these reminders may still be helpful.**

Tip #1: Where to Find the Message

On Friday, March 6, we sent a secure message to all parents/guardians via ParentSquare. The easiest way to access this message is through your email (please check your junk/spam folder as well) or by logging into ParentSquare and looking under "Alerts and Notices." You should receive one message for each student.

Tip #2: Grade Level Selection

When completing registration, **please select the grade your student will be in next school year**, not their current grade. *Example: If your child is currently in 4th grade, you should select 5th grade during registration.*

Tip #3: Uploading a Birth Certificate

ALL families (even those currently enrolled) MUST submit a copy of their student's birth certificate. If you have difficulty uploading the document in PowerSchool, you may bring a physical copy or email it to the front office of the school your child will attend during the 2026–2027 school year.

School contact info:

- North Elementary: northoffice@danville.k12.in.us; 317-745-2610
- South Elementary: southoffice@danville.k12.in.us; 317-745-2131
- DCMS: msattendance@danville.k12.in.us; 317-745-5491
- DCHS: hsattendance@danville.k12.in.us; 317-745-6431

Tip #4: Proof of Residency

Please be prepared to provide proof of residency dated within the last six months. The easiest way to do this is by uploading copies of mail addressed to you at your current address. If you have difficulty uploading the documents in PowerSchool, you may bring physical copies or email them to the front office of the school your child will attend during the 2026–2027 school year.

Proof of residency must be submitted for ALL resident families. If it is not provided, you will need to complete the nonresident transfer process.

Tip #5: Start Early and Complete Soon

We encourage all families to complete registration as soon as possible. Early registration helps us order the correct amount of supplies, make the best class assignments, build efficient bus routes, and communicate more effectively with families. If you have any questions, please do not hesitate to contact your school's front office.

April is Autism Acceptance Month

✗ Myth 1: Autistic people don't feel/understand emotions

✓ Fact:
Autistic people feel emotions deeply, sometimes even more intensely than others.

The difference is in how emotions are expressed:

- They may not show typical facial expressions
- They may struggle to explain feelings in words
- They can become overwhelmed more easily

What looks like "not caring" is often difficulty communicating feelings, not a lack of them.

✗ Myth 2: Autistic people cannot form relationships.

✓ Fact:
Autistic people build meaningful connections every day.

Many autistic people experience deep love, friendship, and emotional intimacy.

Social communication differences do not prevent relationships — they simply mean that connection may look different, and that's okay.

✗ Myth 3: Autistic people are inherently disabled.

✓ Fact:
Autism itself is not a deficit — barriers create disability.

Autistic people have many strengths.

Disability arises when society fails to provide accessible environments, flexible communication, and supportive attitudes.

AUTISM ACCEPTANCE

✗ Myth 4: Autism is being overdiagnosed.

✓ Fact:
Underdiagnosis is a far bigger issue.

Many autistic people — especially girls, women, LGBTQ+ individuals, and those from ethnic minority or low-income backgrounds — remain overlooked or misdiagnosed.

✗ Myth 5: Autistic people don't want social connection.

✓ Fact:
Many autistic people do want connection — just on their own terms.

Autistic people may prefer smaller groups, enjoy structured or interest-based interaction, need downtime between social events or communicate differently.

Preferring different styles of socializing does not equal a lack of desire for connection.

✗ Myth 6: Most people with autism have intellectual disabilities, learning disabilities, or special skills

✓ Fact:
Autism is a spectrum: that means every person with autism is different. They'll have different strengths and challenges. Some autistic people can speak out loud, others can't. Some have additional disabilities (like learning disabilities or intellectual disabilities) and others don't. Each autistic person has different interests: some prefer math and science, while others are more creative.

Colts Junior Football Camp

Our 3rd and 4th grade students had a blast participating in the Colts Junior Football Camp!

Students rotated through a variety of fun, high-energy stations where they practiced throwing and catching footballs, completed training drills, and even played flag football. It was a great opportunity to build teamwork, stay active, and learn new skills—all while having a ton of fun during the school day!

5th grade Living Wax Museum

History came to life at our 5th Grade Living Wax Museum!

Our students transformed into influential historical figures, researching their lives and sharing their stories with staff, families, and classmates. From presidents to inventors to athletes, students impressed visitors with their creativity, confidence, and knowledge.

Hands-on Learning in Action

Students in our Biomedical Science class recently worked with controlled bleeding kits, learning how to respond to arterial and venous bleeds and properly apply a tourniquet.

This collaborative lab gave students real-world, life-saving skills in a safe and supportive environment—including creative adaptations (like “green blood”) to ensure all students could fully participate. We love seeing learning come to life!

•A Message from Your Superintendent•

School is Out!

It is late in May, graduation is taking place, and we turn the page on another great year in the Danville Community School Corporation. In doing so, we wish the very best for our class of 2026 Seniors! Like so many of our graduating classes, this has been a great class of Senior students. This class has welcomed new classmates, endured the challenges of navigating construction, and achieved many accomplishments in the classroom, on the field, and in the community; with much more to achieve in life. Our mission is to commit to maximizing our students’ success through personalized experiences, so they make a difference in any community. As our graduates head into the workforce, off to school, or into

military service, I am confident they will be successful in life. Danville is fortunate to have so many great families, a wonderful community structure, and a caring school staff. The positive relationships our students form through their school years will set their direction for years to come. I am grateful to our community and to our school staff for supporting our young people and helping us to collectively accomplish our mission. Whichever community receives our graduates will be one that is blessed to do so. Good luck and Godspeed to our 2026 graduates. Go Warriors!

Teachers of the Year

Congratulations to our outstanding Teachers of the Year! Each of these exceptional educators was nominated by staff, students, parents, or community members—a true testament to their impact.

- North Elementary: Elizabeth Whitaker
- South Elementary: Becky Foltz
- DCMS: Laura Crosby
- DCHS: Kim Hayse

We're also thrilled to share that, following the formal evaluation process, Elizabeth Whitaker has been named Elementary Teacher of the Year, and Kim Hayse has been named Secondary Teacher of the Year! Thank you all for your passion, dedication, and excellence in education!

Support Staff Member of the Year

Congratulations to Ashley Burdine on being selected as the Danville Community Schools Support Staff Member of the Year!

As the Transportation Department Secretary, Ashley goes above and beyond each day to support our drivers, students, and families. Her dedication, organization, positivity, and willingness to help wherever needed make a tremendous impact on our district each and every day.

We are grateful for all Ashley does behind the scenes to help keep DCSC running smoothly. Congratulations on this well-deserved recognition!

Thank You!

This morning, we proudly celebrated the incredible dedication of our staff members, recognizing milestones of 5, 10, 15, 20, 25, and 30 years of service. Thank you for your unwavering commitment and the lasting impact you make every day. Our schools are stronger because of you!

Congratulations to Our Retirees

This morning, we had the privilege of celebrating our incredible retirees. Amid heartfelt memories and tearful goodbyes at our staff breakfast, we thanked them for their dedication, passion, and lasting impact. Your legacy will continue to inspire us all. Thank you!

Enjoy Your Retirement!

Students of the Month

Congratulations to our Students of the Month for April! These Warriors were recognized at this month's Board of School Trustees meeting for their achievements. They demonstrate important Warrior characteristics like kindness, compassion, respect, and leadership. We are so proud of them and look forward to seeing them continue to make #TheDanvilleDifference both in and out of the classroom.

Congratulations to:

- North Elementary: Mila Bennett
 - South Elementary: Rhys Brady
 - DCMS: Brad Zamor
 - DCHS: Tate McDugle

Teacher Recognition

The Danville Community School Corporation Board of School Trustees recognized Billie Carlton, 7th/8th Grade Science Teacher at Danville Middle School, for being selected as a 2026–2027 Armstrong Teacher Educator for the Indiana University School of Education!

This prestigious honor recognizes outstanding teachers from across Indiana and provides recipients with opportunities to engage with IU-Bloomington students and faculty through a variety of educational activities and experiences.

We are proud to celebrate Billie's dedication to her students, her profession, and her continued excellence in education. Congratulations on this well-deserved recognition!

Leading the Way

Congratulations to Danville Community High School Principal Mr. Clodfelter on being named the Indiana Association of School Principals (IASP) Region 8 High School Principal of the Year! This recognition honors Mr. Clodfelter's outstanding leadership, dedication to students and staff, and commitment to creating a positive and successful school culture at DCHS. We are proud of the impact he continues to make on our school community and grateful for the leadership he brings to Danville each day. Congratulations on this well-deserved honor!

Exemplary Governance Award

Danville Community School Corporation is proud to share that Board of School Trustees President Beth Cherry has been recognized by the Indiana School Boards Association (ISBA) with the Exemplary Governance Award (EGA) for the 2025 calendar year. The EGA is the highest level of distinction a school board member can earn, honoring a strong commitment to leadership and continued professional growth.

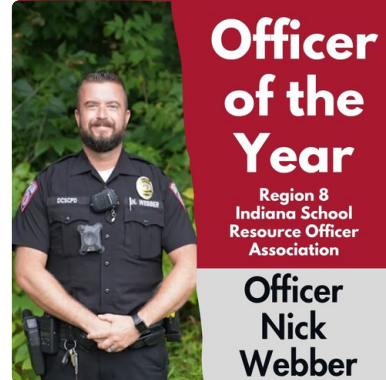

Congratulations, Mrs. Cherry!

Above and Beyond

Congratulations to Officer Nick Webber on being named the Indiana School Resource Officer Association (INSROA) Region 8 Officer of the Year!

Through programs and activities such as Young Men's Club, Anime lunches, mentoring opportunities, and student engagement activities, Officer Webber goes above and beyond to connect with and support students. In addition to serving as a highly trained law enforcement officer, he exemplifies the roles of mentor, counselor, and educator that are at the heart of the SRO profession. We are incredibly proud of Officer Webber and grateful for the care, leadership, and dedication he brings to DCSC every day. Congratulations on this well-deserved honor!

International Environmental Collaboration

Two Danville Community Middle School educators are taking learning to a global level!

Billie Carlton and Lori Baker have been selected as two of just ten Indiana teachers to participate in the Galápagos Islands International Education Collaborative Project this summer through Indiana University's Educating for Environmental Change program.

From July 18–25, they will join fellow educators and international partners on Santa Cruz Island, collaborating with faculty and K–12 teachers to deepen environmental understanding and bring new perspectives back to the classroom. An incredible opportunity, and a proud moment for Danville Schools!

High Ability Parent Notification

The Indiana Department of Education requires school districts to identify and serve High Ability students in grades K-12. The High Ability Identification Team for this district uses a well-designed process, consistent with Indiana Code and Rules, based upon sound measures designed for use with High Ability learners in order to find those students whose academic needs are far beyond those of typical students of the same age in our district. In this process, students are identified for services through multiple pathways, including ability and/or achievement in Language Arts and/or Mathematics.

If a child is recommended for High Ability services, his or her parents will receive a letter from the district by mail. An appeal process is in place in the event the identification team does not place a child in services, and a teacher, parent, or another person close to the child challenges the decision. An official written appeal using [this form](#) must be filled out on or before the appeal date below.

Please visit our website at <https://www.danville.k12.in.us/departments/special-services/high-ability-program> for a thorough explanation of the identification process and a copy of an appeal

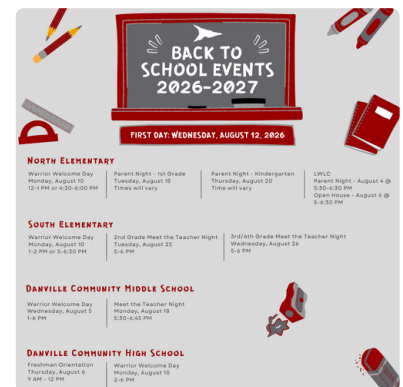

form.

- For this year, the notification date is: by Friday, June 5th
- The date for the filing of this appeal is: Friday, June 19th

Please note that while we must formally identify students based on specific state criteria, we know that there are many advanced learners in our classrooms who may not be flagged to the state. Our staff will continue to differentiate in the classroom in order to best meet the needs of each and every student to provide appropriately scaffolded instruction. For more information, please contact Mrs. Tina Noe, Director of Educational Programs and District High Ability Coordinator, via phone (317-745-2212) or email (tnoe@danville.k12.in.us).
