WELCOME TO AFJROTC

Welcome and congratulations on your decision to enroll in the Air Force Junior Reserve Officer Training Corps (AFJROTC), Aerospace Science Choice Program!

Two retired U.S. Air Force personnel direct this AFJROTC unit, the Senior Aerospace Science Instructor (SASI) and one Aerospace Science Instructors (ASI). The instructors maintain Air Force standards and are trained through the AFJROTC Academic Instructor Course at Maxwell AFB, Alabama. Each instructor has extensive professional military education and training, experience in teaching, and training others.

Our AFJROTC curriculum includes aerospace science, leadership education and training, and wellness. Cadets learn leadership and management skills through a professionally designed curriculum and a variety of important tasks such as organizing and directing the Cadet Group.

The standards in this Instruction support the leadership and personal development objectives of the AFJROTC program, and if taken in the spirit that it is intended, will provide the foundation for a pleasant and productive educational experience. It contains policy guidance, requirements, and rules of conduct for you, an AFJROTC cadet at DeLand High School. We recommend you study and know this Instruction thoroughly. You will be held responsible for its contents during daily activities and on examinations (i.e. uniform inspection).

The Guide concerns classroom and academic procedures, as well as policies of the Cadet Group. It is also informative for principals, counselors, teachers, and parents alike.

We wish you great success and personal satisfaction as a member of our elite FL-023 AFJROTC Cadet Group at DeLand High School – **Go Bulldogs!**

CHAPTER 1: HISTORY, MISSION & OBJECTIVES

HISTORY

AIR FORCE JUNIOR ROTC WAS FOUNDED UNDER PUBLIC LAW 88-647, CALLED “THE REVITALIZATION ACT OF 1964.” THE FIRST AFJROTC UNITS BEGAN OPERATION IN 1966 AT JUST 20 HIGH SCHOOLS. TODAY THERE ARE OVER 870 AFJROTC UNITS AT HIGH SCHOOLS IN THE UNITED STATES AND AT MILITARY BASES AROUND THE WORLD. IN 1967, FL-023 AIR FORCE JUNIOR ROTC PROGRAM WAS ESTABLISHED HERE AT DeLAND HIGH SCHOOL BY AN AGREEMENT BETWEEN THE VOLUSIA COUNTY SCHOOL BOARD AND THE UNITED STATES AIR FORCE. OUR UNIT IS ONE OF THE OLDEST IN THE COUNTRY.

MISSION STATEMENT

THE MISSION OF AFJROTC IS TO DEVELOP CITIZENS OF CHARACTER.

UNITED STATES AIR FORCE CORE VALUES

1. **Integrity First:** Integrity is the willingness to **do what is right, even when no one is looking**. It is the “moral compass” – our inner voice; the voice of self-control and the basis for the trust imperative in today’s military.

Cadets reflect this pride and professionalism through weekly appearance in uniform and by exemplifying the AFJROTC program expectations through daily conduct.

2. **Service Before Self:** Service refers to the mindset where **professional duties take precedence over personal desires**. It includes the following behaviors:
 - Following Rules
 - Respect for Others
 - Discipline and Self-Control
 - Faith in the System

The cadets demonstrate “service before self” through active participation in all school and community support activities, as well as community service-learning projects

3. **Excellence in All We Do:** *Excellence* directs us to **develop a sustained passion for continuous improvement and innovation**. It’s not about mediocrity; it’s all about doing your best.

Cadets demonstrate excellence through their compliance with all Florida School District, school and unit conduct policies, academic performance, recruiting of new cadets and retention of existing cadets, while assisting in the success of unit program goals.

CHAPTER 2: SYLLABUS

ACADEMIC YEAR 2025-2026 SYLLABUS

AFJROTC CONSISTS OF THREE COMPONENTS:

AFJROTC consists of Aerospace Science, Leadership Education, and Wellness/Physical Fitness. The Aerospace Science portion is a customized course about space and the human exploration. It was specifically created for the US Air Force Junior ROTC program and includes the latest information available in science and exploration. Leadership Education introduces the student to the Air Force Junior Reserve Officer Training Corps (AFJROTC) program, while instilling elements of good citizenship, develops informed citizens; strengthens and develops character; develops study habits and time management; wear of the Air Force uniform, and Air Force customs and courtesies. Additionally, cadets will be taught the fundamentals of Drill and Ceremonies. This portion of the course concentrates on the elements of military drill, and describes individual and group precision movements, procedures for saluting, drill, ceremonies, reviews, parades, and development of the command voice. Students are provided detailed instruction on ceremonial performances and protocol for civilian and military events and have the opportunity to personally learn drill. Most of the work is to be hands-on. The Wellness/Physical Fitness portion will incorporate the Cadet Health and Wellness Program (CHWP). The CHWP is an exercise program focused upon individual base line improvements with the goal of achieving a Presidential Physical Fitness standard calculated by age and gender. The goal of the CHWP is to motivate JROTC cadets to lead active, healthy lifestyles beyond program requirements and into their adult lives. Cadets will be given the opportunity to put into practice the wellness concepts that are taught in Leadership Education.

Students will wear the Air Force JROTC uniform weekly (usually on Wednesdays) and participate in the organized physical fitness training sessions (usually on Fridays).

GRADING SYSTEM

A variety of grading opportunities will be used to determine the cadet's classroom grade.

Overall Grades will be weighted through the following calculation

- **Formative Grades each week (40%):**
 - Uniform wear compliance 100 pts (weekly)
 - Once a month an unannounced 200 pt weekly inspection
 - Mandatory Parades 300 pts (per parade)
 - Mandatory Headquarters Unit Evaluation 300 pts (once per year)
 - Mandatory Change of Command Ceremony 300 pts (once per year)
- **Summative Grades each week (60%):**
 - Academic Work/Exams in AS & LE or equivalent projects 100 - 300 pts (Weekly Grade)
 - Physical Training 100 pts (Weekly Grade) (50pts dress out, 50 pts participate)
 - Drill Exam 300pts (At least 1 per year, possibly per Semester)

Grades for progress reports and report cards are as follows:

- **A = 90% to 100%**
- **B = 80% to 89%**
- **C = 70% to 79%**
- **D = 60% to 69%**
- **F = Below 60%**

It is the responsibility of the cadet (student) to communicate with cadet leaders and their instructors during any absences. If a cadet knows he/she will be absent in advance, especially on Uniform Day, they should make every effort to wear the uniform prior to the absence.

DEAL BREAKER POLICY:

Uniform wear is a mandatory and critical part of AFJROTC training. Thus, the Corps has a “3 Strikes” policy on uniform wear. If a cadet receives 3 zeros on a uniform grade in a semester, they will be considered for removal from the Corps. There is also a “Dealbreaker” policy with uniforms – if a uniform infraction is very serious or the cadet blatantly disregards known rules about the wear of the uniform, then the cadet may receive an automatic zero for that week’s grade. Examples of “Dealbreakers” include not shaving, unnatural hair color, excessive jewelry/piercings, missing uniform parts, or other infractions that harm the image of AFJROTC if the uniform is worn throughout the day in school.

JROTC POLO SHIRT (STANDARDS):

All cadets are required to purchase an AFJROTC Polo shirt (Included in Cadet Fees) that will be worn on designated days. Instructions on how to purchase the Polo shirt will be passed out in class. See the instructors if this will cause any financial hardships. For uniform days, the Polo Shirt is to be worn with Kaki, Grey or Black pants. During hot weather, shorts may be worn, but they must come down to just above the knee (within approximately 3 inches) or lower.

DRY CLEANING:

Cadets are responsible for dry cleaning their uniform as necessary and exchanging all items that no longer fit. All Blue uniform parts must be dry cleaned at the cadet’s expense before they are returned to logistics. OCP/ABU uniforms may be washed normally. Occasionally cadets are directed to wear the AFJROTC Polo shirt in place of their other uniforms. This is an excellent time to get the uniform dry cleaned. Uniform items, especially shirts, that exhibit stains due to not being dry cleaned/washed regularly will be replaced at the cost of the Cadet/Student.

While enrolled in the AFJROTC program, cadets will comply with the personal appearance and grooming standards prescribed by the Air Force Instruction (AFI) 36-2903, Dress and Personal Appearance of Air Force Personnel, AFJROTCI 36-2903 and the AFJROTC Operational Supplement (Chapter 7).

If you are still unsure about proper grooming standards or uniforms, consult your cadet chain-of-command and then the AFJROTC instructors for guidance.

All name tags, ribbons, and other insignias a cadet has been issued must be worn during uniform inspections and returned if/when they leave the program.

The SASI or ASI may designate a uniform wear day other than the normal uniform wear day due to field trips, holidays, or special AFJROTC activities requiring wear of the uniform.

CURRICULUM:

This school year we will be covering:

AS300: Exploring Space: High Frontier

CHAPTER 1: THE HISTORY OF ASTRONOMY discusses the models of the universe throughout history. This section focuses on early astronomers and the theories they developed by observing the movements of the stars and planets. Lesson one describes the prehistoric and classical astronomy models presented by ancient Greek astronomers, Aristotle, and Ptolemy. Lesson two outlines the models of astronomy discovered during the renaissance period, including Copernicus's heliocentric system and Kepler's laws of planetary motion. Lesson three focuses on models of astronomy from the enlightenment era and modern astronomy models, such as Galileo's observations, Newton's laws of motion and gravity, and Einstein's theories.

CHAPTER 2: THE SOLAR SYSTEM explores the elements of the solar system. Lesson one focuses on the Earth and the Moon and explores the components of each and their relationship to each other. Lesson two analyzes the sun's energy and investigates how the solar system was formed. Lesson three examines the planets included in the solar system. In addition, in exploring each planet in the solar system, this lesson examines dwarf planets, comets, asteroids, meteors, and the Kuiper belt. Lesson four completes the discussion by exploring deep space.

CHAPTER 3: SPACE EXPLORATION examines components required to explore space and the current NASA strategic plan for space exploration. Lesson one analyzes the benefits of space exploration, NASA's plans for space exploration, and the role of private industry in space exploration. Lesson two discusses the components necessary for a successful space mission, including the qualifications and training of astronauts. Lesson three explores the hazards for spacecraft in space, such as radiation, impact damage, surface landing threats, and fire in space.

CHAPTER 4: SPACE PROGRAMS discusses past space programs and the effect of space on the human body. Lesson one examines space programs throughout the world, including the U.S. space program, Russian space program, and Chinese space program. The history and future goals of each program are examined. Lesson two provides a detailed explanation of the U.S. manned space program, including Project Mercury, Project Gemini, Project Apollo, and the Space Shuttle program. Lesson three focuses on methods that can be explored to make space people-friendly. This lesson examines the effect of space on the human body and the study of space biomedicine.

LE100 - Traditions, Wellness, and Foundation of Citizenship

Chapter 1: (Lessons 2, 3, 4, 5) Introduction to JROTC Programs". Cadets will learn about the military uniform, including how to properly wear the uniform and meet the appearance and grooming standards expected of a cadet. Cadets will also learn to recognize the different U.S. military ranks and grades. They will learn about military customs and courtesies such as saluting, many based on historic practices, which distinguish the JROTC as an important part of our nation's traditions. Through understanding JROTC as an environment that builds leadership and good citizenship through respect for others, cadets will learn how to project a positive attitude and self-discipline. Cadets will consider how to apply ethical and moral concepts, including those of the military services and various cultures. The chapter's final lesson will help cadets build social skills through proper behavior, personal hygiene, and grooming. Finally, they will learn how to plan and participate in military functions, especially Military Balls, Dining-Ins, and Dining-Outs.

LE300 – Life Skills & Career Opportunities

Chapter 1: Charting Your Financial Course explains important concepts in building financial stability and wealth. Students will learn how to make a plan for earning money, saving it, and spending it. A personal financial plan can be the difference between the ability to do the things each of them wants and the feeling that they'll never reach their financial goals in life. This chapter will provide them with an overall picture of how to create a budget before the text moves on to examine the specifics of savings, bank accounts, and the real-life issues students will face when buying and selling.

Chapter 2: Managing Your Resources describes the types of credit and discusses positive and negative aspects of using credit, along with monitoring credit to build a positive credit history. By evaluating the types of insurance options available to protect resources, students will learn the importance of insurance and tips for protecting their personal and financial information.

Chapter 3: Career Opportunities explores who they are by examining their own interests, values, attitudes, and abilities. Student self-discovery will help them choose careers based on each of them as a unique individual, and help them consider which work environments are best suited for their personal preferences. Finally, they will analyze different career paths available to them immediately after high school graduation or post-secondary vocational training or college education. By linking technical and educational career paths in this chapter, the intent is to communicate that both choices are worthwhile options.

Chapter 6: Applying for Jobs evaluates the process of successfully pursuing a desired career. By examining what employers are looking for, the students—the career seekers, will be employing the most effective tool needed to sell their skills. They will learn how to organize the job search. They will also consider different résumé types, and be able to prepare a persuasive cover letter and résumé. Students will learn about different types of interviews, how an interview is conducted, and effective tips for interview preparation.

Wellness Program

Basic physical fitness and Team Sports

2 x Physical Fitness TestCOMMUNITY SERVICE

Community Service is a required part of AFJROTC. Every Cadet is required to conduct a minimum of 6 Community Service hours each semester. More than 6 is encouraged and required for certain ranks, achievements and awards. Failure to achieve 12 service hours by the end of each school year may result in not receiving a certificate of completion when you exit/graduate from AFJROTC. A certificate of completion is required to earn extra rank if you enlist in the military after High School.

Community Service Hours examples and rules:

- **All community service must be signed off by a supervisor of the organization the service was conducted for. Examples; Church leader/Pastor, Community Leader, School Teacher/Administrator)**
- **All JROTC community service activities must be approved by an instructor.**
- Examples of service:
 - JROTC Color Guard presentations, Flag Details, parades and other activities
 - Helping at Church
 - Helping in the community
 - Local Food Bank
 - Local Elementary School
 - Etc.

GRADUATION PIN, CORD

The AFJROTC graduation pin and cord are not participation rewards. These awards are recognition of a cadet's efforts to better themselves and their community. The following items will be awarded upon graduating from High School to a cadet who completes the requirements listed below and is still actively participating in AFJROTC at the time of graduation:

Pin-complete at least 1 year of JROTC and all of the following requirements:

- Participate with JROTC during at least 2 Football games
- Conducted 12 hours of Community Service

Cord Requirements:

- Complete **Pin Requirements** every year in JROTC
- Successfully complete 3 years in JROTC
- Successfully command the 30 Step Drill Sequence
- Actively participated in at least 2 separate Leadership Development Requirements

NOTE: *These requirements are for cadets starting in the program during school year 2024-2025. Cadets that started during SY 23/24 have the same requirements minus 6 community service hours.*

CHAPTER 3: CLASSROOM PROCEDURES AND CADET RESPONSIBILITIES

*What I See is What I Do.
What I Do is What I Practice.
What I Practice is What I Become (Jeff Willie)*

The nature of the Air Force Junior Reserve Officers Training Program mission, as well as its high visibility within the school and community, requires its members adhere to higher standards of conduct than might be found among the general student population. Inappropriate behavior, in or out of uniform, is prohibited while participating in AFJROTC. This behavior includes, but is not limited to, consuming alcohol, drug abuse, fighting, insubordination, disrespect, verbal threats, and the following:

1. Public Display of Affection (PDA) is not allowed while in uniform. This includes kissing, handholding, or any other form of physical affection, in class, or while at any AFJROTC function. PDA is also a violation of the Volusia County School District policy.
2. Cadets will not use abusive, vulgar, obscene, or profane language or gestures.
3. Cadets will not annoy or harass anyone with insulting, inflammatory, insinuating, or defaming remarks.
4. Cadets will not indulge in horseplay such as hitting, slapping, sparring, or wrestling.
5. Cadets will not take part in public demonstrations in uniform, even for a “good” cause, nor will the uniform be worn as an endorsement for a particular organization, or cause.

STUDENT CODE OF CONDUCT

Click [here](#) to access the DeLand High School Student Code of Conduct Handbook. You can also navigate to the DHS website <https://www.delandhs.org/> and do a search for “Code of Conduct.”

RESPECTING THE FLAG

Cadets will stand for the pledge of allegiance and the playing of the National Anthem, in or out of uniform. If in uniform, cadets will salute during the playing of the National Anthem. Cadets should face the flag, or the music, if you can’t see the flag or don’t know where it is. If out of uniform, cadets will stop what they are doing and put their hands over their hearts. If a cadet does not wish to follow this requirement, they should remove themselves from the program, or risk being removed.

AFJROTC CADET CREED

Cadets will learn the Cadet Creed and recite it at the beginning of class each week:

**I am an Air Force Junior ROTC Cadet.
I am connected and faithful to every Corps of Cadets who
serve their community and nation with patriotism.
I earn respect when I uphold the Core Values of Integrity
First, Service Before Self, and Excellence in All We Do.
I will always conduct myself to bring credit to my family,
school, Corps of Cadets, community, and to myself.
My character defines me. I will not lie, cheat, or steal.
I am accountable for my actions and deeds. I will hold
others accountable for their actions as well.
I will honor those I serve with, those who have gone before
me, and those who will come after me.
I am a Patriot, a Leader, and a Wingman devoted to those I
follow, serve, and lead.
I am an Air Force Junior ROTC Cadet.**

CLASSROOM RULES

There are four overarching Rules of Engagement for cadets:

- **RESPECT THE PROGRAM...RESPECT THOSE AROUND YOU**
 - a. Stand silently at parade rest behind your seats at the beginning of class
 - b. Sit up straight in your chair and keep your feet on the floor
 - c. Keep your hands, feet, and other objects to yourself; do not place your feet on the furniture
 - d. Be somebody! Allow others to be themselves
 - e. Put **cell phones** and **earbuds** away before class begins. Only use when specifically given permission by an instructor.
 - f. Hats/Hoods of any type are not permitted inside the AFJROTC buildings at any time unless express permission has been granted by the SASI or ASI.
- **BE PREPARED**
 - a. **Be on-time for class**; if necessary, use the restroom before entering the classroom. If late to class, bring a pass from previous teacher or front office. **No exceptions.**
 - b. Do not bring food, gum or candy into the classroom without the instructor's permission
 - c. Do not bring radios, games, iPads/Tablets or other unauthorized devices into the classroom
 - d. Wear your uniform on the prescribed uniform wear day
- **BE COURTEOUS**
 - a. Be an attentive listener
 - b. Be courteous of others
 - c. Address instructors by their proper title, e.g. "Major" or "Sir", "Sergeant" or "Sir"
 - d. During announcements – be quiet and listen as announcements are being presented

- **BE RESPONSIBLE**

- a. Follow directions the first time (From leaders and instructors)
- b. Remain seated in class unless you have received permission from an instructor
- c. Raise your hand to be recognized before speaking
- d. Coordinate make-up work and tests with the instructor
- e. Turn in assigned work on the due date

CLASSROOM PROCEDURES

1. As Cadets enter the building they will move to their seats, sit down and quietly wait for class to begin.
2. Once class time starts, the bell will ring or the Flight Sergeant will call "Flight." Cadets will quickly stand besides their chairs at the position of PARADE REST with all personal belongings properly put away. Any cadet not standing at PARADE REST with belongings properly put away will be *Out of Order* and may be written-up in accordance with school policy for failure to follow instructions.
3. With the flight at PARADE REST, the Flight Sergeant will immediately call roll using the attendance sheet. Cadets will come to ATTENTION when their name is called and respond "*HERE SIR/MA'AM*". Cadets will return to PARADE REST after responding. Upon completion of the roll, the Flight Sergeant will report who is missing to the instructor in the room.
4. Flight Commander/Flight Sergeant will then conduct the Pledge of Allegiance and the Cadet Creed. NOTE: Cadets in uniform do not place their hands over their hearts.
5. The Flight Commander will give the order to "*TAKE SEATS.*" Cadets will sit down and refrain from talking. The Flight Commander will then provide any directions received by the ASI or SASI and make any announcements for the day/week.
6. Once announcements are completed, the Flight Commander will face the SASI/ASI, Salute, and proceed to say, "*THE CLASS IS READY FOR INSTRUCTION, SIR*". At that time, the SASI/ASI will provide any needed instructions.
7. Cadets arriving late will hand over their pass for being tardy, if applicable and then quickly and quietly proceed to their desk. Roll call will not be stopped to recognize tardy cadets. Cadets without a written pass to class will be written-up as tardy in accordance with school policy.
8. Excessive absenteeism and tardiness will negatively affect a cadet's course grade. Attending school and being on time as well as completing all class assignments are qualities that will ensure success in school and later in the job market.
9. Approximately three to five minutes before the class dismissal bell rings, the SASI/ASI Flight will turn the flight over to the Flight Commander to prepare for dismissal. Cadets will stop class work and put books and classroom materials away. Cadets will clear their desk tops, pick up and dispose of any litter in the immediate vicinity, align their tables with others

in their elements, and prepare to stand for dismissal. Flight Commander/Sergeant will instruct class to align desks.

10. At the Flight Commander's signal, or as the bell sounds, the preparatory command "*FLIGHT*" or "*STAND BY*" will be called followed by "*ATTENTION*". Cadets will come to the position of "*ATTENTION*" besides their chairs and wait to execute the Flight Chant. The Flight Commander will then "*DISMISS*" the flight. Cadets will then retrieve their personal belongings and depart the classroom in an orderly manner.
11. The Flight Commander, or in their absence, the Flight Sergeant is responsible for the conduct of their flight during the class period. All cadets will follow all valid Flight Commander or Flight Sergeant Instructions.

RESTROOM PASSES

1. Cadets are allowed to use the restroom 10 minutes after class starts, up until 10 minutes before class ends. Outside of that window cadets will only be allowed to use the restroom in an emergency.
2. Cadets are allowed 10 restroom passes per semester. Cadets will be given a JROTC restroom card and will get a hole punch in their card each time they leave the classroom during class hours. If cadets utilize all 10 of their passes in a semester they will not be allowed to leave the classroom.
3. If a cadet needs more than 10 restroom passes in a semester they must have a note from a parents stating why.
4. Excessively long bathroom breaks will be given a second hole punch in their restroom card.

OFFICE, LDR AND LOGISTICS PORTABLES

The Office, LDR and logistics portables are not for socializing. Cadets are not to be in those areas of the JROTC compound unless they have specific business there and have received permission from the ASI or SASI to do so. Additionally, only authorized cadets are to be in those areas. Friends are not to accompany them unless given specific permission. Non-JROTC cadets should never be in the logistics or LDR portables unless directly permitted by the SASI/ASI.

There is a "Snack Bar" in the office portable for purchasing drinks and small snacks. Cadets are permitted to enter the office portable to make a purchase as long as an instructor, the Finance Officer or approved representative is present. All money is to be handed only to an instructor or their approved representative from the Finance Officer. Non-JROTC students are NOT permitted in any Portable, to include the snack bar area. ALL non-JROTC cadets must be accompanied by a JROTC cadet while on the compound.

SASI/ASI OFFICE PROCEDURES

There may be times that require a visit to the Office portable. Under no circumstances are you allowed to enter an instructor's office area unless an instructor is there.

Please use the following procedures for office visits, before, during or after your class/school:

If coming for a reason other than being told to come:

1. Approach the ASI or SASI's door.
2. Knock and WAIT for the ASI or SASI to acknowledge your presence and indicate for you to state your reason for the visit.
3. DO NOT ENTER THE OFFICE unless invited to do so.
4. Upon being greeted, state your reason for the visit.
5. Once your business is finished, ask if there is anything the SASI or ASI needs from you and wait to be dismissed.
6. Once you've been dismissed, respond with an appropriate farewell such as: "THANK YOU, SIR."
7. Leave the doorway or office and proceed to the classroom or other required destination.

If coming because you were told to report to the SASI or ASI:

1. Approach the ASI or SASI's door.
2. Knock once and go to the position of PARADE REST.
3. WAIT for the ASI or SASI to acknowledge your presence.
4. Upon being greeted, go to the position of ATTENTION and SALUTE.
5. State, "SIR, CADET (your name) REPORTING AS ORDERED."
6. The SASI or ASI will return the salute and inform you why you've been told to report to them.
7. Once the conversation is complete, if the SASI or ASI does not dismiss you, ask, "SIR, WILL THAT BE ALL?"
8. The SASI or ASI will either continue or give you permission to leave.
9. Come to the position of ATTENTION and say, "THANK YOU, SIR."
10. Execute the appropriate facing movement and depart.

CHAPTER 4: CADET CONDUCT

Cadets will always conduct themselves to reflect positively upon themselves, their parents/guardians, DeLand High School, and the United States Air Force. If conduct does not reflect well, a cadet may be considered for removal from the program. If the cadet is in uniform when bad conduct is witnessed, the SASI will determine if the conduct was worthy of immediate removal and discuss with school administration and parents as necessary.

1. THE CHAIN-OF-COMMAND

Follow your chain-of-command whenever possible. Flight Sergeant → Flight Commander → Squadron Commander → Group Commander, Etc.. You are ALWAYS free to reach out to the SASI or ASI if you feel you need a faster response to question or have a serious concern.

2. CADET CONDUCT

Cadet conduct stresses that lying, cheating, or stealing are not tolerated and that HONOR is a noble, moral standard that is the essence of not only the Corps, but our civilized society.

Cadets shall:

- Respect their parents, school officials and staff, teachers, community leaders and fellow cadets
- Refrain from any acts or derogatory words that may discredit their family, school, Cadet Corps or themselves.
 - Vulgar conduct and language are not socially acceptable, hinder communication, and discredits the speaker.
- Dedicate themselves to succeed in academics, athletics, extracurricular activities, and work.
- Perform all assigned duties in a timely manner and fulfill all obligations.
- Maintain self-respect, self-control, and good behavior at all times (in and out of the classroom).
- Be honest and understand that honorable failure is better than success through unfair means.
- Be proud of their uniform and the commitment to AFJROTC that sets them apart from others.
- Be an exemplary role model with high standards of conduct.
- Respect other cadets and follow the directions of cadet officers and cadet NCOs.
- Show proper respect to the American Flag, an allied nation's flag, our national anthem, and pledge of allegiance whenever and where ever they hear it. (All cadets **WILL** stand for the national anthem and pledge of allegiance, even when outside or they **WILL** be removed from the program. NOTE: Cadets in uniform do not place their hands over their hearts.)
- Place the good of the Corps ahead of personal gain.

3. CADET OFFICER/NCO AUTHORITY

All cadet officers and noncommissioned officers (NCOs) are authorized/required to take charge of and direct subordinate cadets in the performance of AFJROTC leadership training. This includes the correction of uniform wear violations and/or inappropriate behavior any place on school grounds or at AFJROTC functions. However, cadet officers/NCOs will not disrupt any teacher's class to make corrections, not use physical contact when correcting a cadet without the cadet's permission and will never use force on another cadet. They will judiciously enforce military discipline at all times and will never demean, belittle, harass, or use profane or obscene language. Proven abuse of authority will result in immediate demotion and possible disciplinary action.

4. IMPROPER USE OF RANK

Cadets will not attempt to use their AFJROTC rank or position to obtain personal favors or gains. Cadet rank exists only when taking part in authorized AFJROTC activities. Blatant misuse of cadet rank or authority will result in demotion, loss of position and possibly disenrollment from the program.

5. INAPPROPRIATE BEHAVIOR

Inappropriate behavior, in or out of uniform, is prohibited while participating in AFJROTC and will result in disciplinary action by the SASI and/or the DHS administration. This behavior includes, but is not limited to, consuming alcohol, drug abuse, tobacco use, vaping, horseplay, public display of affection, fighting, disparaging remarks, insubordination, disrespect, verbal threats, and physical attacks. The initiation of a verbal threat or physical attack will be considered an assault, which is an illegal act and cause for disciplinary referral to the DHS administration and immediate disenrollment from the AFJROTC program. All inappropriate behavior is classified as “conduct unbecoming an AFJROTC Cadet.”

6. SOCIAL MEDIA

Cadets will respect other cadets and other students, faculty of DeLand High School and members of the community. Cadets will treat everyone with respect, both inside and outside of school. A cadet's behavior on the internet and social media must also be respectful and not bring discredit to AFJROTC. Cadets can be disciplined through AFJROTC and the school for disrespectful or inappropriate postings on social media.

7. HARASSMENT/BULLYING

Harassment or bullying of any cadet by anyone of any rank is strictly forbidden. Examples of harassment or bullying are improper or abusive language (to include profanity, obscenity, “in your face” or screaming either face-to-face or electronically), gossip/rumor spreading, and unwanted physical contact (especially of a sexual nature).

8. HAZING

Hazing is, “the practice of directing someone of lesser rank to perform a humiliating action, which entails the surrender of dignity and self-respect, or a hazardous action which exposes one to physical injury or bodily harm.” Hazing is strictly forbidden.

9. SECRET ORGANIZATIONS

Cadets are prohibited from organizing or belonging to formal or informal secret organizations including cliques and gangs. Such organizations are frequently violent, devious, divisive, and/or discriminatory, and will not be tolerated. Participation in such groups will result in a recommendation to the principal for disenrollment from AFJROTC and a failing grade for the course.

10. CADET ENROLLEMENT AND DISCIPLINE

AFJROTC is a voluntary program. No cadet will be enrolled, or forced to stay in AFJROTC, against their wishes. For a cadet to be part of AFJROTC, they must willingly participate in all aspects of the program. Exceptions can be made for those with disabilities. Exceptions will be made on a case-by-case basis. All who are willing and able to participate fully will be allowed to enroll in AFJROTC provided they agree to meet all the standards set forth in this Cadet Guide. All cadets are expected to operate with minimum supervision and display outstanding citizenship qualities. High standards are set and we expect each cadet to make every effort to meet them.

All cadets that do not follow procedures in this guide will be verbally counseled by the SASI/ASI and considered for removal from the AFJROTC program.

Instructors and Cadet Group Staff will make their best effort to document formal verbal counseling that is conducted in a personnel folder/binder. These will serve positively if the need arises for cadet removal from the program.

Cadet Removal from Program

Cadets may be removed from the program for the following non-disciplinary reasons

1. Receiving a zero on uniform wear on 3 separate occasions during a semester
2. Failure to consistently shave while in uniform
3. Failure to have hair or nails within standards (Color, length, etc.) while in uniform
4. Failure to remove additional earrings, nose rings, etc. while in uniform
 - a. 1st Time – Receive a warning
 - b. 2nd Time – Communication with parents to discuss
 - c. 3rd Time – Released from AFJROTC...even at the end of a semester (Extenuating circumstances excepted)
5. Any inappropriate behavior issues listed above (fighting, drug use, etc)
 - a. Considered for removal on 1st offense
 - b. Automatic removal on repeat offenses (regardless of type of offense/issue, extenuating circumstances excepted)

CHAPTER 5: CUSTOMS AND COURTESIES

1. SALUTE

The salute is a traditional greeting between military personnel. The salute dates back to medieval times when knights in armor would raise their visor with their right hand when meeting a comrade. This practice gradually became a way of showing respect, and in early American history, sometimes involved removing the hat. By 1820, the motion was modified to touching the hat, and since then, it has become the hand salute used today. Salute outside when wearing the uniform or when reporting to an instructor or higher ranking cadet. Sometimes the hand salute is rendered to honor the colors, a mark of respect for our country. The way cadets execute a salute is important. A smart salute indicates pride in self and corps. A sloppy, lackadaisical salute indicates lack of self-pride and disrespect towards the corps.

A. Cadets will be taught the proper manner of saluting and the rules governing saluting. Each cadet is expected to know how to salute and to salute when required. Cadet Officers should correct saluting violations in a courteous and helpful manner when such violations are made by cadets junior to them. All cadets are expected to accept these corrections with a proper attitude. Disrespect toward a cadet officer will result in counseling by the ASI or SASI.

B. A salute is required when in uniform. This includes all areas outside buildings. Upon recognition of the SASI, a commissioned officer or warrant officer of any military branch, or a cadet officer of higher rank, cadets should execute the salute when a verbal greeting, in a normal speaking voice, can be heard.

A salute is never given or returned when carrying something in the right hand or while running. A running cadet will come to a walk before executing the salute. When carrying something in the right hand, the cadet will empty the right hand and render the salute when approximately six paces from the SASI/ASI or cadet officer. If carrying articles in both hands, a verbal greeting is given. A cadet who is sitting down outside will rise to the position of attention before saluting or returning a salute. The lower ranking cadet will extend a greeting, such as “Good morning, Sir/Ma’am,” and hold the salute until the higher-ranking cadet returns it. If the higher-ranking cadet does not return the salute, the lower ranking cadet will drop the salute after the higher-ranking cadet has passed. Higher ranking cadets who do not return a salute should not be confronted by the lower ranking cadet, but should be reported to the SASI /ASI. Keep in mind it is possible they were distracted and did not see the salute.

C. The following situations require the exchange of salutes:

(1) Outside in uniform when a lower ranking cadet notices a cadet officer or a commissioned officer approaching (Exceptions: no salute areas identified in **Paragraph D** below).

- **Cadets will render a salute when in the area between the edge of the JROTC portables and Building 6 and the Auditorium building (Cafeteria Parking Lot and Sidewalks, uncovered paths back to main campus).**

(2) Classroom reporting (in or out of uniform)

(3) SASI/ASI office reporting (in or out of uniform)

(4) Drill activities (in or out of uniform)

- (5) Formal ceremonies such as receiving an award { Shake (right hand), Take (left hand), and Salute right (hand)}
- (6) Official military functions
- (7) Other activities as directed by SASI or ASI (in or out of uniform)

D. No Salute Areas: The following areas on DHS campus are the exception and will be considered no salutes areas.

- Main Campus
- The AFJROTC compound.

2. MILITARY COURTESY

In addition to saluting, cadets will address the SASI, ASI and cadet officers of higher rank by rank or by the terms “Sir” or “Ma’am”. This same courtesy should be extended to all teachers and administrators of DeLand High School. Active duty, reserve, and retired military personnel should be addressed by their rank and last name, or by referring to them as “Sir” or “Ma’am.”

Your actions inside and outside the classroom reflect upon the entire cadet corps. Disrespect toward any faculty member, administrator, or cadet officer will result in disciplinary action, which may include loss of rank or position within the corps. or in extreme situations, removal from the program.

3. UNITED STATES FLAG

The U.S. flag, adopted on June 14, 1777, is the fourth oldest national flag in the world. Denmark's flag, adopted in 1219, is the oldest. The U.S. flag has 13 stripes (7 red and 6 white) which represent the 13 original colonies. In the upper corner is a field of blue with 50 stars (representing the 50 states). The colors of the flag are symbolic as well: Red symbolizes *hardness* and *valor*; White symbolizes *pureness* and *innocence*; and Blue represents *vigilance*, *perseverance*, and *justice*

The U.S. flag should always be treated with utmost care and respect. The flag represents a living country and, as such, is considered a living thing. The flag is flown from sun-up to sunset, unless there is artificial illumination. Then, the flag can be flown 24 hours a day.

- Always hold the flag carefully- never let it touch anything beneath it: the ground, the floor, water or merchandise
- Always carry the flag aloft and free- never carry it flag or horizontally
- Always keep the flag clean and safe- never let it become torn, soiled or damaged
- Always dispose of a flag properly, preferably by burning it

Because the U.S. Flag is the symbol of our country, it should always be displayed in the most prominent, most honored position. No other flag should ever appear more important.

- On a Wall: When the flag is displayed on a wall, it should be displayed with the Stars uppermost and to the observer's left
- In Multi-National Flag Displays: In the United States, the U.S. Flag is to be displayed first- to "it's own right"- followed by the flags of all the other countries (at equal height and in alphabetical order) to the left (observer's right) of the U.S. Flag

- Among Subordinate Flags: When the U.S. Flag is among a group of subordinate flags, such as state and organization flags, the U.S. Flag should be at the center and at the highest point- the position of prominence
- Displayed from a staff: When displayed from a staff, the flag should hold the position of prominence, in advance of the audience and to the speaker's right (facing the audience). If other flags are also displayed, they should be placed to the speaker's left
- On a pole: When several flags are flown from the same flag pole, the U.S. Flag should always be at the top, except during church services by naval chaplains at sea when the church pennant may be flown about the U.S. Flag on the ship's mast
- The United Nations Headquarters Building in New York City, where the U.N. Flag holds the most prominent position, is the only U.S. location exempted from this provision
- Among Peers: When flags from two or more nations are displayed, the flag code forbids the display of any nation's flag in a position superior to another in time of peace. Therefore, each flag should be of approximately equal size and flown at the same height

4. NATIONAL ANTHEM

In 1814, Francis Scott Key wrote the poem, *Defense of Fort McHenry*. The poem was later put to the tune of John Stafford Smith's song, *The Anacreontic Song*, and retitled *The Star Spangled Banner*. Congress proclaimed *The Star Spangled Banner* the United States National Anthem in 1931.

When outdoors in uniform and the National Anthem or *To the Colors* is played, cadets will stand at attention, face the flag or direction of the music, and render a salute until the song ends. NOTE: Saluting is not required indoors, except for Color Guard. In civilian clothing, males should remove their hats, stand at attention, face the flag (or music), and place their right hand over their heart until the song ends. Females should stand at attention, face the flag (or music), and place their right hand over their heart until the song ends. Females in civilian clothing are not required to remove their hats.

The flag and national anthem are symbols of the people, their land, and their institutions.

CHAPTER 6: CADET OF THE MONTH PROGRAM

1. PURPOSE.

Establish the requirements for award of the Cadet of the Month Award.

2. PROCEDURES.

A. A cadet of the Month (COM) will be nominated by each Flight Commander and/or Flight Sergeant. Command Staff may nominate a Flight Commander and the Commander will nominate Command Staff. The nomination package, which includes a brief justification description, must be submitted to the Squadron Commander/Command Chief in accordance with the following timelines:

September COM nomination due 29 September
October COM nomination due 29 October
November COM nomination due 20 November
January COM nomination due 28 January
February COM nomination due 25 February
March COM nomination due 30 March
April COM nomination due 29 April

**QR Code: Nomination Form
for Cadet of the Month**

B. Cadets nominated for COM must display a positive attitude towards AFJROTC by:

1. Not having any unexcused, missed uniform wear days for the month
2. Participate in at least 50% of all corps extracurricular activities for that month
3. Not having any in-school suspension or out-of-school suspension during the semester

C. Cadets will be interviewed by the Command Chief. Cadet's nomination package and interview score will be reviewed by a central selection board consisting of the Cadet Commander, Deputy Commander and Command Chief with final approval by the SASI/ASI. Tie breakers, if necessary, will be based on order of precedence – highest score in dress and appearance, military bearing, and leadership potential.

3. AWARD.

The Cadet of the Month Award will consist of a certificate and an award. The actual award may change depending on the situation at the time of award.

CHAPTER 7: HEALTH AND WELLNESS PROGRAM

1. GENERAL

Health and wellness is part of each cadet's training. Generally, each Friday cadets will participate in the Wellness Physical Training (PT) program during AFJROTC class time. The PT program will consist of warm-up/stretching exercises and a regimen of targeted exercises designed to improve and measure your level of fitness. The PT program will also include team sports to foster leadership and teamwork. **Cadets must return completed parental permission forms before they will be allowed to participate. Failure to return these forms will result in the cadet's removal from AFJROTC, no exceptions.**

2. CLOTHING

Cadets are issued a PT shirt and shorts. Cadets should be prepared to conduct PT outdoors during moderately cold temperatures and may purchase sweatpants and shirts for use during PT. While participating in physical activities, cadets will wear appropriate shoes for physical activities, such as basketball, tennis, running or cross-training shoes. Examples of inappropriate shoes are crocs, sandals, high heels, dress shoes, boots, etc. Cadets who do not bring issued PT clothing and proper shoes could receive a zero for PT that day. See below for PT grading scale.

3. GRADING.

Each cadet will receive a weekly grade for participation in the PT program. The cadet's grade is affected by the following factors: wear of proper issued PT clothing and shoes, participation in all PT activities, and the attitude displayed by the cadet. If a cadet is injured and has a doctor's note, they will be exempt for activities prohibited in the doctor's note for the recommended amount of time. They should participate in allowed activities to the best of their ability and are required to dress out in their PT gear to obtain a grade each week.

PT Grading Scale	Grade
Full PT gear (Provided PT shirt & shorts, appropriate shoes)	100%
NO PT GEAR (but participates in activities)	50%
NO PT GEAR/DOES NOT PARTICIPATE	0%

Note: Since PT is a critical part of AFJROTC, **A 2nd week in a row of not dressing out, and any consecutive weeks, will result in automatic zeros. Multiple zeros for not dressing out could result in removal from AFJROTC.**

4. HEALTH AND WELLNESS RIBBON.

Awarded by the SASI for successfully completing the standard physical fitness test and achieving a passing score in weekly Physical Fitness classes.

Cadets who score in the Physical Fitness Test's 75-84% will receive a Bronze Star device; 85-95% will receive a Silver Star device; and 96-100% will receive a Gold Star device. These cadets, if already wearing the ribbon with oak leaf cluster(s), will wear the highest-level Star Device(s) affixed to the wearers right of the ribbon. Only the star representing the higher percentile score will be worn.

CHAPTER 8: CORPS OF CADETS ORGANIZATION

1. CADET APPOINTMENT AND DUTY ROTATION

The SASI and ASI select the Cadet Corps Commander based on applications and past performance. Then, in consultation with the Cadet Corps Commander, the SASI and ASI assist in filling the various staff positions and subordinate commanders in accordance with the Org Chart.

2. CADET RESERVE PROGRAM

Cadets may be enrolled as a “Reserve Cadet” if approved by the SASI/ASI. The cadet must have completed at least one full year of traditional AFJROTC. This option is only used when a cadet is highly deserving of being part of the program but cannot fit a regular AS class into their school schedule. Cadets who are a part of the reserve program must still wear the uniform weekly as required by other cadets, and they are eligible to be a part of co-curricular activities.

Note: *Rotation of some cadet positions will normally occur at the end of each semester. Position assignments will be based upon each cadet’s performance in previous positions, recommendations by the Squadron Commanders, and the SASI/ASI’s assessment of the cadet’s potential to perform in the new position. Due to experience limitations, it may be necessary to keep certain cadets in specific positions for longer periods.*

ORGANIZATION LEADERSHIP POSITIONS OF FL-023 AFJROTC

Cadets must learn the duties and responsibilities of their own assigned positions and should learn as much as they can about the other positions in the group. Promotions will be based on cadet knowledge, cadet performance and potential for more responsible jobs.

CHAPTER 9: CADET PROMOTIONS

CADET PROMOTION SYSTEM

The purpose is to establish cadet promotion criteria and procedures. As a rule, promotions are based on the completion of rank requirements or the position assigned by the SASI/ASI. All rank floors and ceilings may be waived due to discipline action or potential seen by the SASI/ASI. All cadets who complete one year of Cadet Leadership Camp will be eligible for promotions and position of the next higher AS class (ex. AS2 eligible for AS3 positions and ranks). Upperclassmen (junior/senior) cadets who enter the JROTC program later may be eligible for accelerated promotions based on SASI/ASI recommendation and leadership potential. All promotions are considered permanent unless the cadet falls below criteria to maintain the rank, fails to perform in their position, or receives a discipline action.

1. MINIMUM RANKS

All cadets are assigned a minimum cadet enlisted rank based on the amount of time they have satisfactorily participated in AFJROTC. See the JROTC Promotion Rubric later in this Cadet Guide or on the Webpage for permanent promotion criteria. The minimum ranks* for cadets to be awarded at the start of the second quarter of each school year are as follows.

First year Cadets = No Minimum Rank
Second year Cadets = Cadet Airman
Third year Cadets = Cadet Airman First Class
Fourth year Cadets = Cadet Senior Airman

2. PROMOTIONS.

Promotions require excellent attitude and performance as determined by the SASI/ASI. Promotions recognize achievement in AFJROTC and the potential to perform in a position with greater authority and responsibility. Cadets are required to meet the eligibility requirements as listed in the JROTC Promotion Rubric. Out-of-cycle promotions may be made at any time by the SASI/ASI to fill vacant positions or to recognize special merit (STEP). Eligibility requirements for promotion are as follows.

3. PROMOTION CYCLES

- AS1 Cadets – End of 1st & 3rd quarters
- AS2 Cadets – End of 1st & 3rd quarters

* Cadets receiving a promotion based on position held within the Cadet Corps will have 1 qtr to meet all those grade requirements. If a cadet fails to achieve those requirements SASI/ASI may remove the cadet from that position, demote the cadet, or extend time to meet the requirements another qtr.

** All cadets receiving a position at the beginning of the school year will be promoted to the appropriate rank on the 1st uniform wear day.

4. STRIPES FOR EXCEPTIONAL PERFORMERS (STEP)

Any cadet, at the SASI's discretion, can be promoted through the Stripes for Exceptional Performers Program. The criteria used for selection is not based on the standard cadet promotion system. The promotions through this program are based solely on the SASI observance of exceptional performance by a cadet. This performance is not a one time event, but a consistent display of the core values, diligence and hard work focused on supporting or improving the unit.

- Over the course of an academic year, the SASI may promote up to 5% of the current cadet corps through this program.
- STEP promotions are not asked for by a cadet seeking to be promoted. However, a cadet officer or the First Sergeant may recommend a particular cadet to the SASI for a STEP promotion. STEP promotions usually coincide with the traditional promotion cycle.

CHAPTER 10: UNIFORM WEAR

1. GENERAL

The uniform worn by the cadet is the same uniform worn by the United States Air Force except for the insignia. Each cadet must take care to wear the uniform properly and avoid bringing disgrace or discredit to the uniform. The uniform is the symbol of a proud and honorable service -- wear the uniform with pride! Conduct while in uniform and in civilian attire must reflect a positive attitude towards the AFJROTC program, Hamilton County High, and your fellow cadets.

See Attachment 1 for price list if you need to replace a lost item.

2. UNIFORM WEAR DAY

One day each week (normally Wednesday) is designated as "Uniform Wear Day." Uniform wear day (UWD) provides practical experience in military grooming, behavior, and appearance standards.

Each cadet must meet the standards for uniform wear and grooming each week to receive a passing grade in AFJROTC. On UWD cadets are required to wear the uniform and are evaluated and graded on uniform wear requirements and grooming standards. Cadets absent or not in uniform on UWD are expected to wear the uniform the next available school day. Cadets who are not in uniform on UWD must have a valid written excuse from their parent/guardian to avoid receiving a uniform wear grade of 0. The SASI/ASI will determine the validity of all excuses. Verbal excuses are never acceptable. Cadets who fail to wear the uniform on designated UWD may wear the uniform on the following day, but **will receive no higher than a 75, unless excused.** Cadets who consistently fail to meet these requirements will receive a failing grade for the term regardless of academic average and possible removal from the program.

NOTE: Missing 3 unexcused UWD's **WILL** result in removal from the program at next term, if not before, **unless** the SASI determines there are extenuating/unusual circumstances.

3. WEAR PROCEDURES

The standard uniform for our unit is the utility uniform. Currently that means either the Airman Battle Uniform (ABU) or the Operational Camouflage Pattern (OCP) uniform. The OCP uniform will be worn with the standard uniform t-shirt and OCP cover (hat). All standard dress and grooming (hair, facial hair, rings, earrings, etc.) standards apply while in any official Air Force JROTC uniform.

Note: Top 4 cadets, Command Staff, Color Guard and Drill team cadets are authorized and encouraged to receive and wear, as appropriate, the Dress Blues Uniforms.

On UWD the uniform must be worn from home to school, all day at school, and back home again to receive credit for wear. Cadets changing out of uniform without permission of the SASI or the ASI will receive a grade of zero for the week and will not receive uniform wear credit until it is made up. If a cadet must change out of uniform (except for participation in physical education activities), the cadet must receive permission in advance from the SASI or ASI. Cadets may change into appropriate clothing for after-school extracurricular activities (e.g. sports, clubs) and do not have to change back into uniform before going home. Cadets wearing civilian attire for before-school activities must change into their uniform prior to the start of the first block. Cadets who consistently fail to meet

appropriate uniform and grooming standards will not be permitted to participate in out of classroom activities (Military Ball, Dining Out, field trips, color guards, field days, etc.) and may be removed from the program.

4. UNIFORM WEAR REQUIREMENTS

For full description of uniform standards refer to Chap. 7 Uniform and Awards, Operational Supplement. (Located on canvas, under the Operational Supplement module).

Recommendations to Prevent Paying for Uniforms/Other Issued Items. To prevent having to pay for uniforms/items, it is strongly advised you:

- Bathe regularly. Leave the ring in your bathtub, not your shirt collar.
- Do not wash the pants and/or coats in a washing machine. They are dry clean only!
- Do not alter any uniform item without permission from an AFJROTC instructor.
- Do not leave items unattended or unsecured.
- Do not lend items to other cadets or anyone else.
- Do not allow others to turn in accountable items for you.
- Do not carry flight caps with books; but properly tuck them under the belt on the left side with the insignia facing forward.
- Use a piece of masking tape to place your name inside your hat, service dress coat and light weight jacket.
- Turn in any lost-and-found uniform items to an AFJROTC instructor.

Uniforms must be kept clean and in good condition during the year. Blues uniforms must be professionally cleaned and returned with the dry-cleaning bag and receipts/tags.

CHAPTER 11: COLOR GUARD

FL-023 COLOR GUARD

1. GENERAL - FL-023 COLOR GUARD / HONOR GUARD

The Presentation Color Guard Team (CGT) presents the Colors at various school and civic functions during the year – primarily at athletic events such as football games and Special Olympics competitions. Typically, four to five cadets (two to three flags and two rifles) will perform on the team. The Special Teams Commander maintains operational oversight for all facets of the CGT.

2. PROCEDURES.

The CGT is open to all cadets. The CGT will receive training in the proper procedures for posting and the presentation of the Colors. The CGT is open to every cadet who is motivated, displays a positive attitude, and has the ability and time to participate. Excellence cannot be achieved without personal commitment. Partial commitment degrades team unity. Practice sessions are typically conducted during school hours, and quick rehearsals take place before every event. CGT cadets earn the right to wear the distinctive shoulder cord after successfully completing all training.

- a. The Color Guard Team Commander is responsible for:
 1. Recruiting and organizing the CGT
 2. Maintaining a roster of the CGT with contact information (telephone numbers/e-mail)
 3. Conducting CGT training (initial and recurring)
 4. Inventory and maintenance of all CGT equipment
 5. Tracking cadet performances to ensure proper credit is given to participants

3. COLOR GUARD RIBBON.

The Color Guard Ribbon is awarded to cadets who complete 5 events in one year. CGT cadets are eligible to wear the ribbon once they have presented the Colors for their 5th time. The ribbon is limited to one award per year. Cadets will add an oak leaf cluster each year after completing 5 events.

CHAPTER 12: DRILL TEAM

FL-023 DRILL TEAMS

1. GENERAL: FL-023 DRILL TEAMS

Drill teams develop self-confidence, teamwork, skill, and esprit-de-corps in the unit. Drill teams are broken into Armed and Unarmed teams. Each team participates in multiple routines (Regulation, Exhibition, Inspection, Color Guard). Routines may be at the flight or element level.

2. PROCEDURES.

Each drill routine may consist of flights with twelve or more cadets and elements with six to eleven cadets. Color Guard teams will consist of four members. Teams are open to every cadet who has a positive attitude, ability, and time to participate. Excellence cannot be achieved without personal commitment. Partial commitment degrades team unity. Practices will be held after school, and at lunchtime. Additional drill days will be added as time permits throughout the year.

A. Removal from Drill Teams. Any cadet who consistently fails to follow instructions, is consistently tardy or absent from practice sessions, or who misses scheduled demonstrations or competitions without a valid excuse will be removed from the team. **Cadets must maintain a 70% practice participation rate in order to remain an active member of the team. Falling below 70% will result in a loss from their primary position and possible removal from the team.**

B. Academic Standards. Drill team members must maintain a B average in AFJROTC, and be passing all other classes. Members not in compliance with this requirement may be suspended or removed from the team.

C. Participation in Competitions. Even though a cadet practices with the team and is a member of the team, it does not imply that each team member will participate in all competitions. Primary's will compete and alternates will attend competitions and work towards becoming a primary cadet.

3. DRILL COMPETITIONS.

A. Practice. The drill team normally practices after school until 4:45PM. Drill team practice is conducted Monday-Thursday. **Team members missing a practice during the week of a competition, may become ineligible to perform in the competition.** Cadets on the team may either have their parents or guardians pick them up after practice.

B. Competition Transportation. All competitions take place on weekends. Travel is normally by school activity vehicles. Departure time may be as early as 4:45 (0445) with uncertain return times to campus. Cadets will have an approximate time of return to campus, but should be prepared to contact their ride by phone when the bus is 30 minutes from arrival back at campus. This will prevent parents from waiting an unnecessarily long time at the campus for the bus to arrive. It also assures the cadets (and instructors) do not have an excessive wait time for cadet's rides to show up.

4. CONTROL OF DRILL WEAPONS/SABERS

A. Storage. Drill weapons and sabers will be stored in the designated secure weapons storage lockers in the AFJROTC Armory. The weapons lockers and armory will be closed and locked when these areas are unattended.

- Weapons/Saber Issue
 - Cadets utilizing drill weapons and sabers are responsible for safeguarding them.

- Any cadet who loses or abuses a weapon or saber, jokes or jests with drill weapons or sabers, or otherwise handles drill weapons in an unsafe manner will face disciplinary action.
- Cadets on the drill team are authorized to practice with drill weapons after school provided the drill team commander or color guard commander is with the practicing cadets.
- Cadets practicing for a saber event will practice inside the AFJROTC drill area and be under the supervision of the commander for that activity.

C. Transporting Weapons and Sabers. While being transported, drill weapons and sabers will not be openly displayed. For non-school day activities where the weapons and sabers cannot be returned to the weapons storage lockers, an instructor or instructor designated cadet will retain the drill weapons and sabers in their possession until they can be placed in the cabinet. They will provide the best security possible for the drill weapons and sabers. Drill weapons will not be left in a vehicle except for very short periods.
