4 and Beyond

Student Discipline Referral (C10)

- Possible consequences include: Lunch detention, After School Detention, Parent Conference, Time in Reset Center , Saturday School
- Students identified as Skipping or Hall Walking (excessively late on a frequent basis) will be “pulled over” and sent to C-10 for assigned discipline or referral
- Students with extremely excessive tardies, or absences, will be detained on the spot and referred to C-10 for immediate processing. Students that have repeated referrals for skipping or excessive tardies will be processed as a possible “persistent misconduct”, as defined by the Dallas ISD Student Code of Conduct for that school year.

Dallas ISD Schools - Device-Free Zones

All public schools in Texas — including those in Dallas ISD — must comply with House Bill 1481, a new state law that prohibits students from using personal communication devices during the school day.

This means students will not be allowed to use or display devices such as cell phones, smartwatches, tablets, laptops, airpods or smart glasses at any time during the instructional day. Dallas ISD will begin enforcing this law on the first day of school, August 12, to support consistency and readiness across campuses.

Each campus will have a plan for how devices should be stored based on the campus type outlined below:

At the elementary level, teachers will collect cellular devices in the homeroom stored in a secure location until the end of the day.

At the secondary level, campuses will use cell phone pouches to store devices. At the end of the school day, students will have access to a magnetic device which unlocks the pouch for students for retrieval.

Campuses without pouches for the first couple of days of school will have a plan to secure devices in backpacks until the pouches are received.

What devices are included in the ban?

Any device capable of telecommunication or digital communication, is prohibited during the school day, which includes:

- Cell phones
- Smartwatches
- Tablets
- Laptops
- AirPods/ in ear buds/ overhead earphones
- Smart glasses

Are there exceptions for instructional use?

HB 1481 prohibits student use of personal devices even if a teacher would normally allow them for class. Schools will provide district-approved technology when digital access is necessary. Students who require a cellular device through an Individualized Education Plan (IEP) or as granted by Section 504 of the Rehabilitation Act may receive an exception.

What if a student needs to contact a parent during the day?

Students may use the school's front office phone or request assistance from a staff member in case of an emergency or urgent need.

Can students use their device before or after school hours?

Yes. Students may use personal devices before the first bell and after dismissal, unless otherwise restricted by campus policy.

What happens if a student is caught using a device? Will the student's device be confiscated?

Yes. Personal devices used in violation of the policy will be confiscated and securely stored at the campus. Device confiscation is a Level II offense, which can result in Disciplinary Alternative Education Placement (DAEP) after the 2nd offense. For schools with Reset Centers, students will be placed in Reset for the 1st offense. Below are infraction levels, per offense, as outlined in the Student Code of Conduct.

- 1st Offense: Parent/guardian may pick up device without fee
- 2nd Offense: Parent/guardian may pick up device and pay \$5 administrative fee
- 3rd Offense: Parent/guardian may pick up the device and pay \$10 administrative fee
- Additional Offenses: Parent/guardian may pick up the device and pay \$15 administrative fee

Unclaimed devices after Sept. 1 of the following school year will be disposed of, per policy FNCE(LEGAL).
