This report offers figures and tables that summarize ratings made by staff, teachers and youth on the Survey of Academic and Youth Outcomes (SAYO). The report focuses on changes in mean ratings between the Pre-SAYO, administered in Fall 2025, and the Post-SAYO, administered in Spring 2026.

This report is based on Enrollment data and SAYO data. Some of the below analyses are only possible when SASIDs in the Enrollment data file (which includes demographics) match those in the SAYO data file. The table on the right shows information about SASIDs submitted for your program, including how many match across both data sources.
