POLICIES & PROCEDURES

FACTS Tuition Management has been contracted to process FCA's tuition and fee payments. Payments can be made through a checking/savings account or credit card (subject to a convenience fee). All families must register with FACTS as part of the enrollment process.

Faith Christian Academy's past due tuition policy states that accounts must be brought current within thirty days or the enrollment of the student may be discontinued.

FACTS will allow families the flexibility to adjust their payment date up to ten business days from the original due date. If necessary, special arrangements should be made with the Business Office prior to the tuition/fee due date.

SCHOLARSHIPS & FINANCIAL AID

Faith Christian Academy is committed to making Christ-centered education accessible to families. Scholarship opportunities are available through:

- Need-Based Financial Aid (funded through the EITC program)
- FCA LION Scholarships (awarded based on qualifying criteria)

Please note: Need-based financial aid and scholarship awards are reviewed separately and are not stackable.

GIVE BACK

The EITC program allows donors to have a say in where their tax dollars are spent. They have to pay them anyway, why not allocate them to educating the next generation through faith-based education?

The EITC tax credit program funds financial aid for income-qualifying families at FCA. Reach out to Mary Beth Clymer in the Business office to hear how you can re-direct your PA income tax dollars to FCA and receive a 90% tax credit for your contribution!
