PARKING PERMITS

All students who park in a student lot at CHS are **required** to purchase and display a parking permit in their vehicle at all times.

Permits are available for purchase on mypaymentsplus.com . Select “CHS – Parking Permit” and complete complementary forms. No cash or check will be accepted in the office for the purchase of a parking permit.

Once purchased online (please allow 24hrs for processing before pick up), students can pick up their permit in the main office **beginning the week of August 13th through August 19th** .

Note: If you purchase a permit and do not pick it up by August 19th, the next available time to pick up your permit will be on August 24st. The first two days of the year are incredibly busy fielding students' questions regarding their class schedules, directions, bell schedule, etc. Therefore, we reserve the first two days to serve these needs of the students and will resume parking permit requests on the 3rd day of school. We then request that students have their permit on display no later than August 31st to avoid ticketing.

The parking lots will be monitored by a CHS security staff member who will have the authority to issue tickets for cars in violation of the parking rules as outlined on the registration form. Fees for violations are to be paid in the Main Office. Continued and habitual parking violations can result in loss of parking privileges and/or the car being towed off school property.

CLASS FEES

Some classes have fees for supply kits and uniforms and vary in cost. These exist in various classes in Art, Music, Family and Consumer Science and PE and are listed in the [course registration guide](#). If the course has one, these will be paid on mypaymentsplus.com

We encourage you to wait for information and direction from your teacher before you submit fees. This will help insure the correct class and items are purchased when paying the fee on mypaymentsplus.

SCHOOL ISSUED CHROMEBOOKS

BPS issues a Chromebook to all students in grades 9–12. The device a student receives in grade 9 will be the device they will continue to use throughout their time at Century. Just like all school issued resources, students are responsible for proper care and maintenance of this device.

The details of the usage agreement for Chromebooks can be found on the [BPS website](#). Students and parents can also reference [these tips](#) regarding care and maintenance of their Chromebook.

BPS students are allowed to bring their own device to use for instructional purposes as long as they meet the minimum performance of the Chromebook. Do know that several assessment platforms require a secure browser so students will receive a Chromebook to be able to access the assessment portals.

To help make sure all Chromebooks are running correctly for the first day of school, we ask that all students charge their Chromebooks and check for any updates that may need to be run.

To check for updates:

- click the time in the bottom right corner
- select Settings
- choose About Chrome OS
- finally, click “Check for updates”

If an update is available, it will download and install automatically. You’ll need to restart your Chromebook to finish the update.

If you have any problems or questions, check with technology in the library on the first day of school.

SCHOOL LOCKERS

Century High School does not issue lockers to all students. Rather, we issue lockers for those who desire to have one on a first come first served basis.

If you want a locker, please stop in the office during normal office hours to receive a number and combination. Do not stress that you won’t get a locker if you want one. We have never had more requests than we have lockers and don’t anticipate that will change in the future.
