CENTURY HIGH SCHOOL NEWSLETTER

On behalf of our entire Century High School staff, welcome to the 2026-2027 school year! We hope you had an opportunity to relax, recharge, and enjoy time with family and friends. We are excited to welcome both returning and new students as we begin another year filled with opportunities for learning, growth, and success.

This year also marks an important transition as the State of North Dakota moves to a new student information system, Infinite Campus. As with any new system, there will be a learning curve for both families and staff. While you can already access schedules and basic student information, many of the portal's features will become available as the school year progresses. Once classes begin and teachers start entering attendance, assignments, and grades, families will see additional information populate within the portal, along with expanded tools designed to help you stay connected to your student's progress.

We encourage all families to take time to activate their Infinite Campus account and become familiar with the portal. Throughout the year, it will become your primary source for monitoring attendance, grades, schedules, and other important student information.

Thank you for your patience and partnership as we make this transition together. We look forward to an outstanding school year and appreciate your continued support in helping every Patriot achieve success.

Welcome back, and here's to a great year at Century High School!

AUGUST 20TH – FIRST DAY OF SCHOOL

Students will attend a full day of classes on *Thursday, August 20, 2026* and are to report to their first period class. Students can find their up to date schedule in the Infinite Campus Portal.

Students who have an EB or first period class at the Career and Tech Center Campus(BSC), Silver Ranch, or Hughes will attend class at those locations. Busing is available for these commutes if students do not drive or you would prefer they do not drive. Specific bus schedules will be delivered in a separate communication.
