Absence Line: (928) 759-4702

This handbook provides information specific to Mountain View Elementary School. Districtwide policies, procedures, student rights, and expectations are outlined in the HUSD Student Support & Expectations Guide. Families are encouraged to review both documents each school year.

MOUNTAIN VIEW ELEMENTARY SCHOOL

Dear Mountain View Families,

Welcome to the 2026-2027 school year! On behalf of our staff I want to welcome our returning and new **Mountain View Elementary School Polar Bears**! We are excited to partner with you as we help every student learn, grow, and thrive. At Mountain View, we believe that strong partnerships between school and home create the best foundation for student success. Together, we can make this a safe, supportive, and rewarding year for every student.

Mountain View values open communication, family involvement, and working together to ensure every child feels safe, supported, and challenged to reach their full potential. Our dedicated staff looks forward to celebrating each student's accomplishments and helping them develop the knowledge, skills, and confidence they need for success alongside your family.

Please take a few moments to review this School Handbook with your child. It contains important information about our school, daily procedures, expectations, and the many ways we work together to support students. Mountain View Elementary follows the policies and procedures of **Humboldt Unified School District (HUSD)**. Districtwide policies, student expectations, and Governing Board policies are available online through the **Student Support & Expectations Guide** and on the district website.

Thank you for taking the time to review this handbook with your child. We look forward to a wonderful year of learning, growth, and success together. Thank you for being an important part of the Mountain View Elementary community!

SIncerely,

Mrs. Kim Grant

ABOUT MOUNTAIN VIEW

Mission Statement: Mountain View Elementary School provides a safe and supportive learning environment that fosters critical thinking, creativity, and growth by empowering every student to achieve their personal best.

Students' Rights and Responsibilities: Students are responsible for choosing appropriate behavior and making responsible decisions that will promote a safe environment that is conducive to learning for **all** students. *Students have the right to learn in a classroom free of distractions that interfere with their learning. No one will be allowed to take away that right from our students.* Therefore, it must be understood that:

1. Courtesy and respect will be extended to all peers and teachers;
2. Students will act in a safe manner at all times;
3. Students will be open-minded towards education;
4. Language will be positive, and name-calling is unacceptable; and,
5. Tolerance for individual differences, talents, and choices will be shown.

Bell Schedule

Our campus opens at 8:15 a.m., when staff supervision begins. To help ensure student safety, please plan for students to arrive between 8:15 a.m. and 8:40 a.m.

Arrival

8:15 a.m. – Campus opens

8:35 a.m. – Warning bell

8:45 a.m. – Classes begin

If your student is planning to eat breakfast before school, they need to arrive before 8:35 a.m. **Students arriving after 8:45 a.m. must be signed in by a parent/guardian in the front office as they will be marked tardy.**

Dismissal

3:15 p.m. – Monday, Tuesday, Thursday, and Fridays

2:15 p.m. – Wednesdays

1:15 p.m. – Last Friday of each quarter, and Parent-Teacher Conferences

Two-Hour Delay Schedule

In the event of a two-hour weather delay, school begins at 10:45 a.m. and dismisses at the regular time. Buses operate two hours later than their normal morning schedule. Breakfast is not served during delayed starts; lunch will be served as scheduled.

ACADEMICS

Our Academic Program

Mountain View Elementary provides a comprehensive educational program aligned with the Arizona Academic Standards. Students receive instruction in English Language Arts, Mathematics, Science, Social Studies, Health, Art, Music, Physical Education, STEAM, and Outdoor Habitat.

To support the success of every learner, we offer a variety of academic support programs, including Title I services, special education, gifted education, and English Language Learner services. We also encourage students to participate in the many extracurricular and enrichment opportunities offered before and after school.

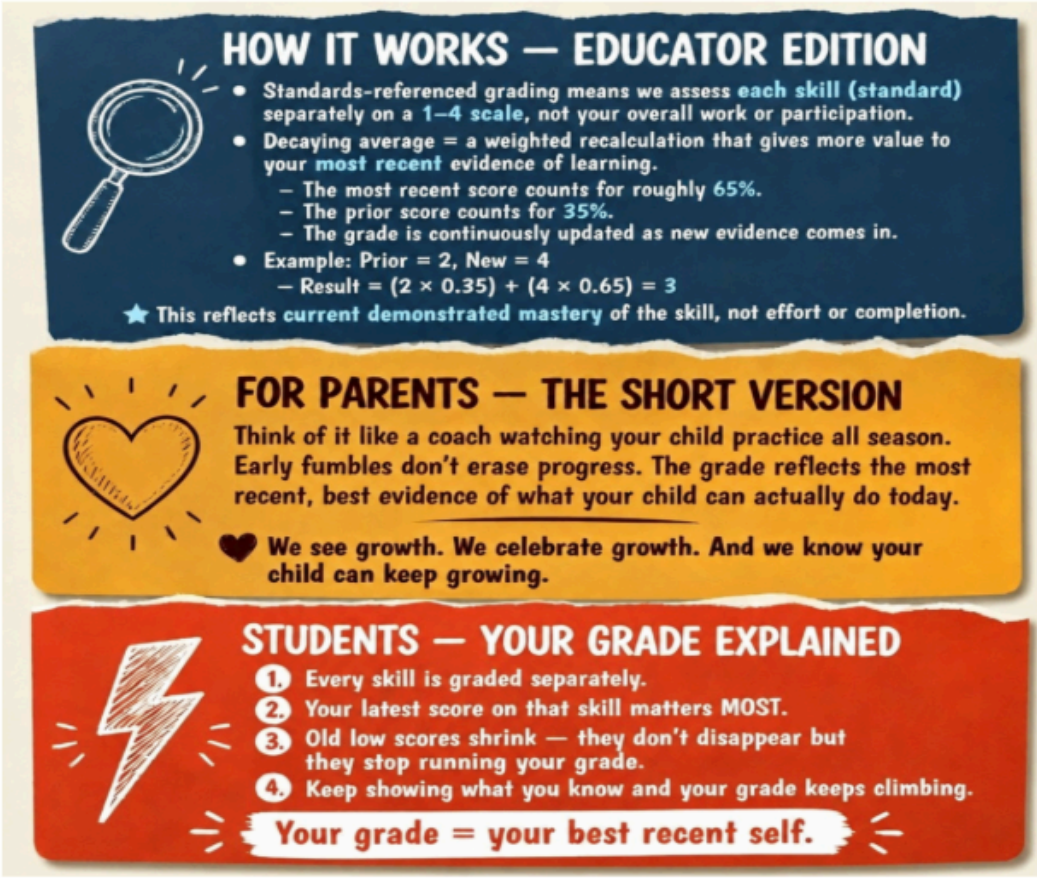
Standards Referenced Grading

Humboldt Unified School District uses Standards-Referenced Grading (SRG) to communicate student progress toward the Arizona Academic Standards.

Rather than averaging points from assignments, homework, and tests into a single grade, SRG measures a student's level of proficiency on specific Arizona State Academic standards. This provides families with clear information about what students know, what they are still learning, and where additional support may be needed.

What My Grades Mean: A Helpful Chart	
Level	**Standard Mastery**
4	**Above Mastery/Highly Proficient** The student demonstrates an in-depth understanding of the material by completing advanced applications of the material above the grade level expectations.
3	**At Mastery/Proficient** The student has independently mastered the complex, targeted knowledge and skills for the class.
2	**Approaching Mastery/Partially Proficient** The student understands the foundational material that supports the targeted learning, but is still working to master the complex material for the class.
1	**Below Mastery/Minimally Proficient** The student is able to demonstrate an understanding of the foundational material for the class with help from the teacher, but still struggles when working independently.

Please note: Some standards are taught throughout the school year. Students may not reach a level 3 (Proficient) until instruction on that standard has been completed, which could be the end of the school year.



Instructional Materials

Students are provided with textbooks, library books, technology, and other instructional materials needed for learning. Students are expected to care for these materials and return them in good condition. Families may be responsible for the cost of materials that are lost or damaged beyond normal wear. Teachers may occasionally request additional classroom supplies to support student learning.

Academic Supports

Mountain View provides academic support to help students make progress and succeed. Students receive daily instruction in literacy, math, and writing, and assessment data is used to identify areas where additional support or enrichment may be needed.

Title I services also support students through additional instructional opportunities based on identified student needs in alignment with school and District goals.

Homework

Homework is designed to reinforce classroom learning, build responsibility, and encourage positive study habits. Assignments are purposeful, aligned with classroom instruction, and intended to be completed with minimal assistance.

Homework Guidelines

Grade	Homework Expectation
Kindergarten	Read together and practice sight words (up to 5 minutes daily)
Grades 1-2	Read, practice sight words, and complete math fluency activities (5-15 minutes daily)
Grades 3-4	Read for at least 20 minutes and complete math fluency activities (up to 10 minutes daily)
Grades 5	Read for at least 20 minutes and complete math fluency activities (up to 15 minutes daily)

Gifted

Humboldt Unified School District supports advanced learners through enrichment opportunities and flexible learning groups designed to meet students' academic needs.

Students in Kindergarten and 1st grade may be identified for advanced learning opportunities through academic performance and teacher recommendation. All 2nd grade students participate in universal gifted screening. Students in grades 3–5 may also be identified through gifted screening and other academic measures.

Families with questions about gifted and advanced learning opportunities are encouraged to contact their child's teacher or the school office.

Media Center / Library

Humboldt Unified School District partners with the Yavapai Library Network (YLN) to provide students with access to an expanded collection of books and library resources. Students may check out materials from their school library or request books from other participating YLN libraries. Requested items are typically delivered to the school within 1–3 business days, giving students access to a much broader collection than any single school library can offer. School library staff work with students to ensure requested materials are appropriate for their grade level and educational needs.

ARRIVAL, DISMISSAL & TRANSPORTATION

Arrival Procedures

Campus opens at 8:15 a.m. There is **no adult supervision before 8:15 a.m.** Students should remain with a parent or guardian in their car until the entry bell rings unless they are participating in a supervised before-school activity (such as tutoring, math club, or another school-sponsored program).

Morning drop-off takes place in front of the school. Please follow all traffic signs, staff directions, and the designated traffic flow.

To keep traffic moving safely and efficiently:

- The speed limit on campus is **5 mph**.
- Form **one drop-off lane** along the front curb.
- The **center lane is for exiting only.** Please do not drop students off from the center lane or in the parking lot.
- If your child needs additional time or assistance exiting the vehicle, please pull all the way forward at the curb.
- Please do not park or leave your vehicle unattended in the drop-off lane between **8:15 and 8:45 a.m.** The drop-off lane is reserved for active loading and unloading only.

Thank you for helping us provide a safe, smooth, and welcoming start to each school day.

Dismissal Procedures

Afternoon parent pick-up takes place in front of the school. Please follow the designated traffic flow and do not block driveways.

Please display your **Mountain View Elementary pick-up tag** so it is clearly visible. The number on the tag must match your student's assigned pick-up number. Drivers without a pick-up tag will be asked to provide identification before a student is released.

Thank you for your patience and cooperation as we work together to provide a safe and efficient dismissal for all students.

Student Bike/Scooter Use

Students may ride a bicycle or scooter to school with parent/guardian permission. A bike rack is available on campus for students to securely store their bicycles and scooters during the school day.

For everyone's safety, students are strongly encouraged to wear a properly fitted helmet while riding and must walk their bicycle or scooter at all times while on school property.

To help maintain a safe campus environment, e-bikes and e-scooters are not permitted on school grounds. If a student brings an e-bike or e-scooter to school, a parent or guardian will be contacted and required to remove it from campus.

Early Student Check-Out

Students may only be checked out by a parent, legal guardian, or an individual authorized in the student's records. The authorized adult must be physically present at the office before the student will be called from class or released. Students may not be checked out in advance of the parent, guardian, or authorized individual's arrival.

When checking out a student early:

- Check in at the front office and sign your student out.
- **Be prepared to present a photo ID.**

For safety reasons, plan to check students out before the last 30 minutes of the school day to minimize classroom disruptions and ensure a smooth dismissal process.

Bus Transportation

Bus transportation is a privilege and is available to eligible students in accordance with District transportation guidelines.

- **Students must be assigned to a bus route before riding the bus.**
- Requests to ride a different bus or to ride home with another student require prior approval from the Transportation Department and are subject to available seating.
- Students are expected to follow all bus safety rules and driver directions.

For all transportation related questions or to confirm your student's bus stop, please call (928) 759-5191. For complete transportation policies, bus safety expectations, and student conduct requirements, please refer to the HUSD Student Support & Expectations Guide.

Transportation Changes

To help ensure a safe and efficient dismissal, transportation changes must be communicated before the start of the school day.

Send a written note with your student to notify the school of any change in transportation. If plans change after your child arrives at school, please call the school office no later than **2:30 p.m.** (**1:30 p.m. on Wednesdays**) so staff have adequate time to communicate the change. Transportation changes requested after **2:30 p.m.** (**1:30 p.m. on Wednesdays**) cannot be guaranteed. **Students will not be released for early checkout after 2:45 p.m. (1:45 p.m. on Wednesdays)** due to student safety and dismissal procedures. If an early checkout is necessary, please arrive before 2:45 p.m. (1:45 p.m. on Wednesdays).

Students going home with another student must have written permission.

Drop-Off & Pick-Up Procedures

MOUNTAIN VIEW
ELEMENTARY SCHOOL
STUDENT DROP OFF AND PICK UP

1

ENTRANCE

Enter MVES from Loos Dr. Form two lines and merge into one lane in front of the school.

2

DROP OFF/PICK UP

Once you have passed the bus driveway you may drop your student off at any point within the designated drop-off/pick-up zone along the curb.

3

EXIT

Exit on to Loos Dr.

TRAFFIC SAFETY TIPS

- Please pull forward as space becomes available to keep traffic moving.
- If the drop-off/pick-up lane is full, continue the line onto Loos Dr without blocking intersections or driveways.
- Display your Mountain View Pick-Up Tag from your rearview mirror during afternoon dismissal.

ATTENDANCE

Regular attendance is essential to student success. Families are encouraged to schedule appointments and vacations outside of school hours whenever possible.

If your child will be absent, please notify the school office by calling the 24-hour Attendance Line at (928) 759-4702 on the day of the absence. Please include:

- Student's name
- Teacher or grade level
- Reason for the absence
- Name and relationship of the person reporting
- Whether the absence is expected to extend beyond one day

Absences should be reported within 24 hours to be considered for excusal.

Attendance Support
When attendance concerns arise, Mountain View partners with families to improve student attendance. Families may receive attendance notifications through ParentVUE or be contacted by school staff to discuss support strategies.

For complete information regarding attendance requirements, excused and unexcused absences, chronic absenteeism, truancy, and District attendance procedures, please refer to the HUSD Student Support & Expectations Guide.

Make-Up Work Due to Absences

Students absent from school will be given one day for every day **of** absence to make up work missed. Check with your child's classroom teacher. If a child is absent for two or more days, please arrange to pick up the child's assignments after school by calling the school office in the morning. When absences for extended periods of time can be foreseen, parents should notify the school office at least 24 hours in advance so that the teacher will be able to gather materials and assignments that will be needed. Please keep in mind that direct instruction cannot be replaced by a worksheet, so regular attendance is important except in times of illness. Students assigned to on- campus suspension will be required to make up for all work missed.

STUDENT EXPECTATIONS

At Mountain View Elementary, we believe students learn best in a safe, caring, and respectful environment. We teach and reinforce positive behaviors through our schoolwide expectations.

Dress for Success

Students should wear clothing and footwear that is safe, comfortable, and appropriate for learning and outdoor activities.

- Clothing that is disruptive, unsafe, or displays inappropriate language, images, or messages is not permitted.
- Tight fitting clothing is not permitted. Shorts and skirts must be at least the length of finger tips when arms are extended at the side.
- No hats worn inside the building.
- Pajama shirts and pants, including lounge pants, are not permitted unless it is a school sponsored spirit day.

The administration reserves the right to determine whether attire is appropriate for school. Students who do not meet the dress code expectations will be asked to contact a parent or guardian to arrange for appropriate clothing to be brought to school. Students may be required to remain in the office or another designated area until appropriate attire is available.

Personal Electronic Devices

To support student learning and minimize distractions, personal electronic devices—including cell phones, smart watches, earbuds, and gaming devices—**must remain turned off and stored in backpacks during the school day** unless authorized by a staff member for instructional purposes.

Students may use personal devices only after they have left campus at the end of the school day.

Devices used during the school day without permission may be confiscated and returned in accordance with school procedures.

Emergency Safety Drills

The safety of our students and staff is our highest priority. Throughout the school year, Mountain View Elementary School conducts Avoid, Deny, Defend (ADD) drills as part of our comprehensive school safety program.

These drills are designed to help students think critically and make the safest possible decisions during an emergency. While students should always follow the directions of school staff, emergencies can be unpredictable. The ADD model teaches students age-appropriate decision-making skills so they are prepared to respond appropriately if they are ever separated from an adult during a crisis.

During all safety drills, students are expected to:

- Follow staff directions immediately.

- Remain quiet and attentive.
- Stay with their assigned class unless directed otherwise.
- Treat every drill seriously.

Recess & Playground Expectations

Recess is an important part of the school day. Students are expected to:

Follow adult directions.
Use playground equipment safely and appropriately.
Keep hands, feet, and objects to themselves.
Include others and demonstrate good sportsmanship.
Stay within designated playground areas.
Help care for school equipment and facilities.

Students who misuse equipment or do not follow playground expectations may temporarily lose playground privileges.

Student Support & Discipline

At Mountain View, we believe that learning and behavior go hand in hand. Our goal is to teach, reinforce, and support positive behaviors while helping students learn from mistakes and make responsible choices.

When behavior concerns arise, school staff work with students and families to provide appropriate support and interventions. Depending on the situation, responses may include restorative conversations, parent communication, loss of privileges, after-school detention, in-school suspension, or other disciplinary actions consistent with District policy.

Families will be notified when disciplinary action beyond the classroom is necessary. Parents and guardians are responsible for transportation following after-school detention.

For complete information regarding student conduct, discipline procedures, student rights, and consequences, please refer to the HUSD Student Support & Expectations Guide.

Personal Property & Lost and Found

Students should bring only items needed for learning. Toys, sports equipment, personal electronics, and other valuables should be left at home. Items that are unsafe or not appropriate for school, including pocket knives or other prohibited items, are not permitted on campus.

The school is not responsible for lost, stolen, or damaged personal belongings.

Lost and found items, including clothing, lunch containers, and backpacks, are located near the cafeteria. Smaller valuables are kept in the front office. Unclaimed items are donated periodically throughout the school year.

COMMUNICATION

We encourage families to stay connected throughout the school year using our primary communication tools.

ParentVUE

ParentVUE is the primary tool for families to monitor their child's academic progress and school information. Parents and guardians can access grades, attendance, assignments, schedules, report cards, teacher communication, and other important student information anytime through the ParentVUE website or mobile app.

Families are encouraged to check ParentVUE regularly to stay informed and support their child's success. If you need assistance accessing your ParentVUE account, please contact the school office.

Classroom Communication

Families may also receive important updates through email, class dojo, phone calls, newsletters, and other District communication systems. Please keep your contact information current in ParentVUE to ensure you receive timely notifications.

Parent Conferences

Parent-teacher conferences are held each year in September and February to discuss student progress, celebrate successes, and identify goals for continued growth.

Families are encouraged to participate in these conferences and maintain regular communication with their child's teacher throughout the school year. Additional conferences may be scheduled at any time by contacting your child's teacher.

Website & Social Media

Visit the Mountain View Elementary website for school news, calendars, staff information, forms, and important announcements. Follow Mountain View Elementary on social media for school highlights, student celebrations, upcoming events, and reminders.

Student Photos & Media

Throughout the school year, students may be photographed or videotaped during classroom activities, school events, and special programs. These images may be used in school communications, including newsletters, the school website, social media, and other District publications.

Families who do not wish for their child's image to be used should notify the school in writing. For complete information regarding student privacy and directory information, please refer to the HUSD Student Support & Expectations Guide.

VISITORS & VOLUNTEERS

Campus Expectations

We welcome families and community members to Mountain View Elementary School. To help maintain a safe and secure learning environment, all visitors are expected to:

- Enter through the main office.
- Present a valid photo ID and sign in upon arrival.
- Wear a visitor badge while on campus.
- Sign out and return the visitor badge before leaving.

To protect the privacy of all students and maintain an effective learning environment, classroom visits must be scheduled at least 24 hours in advance and may be limited in duration or scope.

For information regarding student records and privacy rights, please refer to the HUSD Student Support & Expectations Guide.

To minimize disruptions to learning, students may not bring relatives, friends, or other guests to school during the instructional day.

Volunteer Opportunities

We love our volunteers! Families and community members play an important role in supporting students, staff, and school events.

Volunteer opportunities may include:

- Classroom support
- School events and activities
- Preparing classroom materials
- Guest presentations
- Field trips
- Tutoring or mentoring

Volunteer requirements vary depending on the type of activity:

- Parents or guardians of currently enrolled Mountain View students may volunteer under the direct supervision of a certified staff member without fingerprint clearance.
- Fingerprint clearance is required for volunteers who work one-on-one with students, supervise students without direct staff supervision, attend field trips, or are not the parent or guardian of a currently enrolled Mountain View student.

Families and community members interested in volunteering should contact the Mountain View front office for current volunteer requirements and next steps.

Refer to the HUSD Student Support & Expectations Guide for complete district policies and procedures.

HEALTH SERVICES

Refer to the HUSD Student Support & Expectations Guide located at the end of this for complete district policies and procedures.

School Nurse

The health and well-being of our students is a priority at Mountain View Elementary. Our school nurse works with families and staff to support student health, respond to illnesses and injuries during the school day, administer medications in accordance with District procedures, and assist with health-related concerns.

Please notify the school nurse of any significant health conditions, allergies, or changes to your child's medical information. Keeping emergency contact information current helps us provide timely care when needed.

Medication at School

Whenever possible, medications should be given at home. When medication must be administered during the school day, parents or guardians must deliver the medication to the Health Office in its original, properly labeled container and complete the required District authorization forms.

Students may carry certain emergency medications, such as inhalers or epinephrine auto-injectors, when authorized by their healthcare provider and the school.

When Students Become Ill at School

If a student becomes ill or is injured during the school day, they will be evaluated by the school nurse or trained school staff. If it is determined that a student should go home, a parent, guardian, or emergency contact will be notified.

Please do not send your child to school if they have a fever, are vomiting, or have symptoms of a contagious illness. Students should remain home until they meet the District's return-to-school guidelines outlined in the HUSD Student Support & Expectations Guide.

Immunization Records

Arizona law requires students to meet all immunization requirements for school attendance. For complete information regarding immunization requirements, exemptions, and enrollment, please refer to the HUSD Student Support & Expectations Guide.

If your child receives additional immunizations during the school year, please provide an updated copy of the immunization record to the school nurse as soon as possible.

Student Accident Insurance

The District does not provide medical insurance for student injuries. Parents and guardians are responsible for any medical expenses resulting from accidents or injuries.

MEALS

Mountain View Elementary is committed to supporting the health and well-being of every student. As part of the Community Eligibility Provision (CEP), **all students receive breakfast and lunch at no cost each school day, regardless of household income.** We encourage healthy food choices that help students learn, grow, and thrive.

To help maintain a safe and healthy learning environment:

- Snacks and lunches brought from home should be individually portioned and not shared with other students.
- Families are encouraged to send nutritious snack and lunch options. Carbonated soft drinks, candy, and other foods of minimal nutritional value should remain at home.
- If families would like to provide birthday treats or other classroom celebration items, they should coordinate with their child's teacher in advance. Any food items brought for the class should be individually wrapped, store bought, and meet school and state guidelines. Non-food items are also encouraged.

To minimize interruptions to instruction, any lunches, snacks, birthday treats, or other items delivered for students must be brought to the front office. Office staff will ensure items are delivered to classrooms at an appropriate time.

Breakfast: 8:35 a.m. to 8:50 a.m. daily in the classroom (free for all students)
Lunch: Please check with your child's teacher for their specific lunch time.

Classroom Celebrations and Food Items

To support student health and comply with Arizona law, classroom celebrations involving food must follow the Arizona Healthy Schools Act (A.R.S. § 15-242.01) and District guidelines. Foods and beverages provided or served during the school day must meet applicable state and federal nutrition requirements. Families wishing to celebrate a special occasion are encouraged to contact their child's teacher for approved celebration options, which may include non-food activities or compliant food items. **Cupcakes or other treats that include dyes are not allowed.**

For questions regarding school meals or meal accounts, please contact the District Food & Nutrition Services Department at (928) 759-5013 or visit the HUSD website.

STUDENT ACTIVITIES

Specials

At Mountain View Elementary, learning extends beyond the classroom! Each week, students participate in engaging classes that encourage creativity, exploration, and hands-on learning.

Students enjoy **Physical Education, Music, STEAM, and Library,** where they develop new skills, discover interests, and connect learning to the world around them.

Clubs

Mountain View offers a variety of clubs, activities, and enrichment opportunities throughout the school year. Programs are designed to encourage leadership, creativity, teamwork, and exploration beyond the classroom.

Club offerings vary from year to year based on student interest and staff availability. Information about current opportunities, eligibility, and registration will be shared with families as they become available.

Student Leadership

Student Council

Provides students in 4th and 5th grade with opportunities to develop leadership skills, serve their school community, and represent their classmates. Throughout the year, Student Council members plan service projects, organize school activities, and lead fundraising efforts that support student programs and enhance the Mountain View school community.

Intramural Sports

Mountain View offers a variety of co-ed intramural sports for 4th and 5th graders throughout the school year, including:

- 1st Quarter: Soccer
- 2nd Quarter: Basketball
- 3rd Quarter: Volleyball
- 4th Quarter: Track

Humboldt Unified School District has approved a participation fee for elementary athletics and activities. The participation fee is **$70.00 per sport/activity**. Students who qualify for the Free and Reduced Lunch Program may participate with a reduced fee of **$35.00 per sport/activity**. Participation fees qualify for the Arizona State Tax Credit for Education (ARS 43-1089). Families should refer to the Athletic Clearance Packet for additional information regarding payment options and requirements.

Participation in intramural sports is a privilege and an opportunity for students to represent their school, teammates, coaches, and families. Students are expected to demonstrate expectations by practicing safety, acting responsibly, working together, and showing respect during practices, competitions, and all athletic activities.

All student-athletes and families must complete the required **Humboldt Unified School District Athletic Clearance Packet** prior to participation. The packet includes required permission forms, emergency information, insurance acknowledgment, academic athletic expectations,

student/parent/coach commitment agreements, uniform responsibilities, and applicable participation fees.

Student-athletes are expected to:

- Maintain passing grades and demonstrate effort toward academic success.
- Demonstrate positive citizenship and follow HUSD Student Discipline expectations.
- Show respect, responsibility, teamwork, and sportsmanship toward teammates, coaches, officials, opponents, and spectators.
- Positively represent Mountain View Elementary School at all athletic events.

Participation eligibility and expectations will follow the guidelines established by Humboldt Unified School District and outlined in the Athletic Clearance Packet. **Students and/or siblings are not permitted to stay after school for any activity (including practice times, games, events, etc.) unless they are participating.**

Parents/guardians are responsible for providing transportation to and from practices, competitions, and athletic events held off campus. Families are encouraged to support students by promoting positive sportsmanship, teamwork, and a positive experience for all participants.

FAMILY ENGAGEMENT

At Mountain View Elementary, we believe that strong partnerships between families and school staff help students thrive. We encourage families to stay actively engaged in their child's education by:

- Communicating regularly with teachers.
- Ensuring students attend school consistently and arrive on time.
- Supporting learning at home by providing a consistent time and place for reading or math practice.
- Participating in school events and family engagement activities.
- Volunteering at school when opportunities are available.
- Joining the Parent Teacher Organization (PTO) or School Improvement Team for Elementary (S.I.T.E.) Council.

Throughout the school year, Mountain View offers a variety of family events designed to celebrate student learning, build relationships, and strengthen our school community. Whether attending a performance, curriculum night, PTO event, family engagement activity, or school celebration, we encourage all families to participate whenever possible.

Information about upcoming events will be shared through ParentVUE, the school website, social media, and other school communications.

Parent-Teacher Organization (PTO)

The Mountain View PTO is a dedicated group of parents, guardians, staff, and community members who support our students through volunteerism, fundraising, and school events. PTO-sponsored activities help strengthen our school community and provide additional opportunities and resources that enhance the student experience.

Families are encouraged to attend PTO meetings, volunteer at events, and become involved throughout the school year. For more information, please contact the front office.

School Improvement Team for Elementary (S.I.T.E.) Council

The S.I.T.E. Council is a collaborative advisory group made up of parents, staff, and community members who work together to support continuous school improvement. Council members review school goals, discuss student achievement, and provide input on initiatives that strengthen teaching, learning, and the overall school environment.

Families interested in serving on the S.I.T.E. Council are encouraged to contact the school office for additional information.

OUR COMMITMENT TO FAMILIES

At Mountain View Elementary, we are committed to creating a safe, welcoming, and engaging learning environment where every student feels valued, supported, and inspired to succeed. We strive to foster a culture of respect, responsibility, curiosity, and kindness while providing meaningful learning experiences that help every student reach their full potential.

We know that student success is strongest when schools and families work together. Through positive partnerships, open communication, and a shared commitment to learning, we can help every child grow academically, socially, and emotionally.

Thank you for partnering with us. We are excited for a wonderful year of learning, growth, and celebrating what it means to be a Mountain View Polar Bear!
