A welcome from Ms. Schomaker

Dear Rebel Nation,

Welcome to the 2026-2027 school year! I am excited to officially begin my role as Principal of TCHS! Yesterday, the faculty and staff gathered together for our welcome back Liturgy and time of reflection. We heard a timely and poignant homily from Father White and participated in an exercise which allowed us to determine our individual core values. I discovered my core value is "Growth," which will certainly help me to embrace the Campus Ministry theme for the year, "Seek." Seeking and growing are both actions which require deliberate choices, regardless of the discipline. More importantly, they are not tied to youth, and should be embraced in all stages of life.

As we start this new school year, I encourage you (and remind myself) to "Seek" Jesus in all we do - learning, competing, planning, and celebrating. The fruits of Seeking Him are the blessings that enrich our lives and allow us to grow, both individually and as a school community.

We are grateful for your partnership and look forward to welcoming your family back to campus. Together we will make this a year of growth, faith, learning and lasting memories.

Ms. Schomaker, Principal

GET YOUR LIBRARY CARDS AT BACK-TO-SCHOOL NIGHT!

Two teen librarians will be in the TCHS library on August 11, 2026, during Back-To-School night. In order to get non-children's books from the library, any student under 18 has to have a parent sign them up for an unrestricted card, which allows them so much more access to required reading books, all of the publicly-funded research databases, museum passes, and many many books for their research projects and papers. If you'd like to see all the amazing things the library card can get for your family, **check this link out!** You can get a card for any kid in your family. Email Mrs. Ledet at clede@tchs.net with any questions.
