

ParentVUE Mobile App Guide for Parents

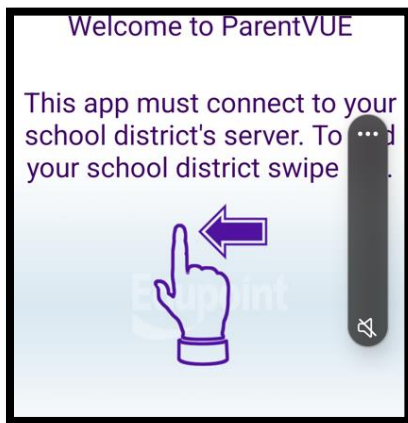

Online Registration

The screenshots below were created using a Samsung Galaxy. They may be slightly different for different screen sizes and different manufacturers.

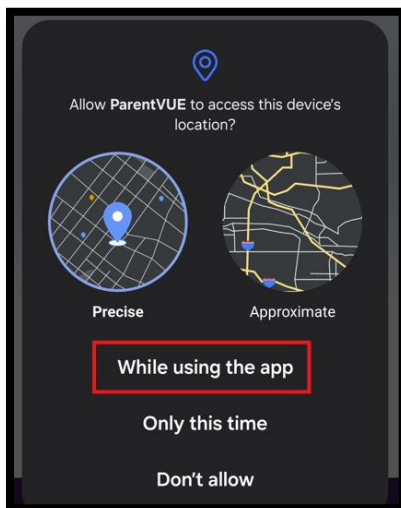

1. Go to your app store and search “parentvue”. You will see the logo and title below, and you will need to install and open.

2. Once you open the app, you will be prompted to swipe left

3. You will now need to give the ParentVUE app access to your location. Tap “While using the app”.

4. Type 85304 for the zip code and click on District Search, then tap “Washington Elementary School District No. 6”

The screenshot shows the ParentVUE app interface. At the top, the logo "ParentVUE powered by Synergy" is displayed. Below it, a text prompt says "To find school district enter zip code of your school district office location:". A text input field contains "85304", and a purple button labeled "District Search" is to its right. Below the search bar, a section titled "Synergy SIS school district(s) near your location:" lists two results. The first result, "Washington Elementary School District No. 6", is highlighted with a red border. It includes a distance of "0.0 mi", the location "Glendale AZ 85304", and the URL "https://parentvue.wesdschools.org". The second result is "Desert Heights Charter Schools", with a distance of "2.2 mi", the location "Glendale AZ 85306", and the URL "https://az-dhcs.edupoint.com".

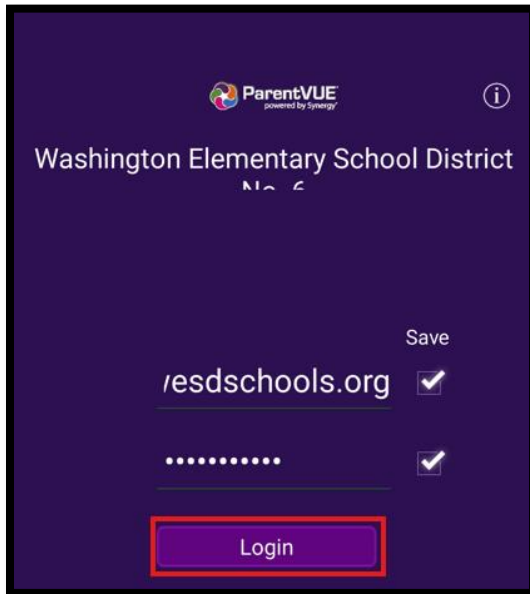

5. It will ask if you want to set this as your school district, tap “Ok”

This screenshot shows the same search results as the previous image, but with a confirmation dialog box overlaid. The dialog box has a blue header with the text "Would you like to set this as your School District?". Below the header, it lists "Washington Elementary School District No. 6". At the bottom of the dialog are two buttons: "Cancel" and "Ok". The "Ok" button is highlighted with a red border.

6. It will then ask if you want to activate your account.

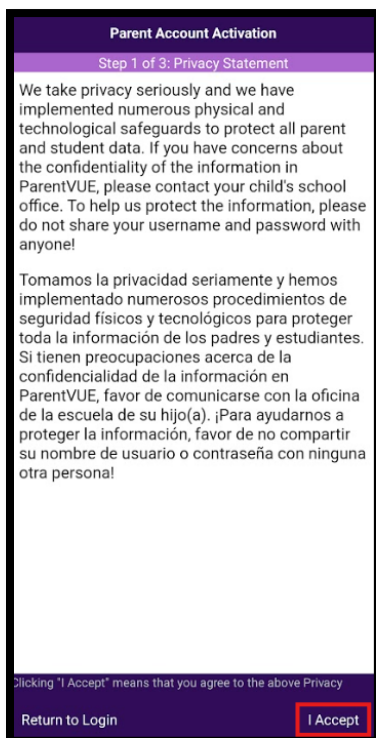

The screenshot shows a screen titled "Washington Elementary School District No. 6". Below the title, a text prompt reads: "To login you will need to create an account and activate it. You will need an activation key provided by Washington Elementary School District No. 6 Do you have an activation key and would like to activate your account?". At the bottom of the screen are three buttons: "No", "Already Activated", and "Yes".

- a. If you choose **No** or **Already Activated**, you will be returned to the login screen where you can log in using your credentials.

The screenshot shows the ParentVUE login interface for the Washington Elementary School District. At the top, the ParentVUE logo and a district logo are visible. The main heading is "Washington Elementary School District". Below this, there is a "Save" button and a URL field containing "esdschools.org" with a checkmark. A password field with masked characters and a checkmark is also present. At the bottom, a "Login" button is highlighted with a red rectangle.

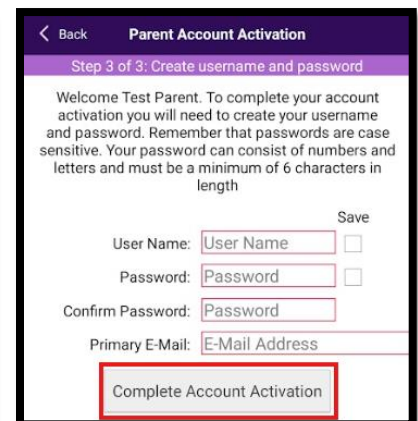

- b. If you choose Yes, it will give you a few additional prompts to activate your account. You will need your Activation Key, which you can get from the Registration Center or the school office. Follow the prompts on the screenshots below:

This screenshot displays the "Parent Account Activation" screen, specifically "Step 1 of 3: Privacy Statement". It contains two paragraphs of text in English and Spanish regarding data privacy. At the bottom, there is a "Return to Login" link and an "I Accept" button highlighted with a red rectangle.

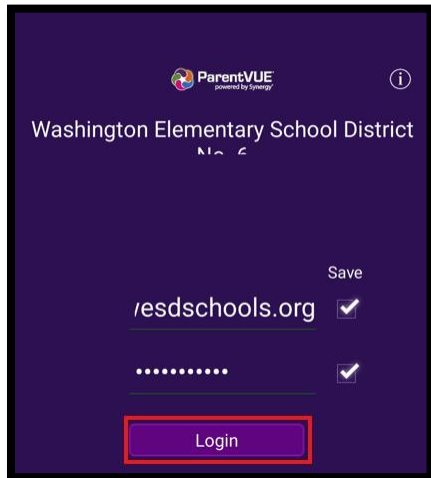

This screenshot shows "Step 2 of 3: Activation Key". It prompts the user to enter their first name, last name, and a 7-character authentication key. Below the input fields, a "Continue to Step 3" button is highlighted with a red rectangle.

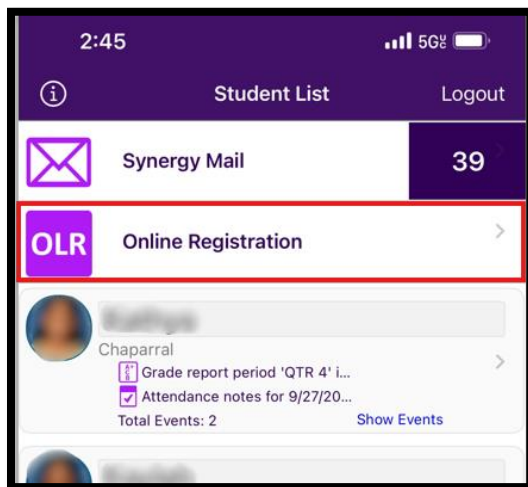

This screenshot displays "Step 3 of 3: Create username and password". It includes fields for User Name, Password, Confirm Password, and Primary E-Mail. A "Save" button is located at the top right. At the bottom, a "Complete Account Activation" button is highlighted with a red rectangle.

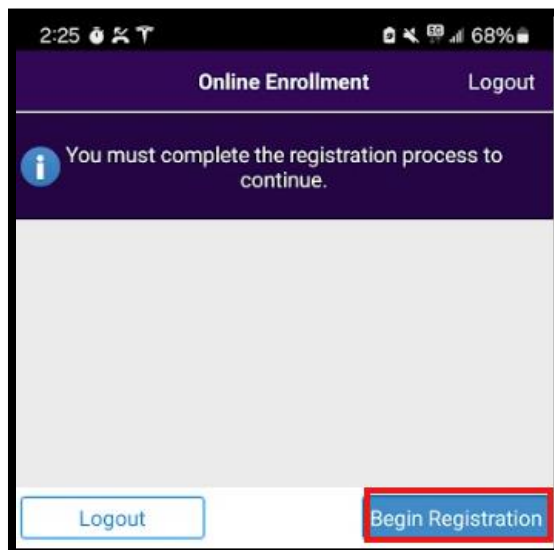

7. Next, enter your login information (check the boxes that say “save” if you want the app to remember this information) and click “Login”

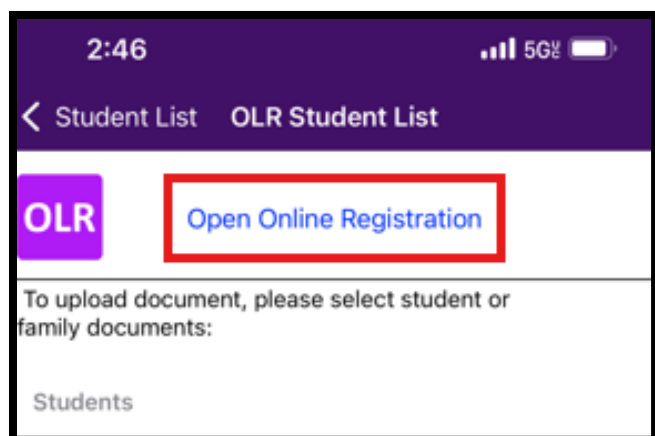

8. Once you log in, you will see this screen. Tap Online Registration.

- a. ****If you have no students attached to your parentVUE portal yet, you will instead see this screen. Tap Begin Registration and then skip to step 10.**

9. Then tap Open Online Registration

10. Once you are on the registration screen, choose the registration you are looking for and follow the prompts until you submit.
