INFINITE CAMPUS AND PORTAL

On June 30, our previous student information system, PowerSchool, was retired across North Dakota. Since early June, a data migration company has been working in our state to transfer student information from PowerSchool into our new system, Infinite Campus. The Infinite Campus Parent and Student Portal officially opened for Bismarck Public Schools on July 29.

Overall, the migration has gone very well. We have successfully validated student records, including historical grades, transcripts, and GPA information. The primary challenge has been the difference in how the two systems organize household and contact information. While addresses and contact records transferred successfully, some family relationships may not display exactly as they did in PowerSchool.

For example, a grandparent who was listed as an emergency contact or an approved pickup person in PowerSchool may now appear as part of the primary household in Infinite Campus. The contact information itself is still present, but the way it is organized may look different.

As you set up your Infinite Campus Portal account, we encourage you to carefully review your household information, addresses, phone numbers, email addresses, and emergency contacts. If you notice information that can be updated within the portal, please make those changes. If you find something that is incorrect but cannot be edited, please contact our office. We are happy to help ensure your family's information is accurate.

ACCESSING THE INFINITE CAMPUS PORTAL

Infinite Campus offers two portal options: Campus Parent for parents/guardians and Campus Student for students. Both portals provide access to the same student information, including schedules, attendance, grades, and other important school information.

The primary difference is how users sign in. Campus Parent accounts must be created and linked to a parent or guardian's email address. Campus Student accounts use the district's single sign-on system, allowing students to access the portal using the same username and password they use for other school applications.

PARENT ACCOUNT ACCESS

Use your personal e-mail (full address) that was previously on record in Powerschool, then click **Forgot Password**. If that address validates in Infinite Campus, you will receive an e-mail with further instructions to continue setting up the account. If you do not receive a validation e-mail, contact our office and we can make sure the e-mail address is connected to you and build the necessary link to continue setting up your account. We have found this to be a much simpler/faster solution than using the 'New User?' option.

Support Contact: 323-4900

STUDENT ACCOUNT ACCESS

Your account uses the same single sign-on credentials you use to access all other Bismarck Public Schools applications. Simply select the BPS Student Sign In button and disregard the other sign-in options.
