Dear Class of 2030,

Welcome to Thornton Academy! We are excited to welcome you to our community and begin this incredible journey with you.

As your school counselors, we are here to support you every step of the way. Whether you need help with your classes, adjusting to high school, setting goals for the future, or navigating personal challenges, our team is here to provide guidance, encouragement, and resources to help you succeed.

Over the next four years, we'll work together to help you make the most of your Thornton Academy experience. High school is a time to explore new interests, build meaningful relationships, discover your strengths, and prepare for life after graduation. No matter where your path leads, we're here to help you reach your goals.

Please don't hesitate to stop by our office, give us a call, or send us an email. We want you to know that you always have a place to ask questions, seek advice, or simply check in. We look forward to getting to know each of you and supporting you throughout your high school journey.

Welcome to Thornton Academy, we can't wait to see all that you'll accomplish!
