Dear Lakeview Pre-K-12 Families,

We are excited to begin the 2026–2027 school year at Lakeview. Our teachers and staff are committed to providing every student with an outstanding educational experience and helping all students succeed academically, socially, and emotionally.

As we start the school year, our focus remains on improving student achievement, strengthening relationships, enhancing community collaboration, and maintaining a respectful, safe, and caring school environment. We are grateful for the continued support of our families and community as we work together to provide the best opportunities for our students.

This year's theme is "Own the Outcome." We believe that every student and staff member plays an important role in shaping our success through their effort, attitude, responsibility, and choices. Together, we can continue to make Lakeview a place where all students thrive.

Below are a few items to take note of:

- **Open House for Grades Pre-K -12 is Wednesday, August 19th from 5PM -7PM**
- Orientation will be held at 6 pm in the auditorium for 7th grade students and for all new students attending Lakeview.
- Chromebook/I-pad form and student handbook consent form for each student will be available at open house night, online or in the high school office. These need to be signed before deployment of devices. Grades 5-12 will be deployed at open house.
- Please review the student handbook online. Access this by going to www.lakeview2167.com, selecting the students & parents tab, and selecting Handbooks, Calendars, and Links from the drop-down menu. Paper copies are also available upon request.
- New Families and Kindergarten children: Please stop by the Community Education office located right off the commons to set up your child's account. Lakeview uses finger scans for lunch point of sale.
- **First Day of School is Wednesday, August 26**
- We've included a school calendar for your convenience. Please note the early out dates and holidays. Additionally, school attendance is crucial for your child's success. All students need a parent/guardian to call or email your absences for sickness or appointments. No student will leave without consent.
- If you have any questions or concerns regarding bussing, please contact John Caron at Palmer Bus by calling 507-423-6080. All families need to register their child for transportation each year, if you haven't done so already, go to the Lakeview website and fill out the Palmer Bus Transportation Form.

Sincerely,
