

CIRCLE OF MERCY MOMENTS

MOTHER OF MERCY | MERCY McAULEY | McAULEY

Dear Alumnae,

It is hard to believe that summer break is coming to a close, but there is so much to look forward to! A new school year brings fresh beginnings and new opportunities for our students to continue growing as Women of Mercy. We are counting down the days until our halls are once again filled with smiling faces and the excitement of a new school year.

In Mercy,

ALUMNAE SPOTLIGHT

A love for running and her hometown gave **ABBY SEWELL, MERCY MCAULEY '25**, the opportunity to run cross country and track at the University of Cincinnati. Abby is a lifelong westsider who attended St. Ignatius before attending Mercy McAuley. In her time at Mercy McAuley, she was very involved, from

performing in the school musicals to suiting up for her cross-country races and track meets. Abby had an outstanding first year at the University of Cincinnati. She received the 2025 XC All-Great Lakes Region Award, and she qualified for the 2025 U20 World XC Championship!

Cross country and track & field have given Abby a new perspective on life, teaching her how to appreciate each moment and embrace the process. Abby understands that success never comes right away, which allows her to put her best foot forward each day and give it her all in everything she does.

While Abby attributes her running success to her time at Mercy McAuley, she continues to say the same from an academic standpoint. Being challenged in the classroom at Mercy McAuley set her up for success in her first year of college. Abby will start her second year in the Lindner College of Business this fall. As a marketing major, she continues to explore a variety of career paths. She is especially drawn to social media because it allows her to combine her creativity with her passion for marketing.
