Dear Parent/Guardian:

We are excited to announce that ALL students enrolled in the Wilson Elementary School District will continue to receive free breakfast and lunch for the 2026-2027 school year!

We are committed to providing every Wilson student with the tools they need to succeed in school, which include nutritious meals that our students can enjoy. We will begin our 2nd year of participation in USDA's Community Eligibility Provision (CEP), which provides free meals to all students with no application required from our families.

While families no longer need to complete the financial application form, we are asking each family to complete a simplified Alternative Income Form. The data collected will help to ensure Wilson School continues to receive state and federal funding for other beneficial programs.

You can help us ensure CEP remains successful by having your child(ren) participate in school breakfast and lunch every school day. High student participation rates provide more funding that allows us to purchase more fresh and nutritious foods while securing the financial stability of this program. Participating in school breakfast and lunch also provides access to healthy meals for your child(ren) at school so they can do their best academically while saving you valuable time and money at home.

If you have other questions, need help or have special dietary accommodation to discuss, please contact our department by calling;

Yvette Lowe (602) 683-2411 yloew@wsd7.org or Candice Whitbeck (602) 683-2511 cwhitbeck@wsd7.org

Sincerely,

Yvette Lowe
Food Service Clerk
