

Board of Education Policy

POSTING OR DISTRIBUTING FLYERS

Posting or distributing flyers is prohibited within schools or on school grounds unless such items are deemed, by the administration, to be of benefit to a student organization or the general student body and same is permitted by law.

Permission will be granted to individuals or organizations on a case-by-case basis at the discretion of the Superintendent.

Individuals or organizations granted permission to distribute said information must comply with regulations developed by the district.
