AUGUST EDITION...

BACK to SCHOOL

Welcome Middle School
Scholars & Parents/Guardians

★ to the 2026-2027 school year! ★

AS YOUR SCHOOL COUNSELOR, I PROVIDE THE FOLLOWING SERVICES:

academic and behavior support, social emotional lessons, career and college awareness, bullying prevention and awareness, grade-level transition, goal setting, individual and small group counseling, classroom guidance, as well as, linking families to community resources as needed.

Parents and/or guardians, if you need to address any of the concerns listed above, you can contact me or request a referral for me to meet with your child. Please complete the Middle School Counseling Referral or click the provided link in the contact section. In addition, teachers and students can make a request to meet with me as well. Please note that the services will be provided in a manner as to not interrupt instructional learning during core classes.

IMPORTANT NOTICE FOR THIS SCHOOL YEAR:

Parents/guardians must schedule a meeting with the school counselor if there is a concern that needs to be addressed regarding your child's academic progress, behavior status and/or attendance matters. Due to various responsibilities, I have preselected times/dates for parent meetings; therefore, it is important to contact me (via email) and request a meeting to address your concerns.
