COAL CITY HIGH SCHOOL

FREQUENTLY ASKED QUESTIONS

Students

- Where do I enter the building? The Events Entry doors will be opened for students to come in the building from 8:00 AM - 8:20 AM. If a student has a scheduled meeting with a teacher or meeting for a club before 8:00 AM, they will need to enter the Administration Entry Door 1.
- Where do I enter if I am late to school? If you are late to school, you will need to enter through the Administration Entry Door 1. Once you are let in, you will need to sign in with the iPad at the secretary's desk. It will print out a pass for you. They will mark whether you are excused or tardy on the pass.
- Can I leave for lunch? No. Coal City High School has a closed campus policy.
- Can I order doordash? No. For the safety of everyone in our school, we do not accept deliveries.
- If I am leaving the building early for the day because of an appointment or something, what is the proper check out procedure? You will have a pass to give your teacher saying what time you are leaving. At the appropriate time, go to the Student Services office to sign out on the Ipad. Once your ride has arrived, you may leave.
- Am I allowed to bring a bag to class? Bookbags, backpacks, and sports bags create a safety concern in the classroom. All bags should be stored in student lockers while at school.
- Where should I go if I lose or damage my Chromebook or charger? You should see Mrs. Peterson in the library.

Parents

- When and how do I call in my student if they have an appointment? Call the attendance line in the morning. We will send a pass to your student with the time they are getting picked up. At the appropriate time, they will come down to the Student Services office to sign out, then they can walk out to your car. You do not need to come into the school.
- How and where do I drop something off for my child during the day? If you are dropping something off for your student, you will enter the Administration Entry Door 1. Upon entering the building, on your left there will be a "Drop Off" shelf. You will put your child's name on a post-it and place it on the item on the shelf.
- When should the office be notified of a pre-arranged absence? Permission for a pre-arranged absence should be secured in the office **at least 3 days in advance** of the absence. Pre-arranged absences will be included in the 9 days of allowed parent excused absences.
- What if my student loses their Chromebook and/or charger? Loaner Chromebooks may be issued to students. If repair is needed due to malicious damage, the school may refuse to provide a loaner. Parents/Students will be charged for the full replacement cost of a device that has been damaged due to intentional misuse, neglect, or abuse. Replacement Chromebooks cost $325 and replacement chargers cost $35.
- How do I put money into my student's lunch account? Deposits into a student's lunch account can be made at coalcity.revtrak.net.
    - On the RevTrak homepage select eTrition (if this is your first time adding lunch money on RevTrak, you will need your student's number /Patron ID)
    - If you have multiple students select the student you wish to add lunch funds to

Attendance

Regular attendance is essential if a student is to make use of the educational opportunities the district offers. We understand that things happen that are out of your control. Parents may call in to excuse their child from school up to 9 days per school year. When students are called in for mental health days, vacations, doctor's appointments, when they miss only a period or two throughout the day, etc.; those absences are counted towards the 9 days. The only absences that do not count towards the 9 days are school functions and Juniors and Seniors are allowed 2 college visits per school year. The administration reserves the right to determine if an absence is excused or unexcused. Emails to parents will be sent on or about the 5th, 9th, 15th, and 20th student absence. After a student accumulates 9 days of parent excused absences during a school year, the student must have a third party note from someone other than the parent in order to be excused for any additional absences. If there is not a note from a third party, the absence will be marked as unexcused. Unexcused absences will result in a student receiving a 0 (zero) for each class period missed. In order to receive credit for work, the student may make it up in an assigned office detention. This must be arranged through the Assistant Principal and the teacher. By law, any student that is absent for more than 5% (roughly 9 days) of a school year when unexcused or truant, will be referred to the Grundy County Truancy Officer. In order to be an Acclaimed Coaler, you have to be here for 95% of the days during your junior and senior year. It is important to note that all absences count towards this requirement.
