

Belvidere North High School

School Supply List 2026-2027

All students are required to bring writing utensils to each course. Additionally, students enrolled in the courses listed below are required to bring additional supplies. Please contact the student's classroom teacher with questions about school supplies. Courses are grouped by department. If one or more of your child's classes are not listed below, that means additional supplies are not required for the course. All students should also have a pair of wired earbuds to use with the Chromebooks. If there are issues getting school supplies, please contact the student's school counselor for assistance. Students must bring their charged Chromebooks to class each day.
