WARDLAW+HARTRIDGE

Transportation, Parking & Traffic Flow

2026-2027

Traffic Flow for ALL THREE DIVISIONS

- Entrance and exiting campus are one way in both lanes.
- Stay in the left lane to turn in front of the school
- The left lane in front of the school is for moving traffic
- ***NEVER STOP*** in the left lane and proceed slowly.
- The speed limit is ***FIVE miles per hour.***
- Stay in the right lane to drive into the rear parking lot.
- The right lane in front of the Lower School is for Morning Drop Off and Afternoon Pick Up.
- The right bus lane is reserved for buses from 7:40 AM until 8:00 AM and from 3:00 PM until 3:20 PM.
- DO NOT leave your vehicle while you are in the right lane.
- Students are only permitted to exit vehicles from the **passenger side** to ensure safety.
- Use the dotted line by the Hellerson Sculpture as a pause line to avoid blocking the exit from the rear parking lot.
- There is no stopping or standing in the bus lane.
- Middle and Upper School students need to use the entrance on the side of the building designated for their divisions only.
- Parking spaces (including Visitor) are encouraged for short-term waiting, and if you need to enter the building.
- Never leave your car unless you are in a parking space.
- Disabled Parking & Other Reserved Parking Spaces are for the exclusive use of those designated to use them at all times, including all events and Summer Camp.
- The Americans with Disabilities Act mandates specific guidelines for Disabled Parking Spaces.
- They are not ***to be used for Admission Office visits*** or other events being held on campus.
- There are two Admission Office parking spots located next to the Disabled Parking Spots.
- These guidelines only allow those drivers who have a specially marked license plate or a hanging placard to stop, idle, or park in said spaces without a placard or license plate is in violation of the law.
- There are additional reserved parking spaces, which we ask all those in our community to respect as a matter of courtesy to those for which they are intended.
- Along the north side of the Berry Performing Arts Center, there are reserved Parent Parking Spaces.
- These spaces are intended for the use of parents needing to drop off or pick up a child after regular drop-off and pick up hours. Please refrain from parking in these spots for longer than an hour.

At Wardlaw+Hartridge, we believe the issue of school safety and responsibility is a shared concern.

It is essential that we all work together to develop an environment where the safe operation and lawful parking of vehicles at school is a priority.
